Re: Transitional Care of Lake County (Project No.16-012)

Dear Ms. Olson:

I write in support of Transitional Care of Lake County's application to relocate the Winchester House retirement facility from Libertyville to Mundelein. The current facility is outdated and designated for closure. The promise of this project is to ensure residents of Lake County have access to quality long-term care services in a modern facility.

In addition to long-term skilled nursing services, it is my understanding that Transitional Care of Lake County will provide care to high-acuity patients. As they have several successful and beneficial facilities in our region, I feel they are well positioned to be successful in the proposed location Mundelein.

Thank you for your consideration of this proposal.

Best regards,

Member of Congress
