RE: Permit Alteration: Project #16-001, Palos Community Hospital South Campus MOB – Orland Park
Permit Holder: PALOS COMMUNITY HOSPITAL - ST. GEORGE CORPORATION

Dear Mr. Brosnan:

On July 8, 2016 the Illinois Health Facilities and Services Review Board/Chairman approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Alteration to the total GSF from 248,760 to 217,070 and reduce the permit amount from $133,202,791 to $116,703,412.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in *"Subpart G"* of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

Kathy Olson

Kathy Olson, Board Chair
Illinois Health Facilities and Services Review Board
