Human Services Commission Workgroup: System Design

1st Meeting

Tuesday, July 19, 2 – 4 p.m.
JRTC, 2-029

I. Welcome and introductions

II. Purpose and outcome expected for this workgroup:

To generate two documents for adoption by the Commission: 1) a set of recommendations aimed at informing key decision points in the State's implementation of health care reform where those decisions will bear on the delivery of human services, and 2) a set of recommendations aimed at informing the new budgeting for results Commission regarding types of outcomes and related data that might be required of State agencies delivering human services.

III. Wrap-up and next steps

Next full HSC meeting: August 9, Location TBD
