Section 310.45 Comparison of Pay Grades or Salary Ranges Assigned to Classifications

- a) What Classifications to Compare When an Employee Moves – The movement of an employee subject to the Personnel Code to a vacant position (subject to the Personnel Code) is between two positions. The employee moves from the former position to the targeted position. The targeted position may be the former position allocated to a different classification title (80 Ill. Adm. Code 320.80) or may be the former position assigned substantial additional responsibilities in the same broad-band title (Section 310.495(c)). The former and targeted positions have the same or different classification titles. The former position is in the former classification and the targeted title is in the targeted classification. The former and targeted classifications are used in the comparison when an employee moves.
- b) Definitions of Employee Movements –
 - 1) When the Former and Targeted Classification Titles are the Same – When the former and targeted classification titles are the same, the employee movement is an interim assignment (80 Ill. Adm. Code 302.150(j)), a transfer (80 Ill. Adm. Code 302.400), geographical transfer (80 Ill. Adm.

SUBTITLE B

Code 302.430) or where in the broad-band classification title the targeted position has substantial additional responsibilities compared to the former position (Section 310.495(c)).

- 2) When the Former and Targeted Classification Titles are Different – When the former and targeted classification titles are different, the employee movement is an interim assignment (80 Ill. Adm. Code 302.150(j)), a transfer (80 Ill. Adm. Code 302.400), geographical transfer (80 Ill. Adm. Code 302.430), demotion (80 Ill. Adm. Code 302.470), voluntary reduction (80 Ill. Adm. Code 302.500), promotion (Sections 310.50 and 310.500), based on the position being allocated to another class (80 Ill. Adm. Code 301.20 and 301.41) or based on the positions in a class being reclassified (Sections 310.50 and 310.500).
- c) What to Compare in Each Classification – This pertains whether comparing former and targeted classifications, the pay grades or salary ranges assigned to the former and targeted classifications, or the maximum permissible salary or rate assigned to the former and targeted classifications.
 - 1) When the Former and Targeted Classification Titles are the Same – When the former and targeted classification titles are the same, no comparison beyond the titles, which are the same, is needed.
 - 2) When Both Former and Targeted Classifications are Different – When both former and targeted classifications are different, determine whether both classes are whole, divided or one is whole and one is divided. The definitions for whole and divided classes are found in Section 310.50.
 - A) When Both Classes are Whole – When both classes are whole, follow the flow chart provided in Appendix C. Illustration A by beginning with the oval with the word start in it, move through the flow chart by the arrows based on the information known about the two classes and finally reaching the diamond shape indicating what to compare. The definitions of bargaining unit and bargaining representative are found in Section 310.50. In that same Section, the definition of pay plan code assists in identifying whether regular or alternative rates are assigned to the classes as listed in the ALPHABETIC INDEX OF POSITION TITLES. The ALPHABETIC INDEX OF POSITION TITLES provides the highest rates.
 - B) When One Class is Whole and One Class is Divided – When one

SUBTITLE B

class is whole and one class is divided, follow the flow chart provided in Appendix C. Illustration B by beginning with the oval with the word start in it, move through the flow chart by the arrows based on the information known about the two classes and finally reaching the diamond shape indicating what to compare. The definitions of bargaining unit and bargaining representative are found in Section 310.50. In that same Section, the definition of pay plan code assists in identifying whether regular or alternative rates are assigned to the classes as listed in the ALPHABETIC INDEX OF POSITION TITLES. The ALPHABETIC INDEX OF POSITION TITLES provides the highest rates.

- C) When Both Classes are Divided – When both classes are divided, follow the flow chart provided in Appendix C. Illustration C by beginning with the oval with the word start in it, move through the flow chart by the arrows based on the information known about the two classes and finally reaching the diamond shape indicating what to compare. In moving through the flow chart, the classification titles containing an option (found in the definition of option in Section 310.50) do not apply. The definitions of bargaining unit and bargaining representative are found in Section 310.50. In that same Section, the definition of pay plan code assists in identifying whether regular or alternative rates are assigned to the classes as listed in the ALPHABETIC INDEX OF POSITION TITLES. The ALPHABETIC INDEX OF POSITION TITLES provides the highest rates.
- d) The Comparison Determines the Type of Employee Movement and Pay – Comparing the highest of the maximum base salaries set forth in subsection (c) for each classification establishes whether the former classification is higher than, lower than or the same as the targeted classification. This information determines (or assists in determining) which type of employee movement in subsection (b) is occurring. From that determination, the pay treatment is set in following Sections of the Pay Plan.

