Project Number:	#16-015, DaVita Forest City Dialysis
Permit Holder:	DaVita Healthcare Partners, Inc.

Dear Mr. Tincknell:

We are in receipt of your request for expedited review. Your request has been granted. The project is scheduled for the June 21, 2016 State Board Meeting. You are reminded that the establishment of a health care facility is a substantive project and the review timeframe for a substantive project is one hundred twenty days (120) from the date the project is deemed complete. Please note that during the shorten review period issues with the application for permit may come to the State Board Staff's attention. If that occurs the review for this project will be extended.

Should you have any questions or concerns please contact Mike Constantino or George Roate at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

Mike Constantino
