Re: Letter of Support for Schaumburg Surgery Center CON (Project 16-007)

Dear Board Members:

I am currently serving as the President of GiGi's Playhouse National Achievement Center. Our nonprofit serves individuals with Down syndrome and their families with free therapeutic based programs out of a brick and mortar building.

I am writing to express our support for the certificate of need (CON) permit application submitted by Schaumburg Surgery Center (SSC). We ask the members of the State Board to approve this project and grant SSC a permit to establish a multi-specialty ambulatory surgical treatment center (ASTC) in Schaumburg, Illinois that will [offer an affordable alternative to hospital-based surgical care. As the Board knows, surgery centers cost less than hospital care, both from a reimbursement perspective and also when it comes to patient copayments – or similar message regarding access to care].

We kindly request that you approve this application. We believe the project is both necessary and in the best interest of our community. Thank you for your consideration.

Sincerely,

Nancy Gianni

RE: Schaumburg Surgery Center (CON Project 16-007)

Dear Ms. Avery:

I am a current patient of Barrington Orthopedic Specialists. I receive orthopedic care from Dr. Mahoney. My physician and the Barrington staff always provide me with compassionate, individualized orthopedic care. They are always friendly and do their best to find the most convenient location for my care.

I am writing this letter to express my support for the certificate of need application submitted by Schaumburg Surgery Center, an outpatient surgery center that will be owned by Barrington's physicians. I support this project because it will provide another cost effective treatment option for me and my family.

I ask the members of the Illinois Health Facilities and Services Review Board to support the CON application filed by Schaumburg Surgery Center. I believe the project will be beneficial for our community. Thank you, in advance, for your consideration.

Sincerely,

RE: Schaumburg Surgery Center (CON Project 16-007)

Dear Ms. Avery:

I am a patient of Barrington Orthopedic Specialists, receiving orthopedic care from Dr. Cirrincione at his medical office in Schaumburg, Illinois. Dr. Cirrincione and his staff provide me with compassionate, individualized orthopedic care. They are friendly and do their best to find the most convenient location for my care.

I am writing this letter to express my support for the certificate of need application submitted by Schaumburg Surgery Center, an outpatient surgery center that will be owned by Barrington's doctors, including Dr. Cirrincione. I support this project because it will allow a greater level of service and more personalized attention to the patient than would otherwise be available in a larger hospital setting.

I ask the members of the Illinois Health Facilities and Services Review Board to support the CON application filed by Schaumburg Surgery Center. I believe the project will be beneficial for our community.

Thank you, in advance, for your consideration.

Yours truly,