Section 310.47 In-Hire Rate

- a) Use – No employee in a position in which the position and/or the employee meet the criteria of an in-hire rate receives less than the in-hire rate. The in-hire rate is used when a candidate only meets the minimum requirements of the class

SUBTITLE B

specification upon entry to State service (Section 310.100(b)(1), 310.490(b)(1) or 310.495(b)(1)), when an employee moves to a vacant position (Section 310.45) or when an MS salary range is assigned to a Trainee Program (Section 310.415(b)).

- b) Request – An agency head may request in writing that the Director of Central Management Services approve or negotiate an in-hire rate. The in-hire rate is a Step or dollar amount depending on whether the classification title is assigned to a negotiated full scale rate, negotiated pay grade, merit compensation salary range or broad-band salary range. The in-hire rate may be for the classification title or limited within the classification title to the agency, facilities, counties or other criteria. The supporting justifications for the requested in-hire rate and the limitations are included in the agency request. An effective date may be included in the request.
- c) Review – The Director of Central Management Services shall review the supporting justifications, the turnover rate, length of vacancies, and the currently filled positions for the classification title, and the market starting rates for similar classes, and consult with other agencies using the classification title. Other factors may be included in the review and negotiation of negotiated in-hire rates.
- d) Approval or Negotiated –
 - 1) Approval – The Director of Central Management Services indicates in writing the approved in-hire rate and effective date, which is either the date requested by the agency or the beginning of the next pay period after the approval.
 - 2) Negotiated – The Director of Central Management Services and the bargaining unit representative indicate in writing the in-hire rates and effective date, which is either the date indicated in the agreement, the date of the agreement's signature or the beginning of the next pay period after the signatures are secured on the agreement.
- e) Implementation – In the classification title or within the limitations of the classification title and when the in-hire rate is above the normal minimum of the assigned salary range or pay grade, an employee paid below the in-hire rate receives the in-hire rate on the approved effective date. The in-hire rate remains in effect for any employee entering the title or the limits within the title until the title is abolished or an agency request to rescind the in-hire rate is approved by the Director of Central Management Services or negotiated by the Director of Central Management Services and the bargaining unit representative.

Section 310.60 Conversion of Base Salary to Pay Period Units

For purposes of converting a base salary to an amount applicable for one pay period, the following methods of computation shall apply:

- a) An annual base salary shall be divided by the number of pay periods in one assigned year.
- b) A monthly base salary shall be divided by two on a semi-monthly payment schedule or shall be multiplied by twelve and the result divided by the number of pay periods in a work year on a payment schedule other than semi-monthly.

SUBTITLE B

- c) A weekly base salary shall be multiplied by 52 and the result divided by the number of pay periods in a work year.
- d) A daily base salary shall be multiplied by the number of days actually worked in a pay period.
- e) An hourly base salary shall be multiplied by the number of hours actually worked in a pay period.

Section 310.70 Conversion of Base Salary to Daily or Hourly Equivalents

For purposes of determining the hourly or daily equivalent of a base salary, the following methods of computation shall apply:

- a) Payment for Vacation, Sick Leave* and Unused Compensatory Overtime Credits - A daily (hourly) equivalent shall be determined by converting the base salary to an annual salary and dividing the result by the number of days (hours) usually worked in a year, according to the agency's normal work schedule as filed with the Department of Central Management Services.

* Sick leave earned prior to January 1, 1984 and after December 31, 1997 is not compensable. Sick leave earned and not used between January 1, 1984 and December 31, 1997 will be compensable at the current base daily rate times one-half of the total number of sick days earned and retained during that time period.

- b) Deductions from a Specific Pay Period -- Employees working full time or a regular part of a full time schedule and who work less than the total number of days/hours in a specific pay period due to furlough days/hours or other noncompensated days/hours, as per Section 302.510 of the Personnel Rules (see 80 Ill. Adm. Code 302.510), shall have the value of the days/hours derived by dividing the annualized rate of pay by the total number of days/hours in a work year as filed by the agency with the Department of Central Management Services. The value of the deducted days/hours would be subtracted from the semimonthly rate.
- c) Payment for Fractional Part of a Specific Pay Period – In those instances in which an employee is to be compensated at a rate that represents a number of work days (hours) that is less than the actual number of work days (hours) in the pay period, other than when authorized for deduction in accordance with subsection (b), the formula to be used is: monthly rate divided by two equal pay period rate; pay period rate divided by days (hours) scheduled equals daily (hourly) rate; daily (hourly) rate multiplied by days (hours) worked equals gross amount earned.

