How to Use this Guide

This Guide has been prepared to assist you in making an informed decision about purchasing a Medicare supplement insurance policy, sometimes referred to as “Medigap.” A Medicare supplement policy is insurance coverage sold by a private insurance company designed to pay the major benefit gaps in Medicare, such as deductibles and copayments. A Medicare supplement is NOT managed care, such as an HMO, PPO, etc., or coverage provided by an employer. **By law, all Medicare supplement plans currently available must be identical from company to company**, so comparison for price is important! Not all insurance companies sell all plans.

Medigap law changed on June 1, 2010. Therefore, if you purchased a Medigap plan prior to June 1, 2010, your plan benefits may look different than the current benefits offered for sale today. **You do NOT have to replace an older Medigap policy.** You may keep your current Medigap policy and it will continue to pay benefits according to its policy guidelines. The charts on **pages 7, 8 and 9** list the plans available for sale now and the benefits offered under each plan. In addition to the regular Medicare Supplement Plans A through N, Plan F is also available as a High-Deductible plan (**see page 15**). Additionally, you may have the option of choosing a Medicare Select plan, which is explained on **page 14**.

Please note that Medigap policies must be clearly identified as “Medicare supplement insurance” and that the company cannot include any additional benefits other than those outlined on **page 7**. Each rate chart lists the insurance companies licensed to sell those specific insurance plans in Illinois, and the **approximate amount they charge by age when you purchase the policy. Rates are quoted based on a regional zip code.**

Medigap policies currently sold cannot contain prescription drug benefits because of Medicare’s prescription drug coverage, Medicare Part D, which began in 2006. However, if you had a Medigap policy with prescription drug coverage prior to 2006, you **may** keep that policy. Medicare Part D coverage is provided through private insurance companies and/or Medicare Advantage plans offering prescription drugs.

The premiums listed in this Guide were approved and are on file with the Illinois Department of Insurance. These premiums were effective as of August 2017, but may change during the year. You can also contact the company for accurate premium information specific to your situation. Licensed insurance companies that sell only to groups and not individuals may not be included in this guide.

Please take time to read the valuable information printed in this shopping Guide. If you have any questions about this Guide, Medicare supplement insurance in general or Medicare prescription drug plans, you may contact the Illinois Department on Aging, Senior Health Insurance Program (SHIP) at: 1-800-252-8966; 1-888-206-1327 (TTY); or email SHIP at: AGING.SHIP@illinois.gov

Definition of Terms and Special Provisions

Open Enrollment Period: A person of any age going onto Medicare Part B for the first time has six (6) months from the date their Part B coverage takes effect to shop for a Medicare supplement policy. **During this open enrollment period, you cannot be refused coverage** for any reason. Unless you have prior **creditable insurance coverage** (see definition below), the company *may* impose a waiting period for coverage of pre-existing conditions for up to six (6) months, but it cannot refuse to sell you a policy if you apply within your open enrollment period.

30-Day Free Look: You have 30 days after you **receive** a Medicare supplement policy to review the policy, cancel if you choose, and get a full refund of premium (less any Policy Fee charged at the time of sale). If you wish to cancel, it is recommended that you return the policy directly to the company (not the insurance agent) by certified mail, return receipt requested.

Creditable Coverage: There are certain types of previous health insurance coverage that can be used to shorten or eliminate a pre-existing condition waiting period under a Medigap policy. However, you cannot have more than a 63-day break in coverage between the previous health insurance coverage and your Medicare coverage.

Crossover: A formal agreement between Medicare Part B and the insurance company that allows your Medicare claim to be sent to your Medigap Company electronically. This eliminates the need to file paper claims with your Medigap carrier. This information appears next to the company information on the rate charts.

Guaranteed Renewability: All standardized Medicare supplement plans are guaranteed renewable for life. This means that the company cannot cancel your policy **unless** you do not pay the premiums or you falsify information on your application.

Medical Underwriting: The process by which an insurance company determines insurability due to medical diagnosis of any pre-existing health conditions.

Pre-existing Waiting Period: Unless you have creditable coverage, a Medigap company may impose a waiting period of up to six (6) months for a pre-existing health condition you may have. Each company's waiting period appears in the company information on the rate charts.

Policy Application Fee: Companies may charge a one-time fee when you first apply for a policy within the 30-day free look period. The company does *not* have to refund this fee if you choose to cancel your policy within this 30-day period.

Standardized Coverage: Medigap policies sold in Illinois after 1992 are identical in coverage from company to company. For example, a Plan F sold by ABC Insurance Company has the same benefits as a Plan F that is sold by XYZ Insurance Company.

