Re: Support Letter for Schaumburg Surgery Center CON (Project No. 16-007)

Dear Administrator Avery:

I represent a business located in the northwest suburbs. I have been in this area for 25 years. Based on this experience, I am quite familiar with the community and the Schaumburg area. My company as has an interest in the health care service as they relate to our families and employees. We consider any addition to the system a benefit.

I am writing to convey my support for the certificate of need (CON) permit application recently submitted by Schaumburg Surgery Center, LLC (the "Applicant"). The proposed surgery center will result in the following:

- CON approval will increase access to healthcare services for the employees that work for my company.
- A new outpatient care option will provide a competitive alternative to high cost options and help control healthcare costs in the community.
- High quality surgical care, from highly trained physicians, at a convenient location.

For the reasons above, I respectfully request that you approve this CON permit application. I firmly believe that this project will have a positive impact for patients living in the northwest suburbs.

Thank you for your consideration.

Sincerely,

Terrence J. Ronczkowski

RE: Schaumburg Surgery Center (CON Project 16-007)

Dear Ms. Avery:

I am a current patient of Barrington Orthopedic Specialists. I and other members of my family receive orthopedic care from Dr. Cirrincione from time to time at his medical office in Schaumburg, Illinois. Dr. Cirrincione and his staff always provide me with compassionate, individualized orthopedic care. They are always friendly and do their best to find the most convenient location for my care.

I am writing this letter to express my support for the certificate of need application submitted by Schaumburg Surgery Center, an outpatient surgery center that will be owned by Barrington's doctors, including Dr. Cirrincione. I support this project because it would be extremely convenient for us at this location and experience tells us that the care we will be receiving is top notch.

I ask the members of the Illinois Health Facilities and Services Review Board to support the CON application filed by Schaumburg Surgery Center. I believe the project would be very beneficial for our community.

Thank you, in advance, for your consideration.

Sincerely,
