

**Central Illinois Builders (“CIB”) partner with Southern Illinois Builders Association (“SIBA”) to offer an online plan room service for central Illinois**

**CIB ONLINE PLAN ROOM**

Central Illinois Builders thanks all designers who have participated in our “Request for Plans” card program for the last 19 years. Now, Central Illinois Builders is prepared to offer its members a new service. It is the CIB Online Plan Room.

Features of the online plan room include: plans and specs online; addenda online; plan holder lists; a pre-bid section; apparent low bids; contract awards; email notifications; free IPIN viewer; and searching capabilities by keyword or CSI codes.

This new service is the result of a partnership between CIB and our sister AGC Chapter, Southern Illinois Builders Association (SIBA). SIBA has had a paper plan room since 1945. Their online plan room was launched in 2005 and has been very successful. It is now being expanded to cover the central Illinois area.

Similar to the “Request for Plans” card program, we hope this new service will be a win-win for both the designers and our members.

You are encouraged to forward project information to:the SIBA office at 1468 Green Mount Road, P.O. Box 1390, O’Fallon, IL 62269. The plans will be scanned in a .tif format and the specs in a .pdf format. If your plans/specs are already in an electronic format, please send them to SIBA in that format by email to [dmr@siba-agc.org](mailto:dmr@siba-agc.org).

Designers that submit project information will receive a complimentary email subscription for the SIBA/CIB Weekly and Nightly Updates. The Weekly Update includes information on all projects being followed. The Nightly Update includes new information for that day.

If you have any questions about the online plan room, or if you would like to view the online service, please contact Donna or Kristin at the SIBA office at (618) 624-9055.

Again, we thank you for your past support of CIB’s “Request for Plans” card program and look forward to your support of our online plan room.

There is no fee for designers to post their projects. There is a fee for our contractor members to subscribe to the service.
