Attention: Courtney Avery, State Board Administrator

Regarding letter of support for Schaumburg Surgery Center CON (project 16-007)

Dear Board Members:

I am the Medical Director of CompCorePro, LLC. Our company serves as a workers comp administrator to numerous companies throughout the state of Illinois. Our focus is to help control costs on workers compensation claims. One of the ways we do this is by steering injured employees to highly skilled orthopedic surgeons such as those at Barrington Orthopedics. By performing routine musculoskeletal surgeries such as shoulder and knee arthroscopies, carpal tunnel surgery, and open reduction/internal fixation of fractures in an outpatient ambulatory surgery center instead of an inpatient hospital setting, our clients save a significant amount of money on the cost of their workers compensation claims.

I am writing to express our support for the certificate of need (CON) permit application submitted by Schaumburg Surgery Center (SSC). We ask the members of the State Board to approve this project and grant SSC a permit to establish a multispecialty ambulatory surgical treatment center (ASTC) in Schaumburg, Illinois that will offer an affordable alternative to hospital-based surgical care. As the Board knows, surgery centers cost less than hospital care, both from a reimbursement perspective and also when it comes to the patient's co-payments.

We kindly request that you approve this application. We believe the project is both necessary and in the best interest of our community. Thank you for your consideration.

Sincerely,

Raj Khanna, MD.

Rajeev Khanna, M.D.

RE: Schaumburg Surgery Center (CON Project 16-007)

Dear Ms. Avery:

I am a current patient of Barrington Orthopedic Specialists. I receive orthopedic care from Dr. Bernstein. My physician and the Barrington staff always provide me with compassionate, individualized orthopedic care. They are always friendly and do their best to find the most convenient location for my care.

I am writing this letter to express my support for the certificate of need application submitted by Schaumburg Surgery Center, an outpatient surgery center that will be owned by Barrington's physicians. I support this project because it will provide another cost effective treatment option for me and my family.

I ask the members of the Illinois Health Facilities and Services Review Board to support the CON application filed by Schaumburg Surgery Center. I believe the project will be beneficial for our community. Thank you, in advance, for your consideration.

Sincerely,

Michelle Knight

RE: Schaumburg Surgery Center (CON Project 16-007)

Dear Ms. Avery:

My wife and I are patients of Barrington Orthopedic Specialists, LTD. ("BOS"). We live in Palatine, and for several years we have received excellent, efficient, respectful and prompt orthopedic care and physical therapy from Dr. Mark Levin and his medical colleagues at their medical offices in Schaumburg, Buffalo Grove and Elk Grove, Illinois. Dr. Levin and the BOS staff have provided me and my family with compassionate, individualized orthopedic care for years, and BOS has provided us with friendly and responsive care at the most convenient location.

I am writing to express our support for the Certificate of Need Application submitted by Schaumburg Surgery Center, an outpatient surgery center that will be owned by BOS's physicians. I support the project because it will provide a cost-effective treatment option for me and my family in our area. Simply put, it will benefit me, my family and the community, and will provide all of us with access to quality health care at an affordable cost.

I ask the Illinois Health Facilities and Services Review Board to support and approve Schaumburg Surgery Center's Application for a CON. Without question, the project will benefit our community and fill a need – and I encourage you to support the application accordingly. Thank you, in advance, for your consideration.

Sincerely,

Re: Support Letter for Schaumburg Surgery Center CON (Project No. 16-007)

Dear Administrator Avery:

I am a physician with a medical practice in the northwest suburbs. I have been practicing medicine in this area for 25 years. Based on this experience, I am quite familiar with the health care needs of patients who live in Schaumburg, Illinois and the surrounding communities.

I am writing to convey my support for the certificate of need (CON) permit application recently submitted by Schaumburg Surgery Center, LLC (the "Applicant"). The proposed surgery center will result in the following:

- CON approval will increase access to healthcare services, especially for persons in need of charity care services and Medicaid beneficiaries.
- A new outpatient care option for young children and teenagers in the area who are injured while playing sports, giving them an option for care outside of an emergency room setting.
- High quality surgical care, from highly trained physicians, at a convenient location.

For the reasons above, I respectfully request that you approve this CON permit application. I firmly believe that this project will have a positive impact for patients living in the northwest suburbs.

Thank you for your consideration.

Sincerely,

Phillip Markowitz, D.O.
