***If the agency operates satellite or branch offices, please attach a separate sheet listing complete addresses of all other offices.**

This report is to be completed by agencies providing adoption services and shall be filed with the Department of Children and Family Services and with the Illinois Attorney General's Office. In addition, each licensed agency that maintains a website shall provide this report on its website. The report shall be filed annually, no later than the 45th day following an adoption agency's license anniversary date. Failure to provide the annual report or disclose certain information required in the report may result in the suspension of an agency's license for a period of 90 days. Subsequent violations may result in a revocation of the license. [Rule 401.530]

This report applies only to the provision of adoption services and includes agencies providing foster care conversion services.

Question number 1 (A – M) pertains only to domestic and international agency-assisted adoption services, and home study services-only programs. Question number 1 (A-M) does not pertain to foster care conversion adoptions. Agencies that provide adoption services only through foster care conversions must answer questions 2 – 12, but need not answer question number 1.