SUBTITLE B

- d) Part-Time Work -- Part-time employees, whose base salary is other than an hourly or daily basis, shall be paid on a daily rate basis which will be computed from annual rates of salary and the total number of work days in the year.

Section 310.80 Increases in Pay

Except as otherwise provided for in this Section, for employees occupying positions in classes that are paid in conformance with the Schedule of Negotiated Rates (Appendix A) and without a negotiated provision in the currently effective bargaining unit agreement, increases shall be granted as follows and will become effective the first day of the pay period following the date of approval:

- a) Satisfactory Performance Increase –
 - 1) Each employee who has not attained Step 8 of the relevant pay grade, and whose level of performance has been at a satisfactory level of competence, shall be successively advanced in pay to the next higher step in the pay grade after one year of creditable service in the same class.
 - 2) A satisfactory performance increase shall become effective on the first day of the month within which the required period of creditable service is reached.
 - 3) No satisfactory performance increase may be given after the effective date of separation.
- b) Withholding Satisfactory Performance Increase – As an inducement toward attainment of satisfactory level of competence, satisfactory performance increases may be withheld from the employee who has not achieved a satisfactory level of performance. Such action must be supported by:
 - 1) A performance record showing less than satisfactory performance. This must be prepared by the appropriate supervisor, discussed with the employee and approved by the agency head prior to the date the increase would otherwise become effective. The performance record will not be invalidated by refusal of an employee to sign. In such cases, an explanatory comment shall be made on the record by the supervisor. This record will be preserved by the agency.
 - 2) Notice of withholding of satisfactory performance increases to the Department of Central Management Services – It shall be reported upon

SUBTITLE B

completion of action required by subsection (b)(1), but not later than the submission of the payroll reflecting the denial of the increase.

- c) Redetermination – A satisfactory performance increase previously withheld shall be granted when the cause for withholding has been eliminated. Redetermination must be made at least annually. In such cases the increases will be effective the first day of the month following date of approval and will be preceded by the preparation and filing of a Performance Record within the agency indicating the attainment of satisfactory level of competence.
- d) Other Pay Increases –
 - 1) Promotion –
 - A) Standard Procedures –
 - i) From Other Than Step 8 – Normally, upon promotion, an employee shall be advanced to the lowest step in the targeted pay grade that represents at least a full step increase in the former pay grade. The promotion shall not change the creditable service date if the increase is less than one step for the bargaining unit employees.
 - ii) From Step 8 – The employee shall be paid at the lowest step rate in the targeted pay grade that results in an increase equal to at least the dollar difference between Step 7 and Step 8 in the former pay grade. To compute this, add the dollar difference between Step 7 and Step 8 in the former pay grade to the employee's current rate at Step 8 (then include longevity if the employee is receiving an increased rate based on longevity). Then place the employee on the lowest step in the targeted pay grade that is at least equivalent to that amount. Otherwise, when an employee is promoted from Step 8, the employee shall be paid at the lowest step rate in the targeted pay grade that results in an increase equal to at least 3%. To compute this, add 3% to the employee's current rate at Step 8 (then include longevity if the employee is receiving an increased rate based on longevity). Then place the employee on the lowest step in the targeted pay grade that is at least equivalent to that amount. The promotion shall not change

SUBTITLE B

the creditable service date if the increase is less than one step for the bargaining unit employees.

