I, Gus Behnke being duly sworn, solemnly swear and affirm that I am Chief Fiscal Officer.

I have authorized the emergency procurement in accordance with standards as established by law and rule in fulfillment of the emergency purchase affidavit provisions of Illinois Procurement Code [30 ILCS 500/20-30] as follows.

- ☑ Involving threat to public health or public safety.
☑ Immediate expenditure is necessary for repairs to State property to protect against further loss of or damage
☑ To prevent or minimize serious disruption in critical State services that affect health, safety, or collection of substantial State revenues.
☐ To insure integrity of State records
☐ Quick purchase as provided by Section 20-30 (d) of the Illinois Procurement Code

The conditions and circumstances requiring this emergency purchase, including reason for selection of the particular contractor are: According to the Department of Agriculture, the west section of the canopy over the Multipurpose Arena at the Illinois State Fairgrounds, Springfield was torn during the high winds over the first weekend of January. A portion of the canopy was torn significantly to remove it from the area. The fabric of the canopy stabilizes the entire system and the loss of a portion of the canopy has caused movement in the structural system. The Department of Agriculture requests assistance to stabilize the existing structure to prevent any further damage to either canopy fabric or structure. Additional information is attached in a Memo and an e-mail.

Amend: The Department of Agriculture requests assistance to repair and replace the canopy fabric so that the Multipurpose Arena can be used. Additional information is attached in a Memo and an e-mail detailing what events would be lost without the use of this arena.
