

NEW IPG Training Classes for Vendors

The Chief Procurement Office remains strongly committed to making state procurement easier for vendors. The IPG is a substantial effort at remaking how vendors bid on state contracts. The IPG minimizes the amount of paperwork that vendors must provide with each bid, standardizes the State's review of vendor disclosures, and provides the public with more transparency. Visit the IPG here: <https://ipg.vendorreg.com>.

To assist vendors navigate the IPG and complete their State of Illinois registration, webinars are offered two times each week. Attendance in a session is highly encouraged. Each session covers the same material; you may attend as many sessions as you like.

WEBINARS

"Navigating the IL Procurement Gateway for Vendors" webinar - This interactive webinar covers topics including moving around the system, obtaining a User Name and password, completing disclosure questions and certifications, and learning about other required state registrations. The most common application mistakes are discussed.