- B) Exception – Any deviation is a special salary adjustment (see subsection (e)).
- 2) Reallocation –
- A) Standard Procedures –
 - i) From Other Than Step 8 – Normally, upon reallocation, an employee shall be advanced to the lowest step in the targeted pay grade that represents at least a full step increase in the former pay grade.
 - ii) From Step 8 – When an employee is reallocated from Step 8, the employee shall be paid at the lowest step rate in the targeted pay grade that results in an increase equal to at least 3%. To compute this, add 3% to the employee's current rate at Step 8 (then include longevity if the employee is receiving an increased rate based on longevity). Then place the employee on the lowest step in the targeted pay grade that is at least equivalent to that amount. The reallocation shall not change the creditable service date for non-bargaining-unit employees or if the increase is less than one step for the bargaining unit employees.
 - B) Exception – Any deviation is a special salary adjustment (see subsection (e)).
- 3) Reevaluation – If a higher pay grade is assigned to a class, the employee occupying the position in the class shall be advanced to the lowest step in the new grade that represents an increase in pay. If an employee becomes eligible for a satisfactory performance increase as a result of the reevaluation, a one-step increase will be granted immediately. The reevaluation shall not change the creditable service date if the increase is less than one step for the bargaining unit employees.
- 4) Separation and Subsequent Appointment – Upon separation from a position of a given class and appointment within four calendar days to a position in a higher pay grade, an increase shall be given under the

SUBTITLE B

conditions and requirements applicable to promotions (see subsection (d)(1)).

- 5) **Reclassification** – If the class to which the position is being moved has a higher pay grade, the employee's base salary is advanced to the salary in the new pay grade that represents the least increase in pay. If this new salary is less than the difference between Step 7 and Step 8 in the new pay grade and the employee has been paid the base salary in Step 8 of the previous pay grade for longer than one year, the new salary is advanced one step from the salary in the new pay grade representing the least increase. The reclassification shall not change the creditable service date if the increase is less than one step for the bargaining unit employees.
- e) **Adjustment** – An employee may receive an upward adjustment in the employee's base salary for the purpose of correcting a previous error, oversight or when the best interest of the agency and the State of Illinois will be served. Adjustments shall have the prior approval of the Director of Central Management Services. An adjustment at the time of entrance into State government shall have supporting documentation in the candidate's CMS employment application (CMS-100). In determining the appropriateness of a request for a salary adjustment by an employing agency, the Director of Central Management Services shall consider whether the need for the adjustment is substantial, whether the action is consistent with the treatment of other similar situations, and whether the action is equitable in view of the particular circumstances prompting the request. The Director of Central Management Services' approval of an adjustment at the time of entrance into State government shall be based on the candidate's documented directly-related education and experience exceeding the minimum requirements in the class specification, prior base salary history, staffing needs and requirements of the employing agency, and labor market influences on the recruitment for the position classification or position. The adjustment shall not change the creditable service date if the increase is less than one step for the bargaining unit employees.

Section 310.90 Decreases in Pay

Employees other than those whose base salaries are determined by the Schedule of Rates (Subpart B) shall have their salaries reduced only as specified below and shall become effective the first day of the pay period following date of approval:

- a) **Demotion for Cause to a Lower Class** – Upon demotion, the employee's base salary will be reduced to Step 8 of the pay grade for the lower class if the current

SUBTITLE B

base salary is in excess thereof, or to the step in the lower pay grade which provides the salary nearest in amount, but less than, the current base salary, except that an employee demoted during a probationary period following promotion will have the employee's salary reduced to the step in the lower pay grade which represents the salary had the employee not been promoted, and the employee's previous creditable service date will be restored.

- b) Position Reallocated to a Lower Class – The employee's base salary will be reduced to Step 8 of the lower pay grade, if in excess thereof, or to the step in the lower pay grade nearest in amount to, but in no case more than, the current base salary. However, as provided in Section 8(a) of the Personnel Code, the pay for an employee whose position is reallocated because of loss of duties and responsibilities after the employee's appointment to such position shall not be required to be lowered to an exact step for a period of one year. Where the base salary is identical to an exact step in the lower range, the employee shall be placed on this step with no further reduction required. An employee's creditable service date will not be affected.
- c) Voluntary Reduction to a Lower Class – Upon the voluntary reduction of an employee to a vacant position in a class having a lower pay grade than the class from which the reduction was made, the employee's base salary will be reduced to Step 8 of the lower pay grade if in excess thereof, or to the step in the lower pay grade which provides the base salary nearest in amount, but less than, the current base salary, except that an employee who voluntarily requests a reduction to a lower class during a probationary period following promotion will have the employee's salary reduced to the step in the pay grade that represents the salary had the employee not been promoted, and the employee's previous creditable service date will be restored.
- d) Assignment of a Lower Pay Grade to a Class – Upon assignment, an employee's base salary will be that step in the new pay grade nearest to, but not greater in amount than, the step being vacated in the former pay grade. The reevaluation shall not change the creditable service date.
- e) Adjustment – An employee may receive a downward adjustment in the employee's base salary for the purpose of correcting a previous error or oversight or when the best interest of the agency and the State of Illinois will be served. Adjustments must have the prior approval of the Director of Central Management Services in writing. In determining the appropriateness of a request for a salary adjustment by an employing agency, the Director of Central Management Services will consider whether the need for the adjustment is substantial, whether the action is consistent with the treatment of other similar situations, and whether

