

Public Notice of Request for Performance Contract Proposals

Lincoln Land Community College will accept sealed proposals for qualified providers to propose energy conservation measures through a guaranteed energy savings contract on a performance contracting basis. A copy of the Request for Proposal (RFP) may be obtained by contacting:

Mr. Dwayne Curry, Purchasing Manager

E-mail: dwayne.curry@llcc.edu

Phone: 217-786-2261

RFP responses will be in accordance with the process set forth in 110 ILCS 805/5A "Community College Energy Conservation and Saving Measures".

Proposals will be evaluated under the following criteria:

- Must have at least 10 years of experience in performance contracting.
- Must be accredited by the National Association of Energy Service Companies (NAESCO).
- Must have experience designing and implementing projects in Illinois.
- Must have references resulting from projects designed and implemented in Illinois.
- History of providing similar services to other colleges or universities.
- Experience with Illinois community colleges.
- Depth and experience of the Energy Service Company/staff performing the requested services.
- Good working relationships with clients, based on reference calls.
- Additional available services.
- LEED certified engineers on staff.

Proposals are to be received no later than **1:30 p.m., Thursday, November 15, 2012**. Proposals received after that time will not be considered for award. Proposals must be submitted in a sealed envelope clearly marked "***Request for Proposal #FY2013-4R "Performance Contracting Energy Conservation Services"***" and are to be mailed or delivered to:

Dwayne Curry
