## Nursing Home Violations for 2016 Second Quarter

**SPRINGFIELD** - The Illinois Department of Public Health (IDPH) today announced the following type “AA” and “A” violations of the Nursing Home Care Act recorded during the second quarter of 2016. An “AA” violation is cited when there is a condition or occurrence at the facility that proximately caused a resident’s death. An “A” violation pertains to a condition in which there is a substantial probability that death or serious mental or physical harm will result, or has resulted.

The [Quarterly Report of Nursing Home Violators](#) can be found on IDPH’s website and contains additional information about the violations.

### April

Grove of Evanston L & R, a 124-bed skilled care facility located at 500 Asbury Avenue, Evanston, has been cited with an “A” violation and fined \$25,000 for failure to implement fall prevention interventions for a cognitively impaired resident with a history of falling, which resulted in a resident fracturing a hip; as well as failure to respond to a door alarm or monitor a resident who eloped from the facility. The facility is scheduled for a prehearing on IDPH’s action on August 3, 2016.

Integrity Healthcare of Chester, a 117-bed skilled and intermediate care facility located at 770 State Street, Chester, has been cited with an “A” violation and fined \$25,000 for failure to supervise residents at high risk for falls and implement interventions to prevent falls, which resulted in a resident fracturing a hip. The facility requested a hearing on IDPH’s actions and the case was dismissed.

Lake Shore Healthcare and Rehabilitation Center, a 313-bed skilled care facility located at 7200 N. Sheridan Road, Chicago, has been cited with an “A” violation and fined \$25,000 for failure to implement fall prevention interventions, to monitor and supervise a resident at risk of falls, and to help reduce injury, which resulted in a resident falling and suffering a subdural hemorrhage and a cut needing sutures. The facility has requested a hearing on IDPH’s actions and a status conference is scheduled for July 27, 2016.