SUBTITLE B

the action is equitable in view of the particular circumstances prompting the request. The adjustment shall not change the creditable service date.

- f) **Reclassification** – If the class to which the position is being moved has a lower pay grade, the employee's base salary will be the salary in the new pay grade nearest to, but not greater than, the employee's former salary. As provided in Section 8(a) of the Personnel Code, the pay for an employee whose position is reclassified shall not be lowered for a period of one year. If the base salary is identical to an exact step in the lower range, the employee shall be placed on this step with no further reduction required. An employee's creditable service date will not be affected.

Section 310.100 Other Pay Provisions

- a) **Transfer** – Upon the assignment of an employee to a vacant position in a class with the same pay grade as the class for the position being vacated, the employee's base salary will not be changed. Upon separation from a position in a given class and subsequent appointment to a position in the same pay grade, no increase in salary will be given.
- b) **Entrance Base Salary** –
- 1) **Qualifications Only Meet Minimum Requirements** – When a candidate only meets the minimum requirements of the class specification upon entry to State service, an employee's entrance base salary is the in-hire rate or the minimum base salary of the pay grade.
 - 2) **Qualifications Above Minimum Requirements** – If a candidate possesses directly-related education and experience in excess of the minimum requirements of the class specification, the employing agency may offer the candidate an entrance base salary that is not more than 5% above the candidate's current base salary. Any deviation from the 5% maximum is a special salary adjustment (see Section 310.80(e)).
 - 3) **Area Differential** – For positions where additional compensation is required because of dissimilar economic or other conditions in the geographical area in which the positions are established, a higher entrance step may be authorized by the Director of Central Management Services. Present employees receiving less than the new rate shall be advanced to the new rate.

SUBTITLE B

- c) Geographical Transfer – Upon geographical transfer from or to an area for which additional compensation has been authorized, an employee will receive an adjustment to the appropriate salary level for the new geographical area of assignment effective the first day of the month following date of approval.
- d) Differential and Overtime Pay – An eligible employee may have an amount added to the employee's base salary for a given pay period for work performed in excess of the normal requirements for the position and work schedule, as follows:
 - 1) Shift Differential Pay –
 - A) When Contract Contains No Provision – The contracts without a shift differential pay provision are for the RC-056, RC-090, RC-184 and VR-706 bargaining units. An employee may be paid an amount in addition to the employee's base salary for work performed on a regularly scheduled second or third shift. The additional compensation will be at a rate and in a manner approved by the Department of Central Management Services. The Director of Central Management Services will approve the manner and rate of this provision after considering the need of the employing agency, the treatment of other similar situations, prevailing practices of other employers, and the equity of the particular circumstances.
 - B) When Contract Contains a Provision – The shift differential pay provision in a contract is located in the Note in the Appendix A Table that exists for the specific bargaining unit. The Appendix A Tables with a shift differential pay provision are D (HR-001), E (RC-020), F (RC-019), G (RC-045), H (RC-006), I (RC-009), J (RC-014), K (RC-023), M (RC-110), N (RC-010), O (RC-028), P (RC-029), Q (RC-033), R (RC-042), S (VR-704), V (CU-500), W (RC-062), X (RC-063), Y (RC-063), Z (RC-063) and AA (NR-916).
 - 2) Overtime Pay –
 - A) Eligibility – The Director of Central Management Services will maintain a list of titles and their overtime eligibility as determined by labor contracts, Federal Fair Labor Standards Act, or State law or regulations. Overtime shall be paid in accordance with the labor

SUBTITLE B

contracts, Federal Fair Labor Standards Act, and State law or regulations.

