Re: Request for Expedited Review – Project #16-024
Fresenius Kidney Care East Aurora

Dear Ms Wright:

We are in receipt of your request for expedited review dated May 26, 2016. Your request has been granted because of the unusual circumstances surrounding the owner of the property. Your project will be scheduled for the August 2, 2016 State Board meeting.

Please note there is nothing in Statute or rules that allows for expedited review. All substantive projects are subject to 120 day review.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

Kathy Olson, Board Chair
Illinois Health Facilities and Services Review Board
