EXECUTIVE SUMMARY

Introduction

Governor Pat Quinn is committed to helping small and diverse businesses grow and prosper by conducting business with the State of Illinois. Under his leadership, Illinois has continued to increase access and opportunity for entrepreneurs through the Business Enterprise Program (BEP), as well as key procurement initiatives led by the Department of Central Management Services (CMS). BEP promotes the economic development of businesses owned by minorities, females and persons with disabilities to the maximum extent possible.

This Fiscal Year 2013 Annual Report submitted by the Business Enterprise Council for Minorities, Females and Persons with Disabilities (Council), pursuant to 30 ILCS 575/8(f), highlights the amount of dollars agencies and universities spent with certified vendors of our program. This report identifies the "universe" of dollars subject to the BEP goal and provides a breakdown of the achievement attained for each agency and university, as well as achievement levels by gender and ethnic statutory categories.

In FY13, CMS implemented new and creative policies, and outreach initiatives which have helped pave the way for these results. CMS continues its oversight of sixty State agencies and nine universities in reviewing all procurement contracts over $250,000 for appropriate BEP goal inclusion. CMS has also increased efforts to educate purchasing officers with respect to BEP goal setting requirements and enhanced targeted outreach efforts to inform small diverse businesses of the State's purchasing procedures.

Historical Background

BEP was created in 1984 pursuant to the Business Enterprise for Minorities, Females and Persons with Disabilities Act (Act) (30 ILCS 575/1 et.seq.). It is the public policy of the State of Illinois to promote and encourage the continuing economic development of minority, females and persons with disabilities owned and operated businesses. The Act originally established a statutory overall BEP participation goal of 10%. This goal applied to applicable agencies and universities under the purview of the Office of the Governor. In 2010, this goal was raised to 20%. While this Annual Report highlights our overall achievements for State Fiscal Year 2013, we recognize that we can accomplish

more to improve upon the program's activities and achievements and maximize opportunities to the diverse business community we serve.

Fiscal and Legislative Accomplishments

All State agencies and universities have made a concentrated effort to ensure BEP vendors participate in the procurement process involving all industry groups. This effort has resulted in an achievement of $320,560,729, representing 31.14% of contract dollars received by BEP companies. During FY13, BEP certified 1755 individual firms. Furthermore, 48.2% of the State's BEP vendor base or 847 unique individual BEP vendors received a total of 4,956 contracts, with an average contract amount of $64,681. This amount reflects a 34.5% increase in the number of individual BEP contracted vendors from FY2012.

Additionally, pursuant to Public Act 97-260, BEP is responsible for the oversight and administration of the newly created Veteran Small Business Program. This new component will complement the ongoing BEP duties and responsibilities, providing for participation opportunities for Veteran and Service Disabled Veteran-owned small businesses to participate and compete for 3% of State procurements.

Certification Accomplishments

Through enhanced streamlining efforts, BEP successfully developed new certification procedures to expedite the certification processes and prevent potential backlogs. In addition, certification applications can now be completed and submitted electronically on-line, making the certification process more convenient and user friendly for applicants.

Outreach Efforts

BEP continues to expand outreach efforts to diverse businesses through innovative traditional and non-traditional methods. BEP became more technology oriented and Internet friendly by creating educational certification, at the same time, we continue creating synergy with federal and state agencies such as the Small Business Administration (SBA), the Illinois Procurement Technical Assistant Centers (PTAC), Small Development Centers (SBDC), and Chambers of Commerce, other assist agencies and community based organizations across the State of Illinois.

As always, BEP maintains its open door policy. Program staff is available to assist prospective and current vendors with all aspects of doing business with the State. In

addition to in-person consultations, teleconferencing and webinars are available for persons with disabilities and any other stakeholder.

BEP's user-friendly website, www.sell2.illinois.gov is not only for BEP certification applicants, but also for vendors seeking to partner with diverse businesses. Vendors can also access procurement opportunities at the following websites:

- http://www.purchase.state.il.us
- http://www.dot.state.il.us/dobuisns.html
- http://www.cdb.state.il.us/procurement.shtml
- http://www.procure.stateuniv.state.il.us/

Outlook for Fiscal Year 2014

CMS will continue to promote BEP and encourage the economic development of diverse business by hosting joint webinars with stakeholders to increase the number of diverse business across the State of Illinois. To that end, BEP will continue to employ innovative technology to make the certification and bidding process more user-friendly for vendors. Our Certification division also will be implementing extensions for certification terms to five years.

While we have identified ways to improve the Program, we will continue to expand business training and seminars in reaching targeted industry groups. We continue to evaluate best practices on technology implementation to meet our goals, and recruit new BEP firms in solicitations for non-traditional industry participation. It is our intent that our efforts will have dramatic effects on the Program and added economic success of our certified diverse businesses.

In addition, BEP, under the guidance of its Council, will focus added reviews of agency solicitation waiver requests. BEP will initiate added training initiatives to both the agency and vendor communities addressing the added component of the Veterans Business Program within our procurement activities. .

It should be noted that this FY 2013 report marks the second year this report has been developed with clear accounting for our BEP achievements measured against actual Dollars Subject to Goal formulas, along with a separate analysis of DBE spends for the Illinois Department of Transportation and Illinois State Toll Highway Authority, as well as Sheltered Workshop spending achievements. This revised reporting methodology

identifies actual BEP spending for our State and provides a transparent level of spending achievements within the Program.

BEP will continue to strive to improve the economic success of all diverse businesses by improving contracting opportunities and access to State procurements and by increasing the ability of diverse businesses to remain competitive within their respective industries.