Information for Disabled Individuals on Medicare:

In Illinois, people under the age of 65 on Medicare *due to a disability* have the same Open Enrollment rights as people 65 and older. Additionally, when you turn 65 you will be eligible for another six (6) month Medicare supplement open enrollment period due to age. This will give you the opportunity to purchase a Medigap policy based on the age of 65, which may reduce your monthly premium.

PLEASE NOTE: *If you are under 65 and receive notification of your Medicare Part B eligibility retroactively, your six (6) month Open Enrollment Period starts on the date you receive that notification.*

Be aware if you are under 65, disabled and on Medicare and did not purchase a Medigap policy during your initial six (6) month open enrollment period, you should be able to purchase a Medigap policy from Blue Cross/Blue Shield or from Health Alliance from October 15 to December 7. The two companies have agreed to guarantee issue their plans during this time frame only.

ADDITIONAL OPTIONS FOR PEOPLE ON MEDICARE

Individuals on Medicare can apply for coverage under a Medicare Advantage (MA) plan, also known as Part C of Medicare, as an alternative to traditional Medicare. These types of Medicare health plans **must** accept anyone who applies for coverage, with the exception of most people who have End Stage Renal Disease (kidney failure). Four (4) types of Medicare Advantage plans are available to some or all Illinois residents who have Medicare, depending on where they live. Please note that you do not lose or give up your Medicare coverage. Medicare Advantage Plans cover Parts A & B of Medicare and may offer Part D prescription drug coverage as well. Persons who have their Medicare contracted through a Medicare Advantage plan do **not** need a Medicare Supplement Policy, as all their Medicare services must be obtained through their MA plan. The four (4) types of Medicare Advantage Plans are:

- **Health Maintenance Organizations (HMOs)** are only available in certain zip code areas and counties. HMOs utilize a network of providers, doctors, and hospitals, which have contracted with the HMO to provide services to their members. In order to utilize specialists, a referral must be arranged through a primary care physician. **Please note that if you use an out-of-network provider, no payment will be made by the HMO or Medicare, which means that you will be responsible for the entire cost of those services. Exception: HMOs with a Cost Contract may cover services of non-network providers at a higher cost to you. Most HMOs are NOT Cost Contracts.**

- **Preferred Provider Organizations (PPOs)** are also only available in certain counties in Illinois. PPOs may allow members to seek services outside of the PPO network and may charge higher co-payments for these benefits.
- **Private Fee-For-Service (PFFS)** plans are available in Illinois and differ from HMOs and PPOs in that they do not utilize a network of contracted providers. People in a PFFS may obtain services from any provider that accepts the plan's terms and conditions. Contact your providers before purchasing a PFFS plan to see if they will accept this type of insurance. If the provider does not agree to accept the plan, the insured person is responsible for all charges associated with the service.
- **Special Needs Plans (SNPs)** are plans which focus on individuals with special needs. Special Needs Plans may target enrollment to one (1) or more special needs identified as: 1) institutionalized; 2) dual eligible – have both Medicare and Medicaid; and/or 3) individuals with severe or disabling chronic condition(s).

To inquire whether Medicare Advantage plans are available in your area or to obtain additional information about these plans, call SHIP at 1-800-252-8966. A list of the plans available in Illinois can be found in the back of your current **Medicare & You Handbook**. You may also call Medicare at any time at 1-800-Medicare (1-800-633-4227), or use the online tools at www.Medicare.gov, Find Health and Drug Plans.

- Plan M will cover 50% of the Medicare Part A deductible; and
- Plan N pays 100% of the Medicare Part B Coinsurance or Copayment, except for a copayment up to \$20 per physician visit and \$50 per Emergency Room visit. Emergency Room visit copayment will be waived if admitted into the hospital.

- You pay \$50 for each Emergency Room visit you incur;
- The Emergency Room visit copay is waived if you are admitted in to the hospital pursuant to your ER visit;
- The Medigap plan will not reimburse you for these copayment amounts. They are your responsibility to pay.

Prescription Drugs are no longer available under Medigap plans unless you retained an H, I or J policy issued prior to January 1, 2006. Medicare Part D provides prescription drug coverage through private insurance companies via stand-alone prescription drug plans (PDPs) or through Medicare Advantage plans offering a prescription drug benefit (MAPDs).

The “At Home Recovery” and the “Preventive Care” benefits are no longer offered in any Medigap plan sold after June 1, 2010.

