Project Number: 546-325-057
Type of Procurement: Architect/Engineering Services
Using Agency: Department of Military Affairs

Responsible Chief Procurement Officer: Fred Hahn

Vendor: Hanson Professional Services, Inc.

Address: 1525 South Sixth Street
Springfield, IL 62703

Estimated Cost: \$183,302.00

The conditions and circumstances requiring this expenditure are:

Hanson Professional Services has been under contract for these services since May 13, 2008 and had begun providing preliminary analysis/schematic design (PA/SD) and bridging services for the Department of Military Affairs' design/build project to construct the combined support maintenance shop at Camp Lincoln in Springfield, IL. Their contract was allowed to expire. The CDB is requesting to enter into a sole source contract with Hanson to complete the work.

There is a sensitive element in that on-going design work would have to be delayed, resulting in an increased cost to the State and a possible loss in Federal funds.
