Illinois Health Facilities Review Board
525 W. Jefferson St, 2nd Flr
Springfield, IL 62761

Dear Review Board,

We respectfully write to you in opposition of Dr. Naser Rustom's intent to establish a new ASTC in Orland Park, IL. This area is already well served by other outpatient surgery centers and outpatient hospital departments, including:

- Aiden Center for Day Surgery
- AmSurg Surgery Center
- Ashton Surgical Center
- Christ Hospital
- Loyola University Medical Center
- Oak Brook Surgical Center
- Orland Park Surgical Center
- Palos Community Hospital
- Provena Surgery Center
- Surgery Center of Joliet
- Tinley Woods Surgery Center

As such, there is no reason for an additional Center in this location.

Sincerely,

Joe Jafari
Administrator