MEDICARE SUPPLEMENT: GUARANTEED ISSUE RIGHTS

Suspension of Coverage

If you become entitled to benefits under Medicaid, you have the right to suspend your Medicare supplement policy for up to 24 months; meaning that the policy cannot be cancelled and you cannot be charged a premium during the suspension period. If you become ineligible for Medicaid benefits during this 24-month period and therefore need your Medicare supplement policy again, as long as you notify your insurer within 90 days of the date of your Medicaid ineligibility, your Medicare supplement policy must be reinstated without penalty and you will not have a pre-existing waiting period.

You can also suspend your Medicare supplement policy if you are under age 65 and have insurance coverage with an employer-sponsored group health plan due to your employment or that of your spouse (or parents in the case of a disabled person). There is no limit to the amount of time your Medicare supplement policy can be suspended.

Premium Calculation Methods

The rates quoted in this Guide are for *male non-smokers in specific regions of the state by zip code*. Rates may vary depending on gender and the city in which you live. Rates listed are those in effect with the Illinois Department of Insurance in August 2017.

For persons under 65 who become eligible to purchase a Medigap policy, companies may not charge a rate higher than the highest rate on the company's current rate schedule filed with the Illinois Department of Insurance. The rates contained in this guide are provided for general guidance. The actual rates for individuals under age 65 may vary from the highest rate in this guide. Please contact the company directly to get the actual rates.

Premium Calculation Methods: Insurance companies use three (3) different methods of pricing policies based on age.

- **Attained Age:** Your premium will increase as you grow older. Additional increases due to higher medical costs or higher than expected claim costs are also possible. For example, if you buy a policy at age 65, when you turn 70, you will pay whatever the company is charging for a person 70 years old. However, any rate increase that occurs must apply to the entire class of policyholders in which you are categorized, not just to you as an individual.
 - Most companies in this guide use the Attained Age Rating Method with the exception of *AARP/United Healthcare Insurance Company*, which uses No Age Rating (see below).
- **Issue Age:** Your premium will always be based on your age at the time you purchased the plan. Any increases will be due to higher medical costs or higher than expected claim costs for the entire class of policyholders you are in. Even though you will have increases in your policy premium, the premium will not increase just because you are growing older.
 - No companies in this guide currently use the issue age method.
- **No Age (Community) Rating:** The premium for a specific policy is the same for everyone over the age of 65, regardless of their age.
 - The only company using this rating methodology in Illinois is *AARP/United Healthcare (UHC)*. UHC utilizes a two-tiered community rating, which offers a lower premium for people who apply for a Medigap policy within the first 36 months of their enrollment in Part B of Medicare.

RATES: IF YOU APPLY FOR A MEDICARE SUPPLEMENT POLICY AFTER YOUR OPEN ENROLLMENT PERIOD HAS EXPIRED, SOME COMPANIES MAY CHARGE A HIGHER RATE FOR SMOKERS.

Medicare Select

Medicare Select is another type of Medicare supplement policy.

Medicare Select companies have the right to require you to use **specific** hospitals and doctors. This requirement does **not** apply in the case of an emergency. It is important to call the company to find out if they have a Medicare Select plan available in your area and that your preferred hospital is included before you decide to purchase this type of Medicare Select policy.

Medicare Select plans must be one of the standardized plans. If you do not follow the Medicare Select provisions, Medicare will pay its portion, but the Medicare Select company is **not** required to **pay** your inpatient hospital **deductible** or **copayments**.

Please review your plan for specific guidelines. Medicare Select premiums will be lower than that same company's standardized Medicare supplement premiums. If you have had a Medicare Select policy for at least six (6) months and then cancel it, you will have the right to buy a standardized Medicare supplement policy from the same company with comparable or lesser benefits regardless of your health status. Also, depending on your health status and the company's underwriting standards, you may be able to purchase a Medicare supplement plan with greater benefits.

Rates for Medicare Select plans are shown on separate rate tables. They are located directly behind those of the regular Medicare supplement rate charts on page 32.

Medicare Supplement High-Deductible Option

Another variation of a Medicare supplement policy available to you is a “high-deductible option” on Plan F. Generally, the premium for a high-deductible Plan F will be lower than that company’s same Medicare supplement plan without the higher deductible. The benefits for a high-deductible Plan F are identical to any other Plan F. The only difference is that the plan will **not** pay benefits until you have met the deductible (the amount you must pay out of your pocket) for that calendar year. **The deductible for 2018 is \$2,240.** This deductible is adjusted each year to reflect the change in the Consumer Price Index.

In addition to the \$2,240 deductible for Plan F, there is also a separate \$250 per year deductible for the foreign travel emergency benefit.

Rates for Medicare supplement high-deductible plans being sold in Illinois can be found immediately following the Standard Plan F rates as indicated by **FHD**.