B) Compensatory Time –

- i) When Contract Contains No Provision – Employees who are eligible for compensatory time may request such time, which may be granted by the agency at its discretion, considering, among other things, its operating needs. Compensatory time shall be taken within the fiscal year it was earned at a time convenient to the employee and consistent with the operating needs of the agency. Compensatory time shall be accrued at the rate in which it is earned (straight time or time and a half), but shall not exceed 120 hours in any fiscal year. Compensatory time approved for non-union employees will be earned after 40 actual work hours in a workweek. Compensatory time not used by the end of the fiscal year in which it was earned shall be liquidated and paid in cash at the rate it was earned. Time spent in travel outside the normal work schedule shall not be accrued as compensatory time except as provided by labor contracts and the Federal Fair Labor Standards Act. At no time are overtime hours or compensatory time to be transferred from one agency to another agency.
- ii) When Represented by AFSCME (excludes CU-500) – If evidence demonstrates that circumstances prevented an employee from receiving a rest period or resulted in a rest period being interrupted, and no alternative time is authorized, the employee shall be entitled to compensatory time. For employees represented by RC-006, RC-009, RC-014, RC-028 and RC-042 bargaining units, accrued compensatory time not used by the end of the fiscal year in which it was earned shall be liquidated and paid in cash at the rate it was earned. Notwithstanding the above, employees who schedule compensatory time off by June 1st of the fiscal year shall be allowed to use such time through August 1st of the following fiscal year. Employees who earn compensatory time after June 1st shall be allowed to use such compensatory time through August 15th of the subsequent fiscal year.

SUBTITLE B

- 3) Incentive Pay – An employee may be paid an amount in addition to the employee's base salary for work performed in excess of the normal work standard as determined by agency management. The additional compensation shall be at a wage rate and in a manner approved by the Director of Central Management Services. The Director of Central Management Services will approve the manner and rate of this provision after considering the need of the employing agency, the treatment of other similar situations, prevailing practices of other employers, and the equity of the particular circumstances.
- 4) Temporary Assignment Pay –
 - A) When Assigned to a Higher-Level Position Classification –
 - i) When Contract Contains No Provision – A bargaining unit employee may be temporarily assigned to a bargaining unit position in a position classification having a higher pay grade and shall be eligible for temporary assignment pay. To be eligible for temporary assignment pay, the employee must be directed to perform the duties that distinguish the higher-level position classification and be held accountable for the responsibility of the higher classification. Employees shall not receive temporary assignment pay for paid days off except if the employee is given the assignment for 30 continuous days or more, the days off fall within the period of time and the employee works 75% of the time of the temporary assignment. Temporary assignment pay shall be calculated as if the employee received a promotion (see Section 310.80(d)(1)) into the higher pay grade. In no event is the temporary assignment pay to be lower than the minimum rate of the higher pay grade or greater than the maximum rate of the higher pay grade.
 - ii) When Represented by AFSCME (excludes CU-500) – If the employee who has been temporarily assigned is selected for the posted vacancy, the employee shall have the employee's creditable service date adjusted to reflect the first date on which the employee was temporarily assigned without interruption. The uninterrupted time in a temporary assignment shall be credited in determining

SUBTITLE B

semi-automatic promotions, if the employee successfully performed the duty or duties which distinguish the position to which the employee has been temporarily assigned.

When an employee in a position allocated to the Public Service Administrator title represented by an AFSCME (excludes CU-500) bargaining unit is temporarily assigned to a non-bargaining unit position, the time frames shall not exceed nine months, unless mutually agreed otherwise. For other titles, the time limits for temporarily filling a position classification are in terms of work days or calendar months. The time limit herein may be extended by mutual agreement of the parties. The time limits are: While the Employer posts and fills a job vacancy for a period of 60 days from the date of posting; While an absent regular incumbent is utilizing sick leave, or accumulated time (vacation, holidays, personal days); Up to 30 work days in a six calendar month period while a regular incumbent is on disciplinary suspension or layoff; While a regular incumbent is attending required training classes; Up to six months while a regular incumbent is on any illness or injury, Union or jury leave of absence. Extension shall not be unreasonably denied; and Up to 60 work days in a 12 month period for other leaves, or where there is temporary change in work load, or other reasonable work related circumstances. Extension shall not be unreasonably denied.

- B) When Required to Use Second Language Ability – Employees who are bilingual or have the ability to use sign language, Braille, or another second language (e.g., Spanish) and whose job descriptions do not require that they do so shall be paid temporary assignment pay when required to perform duties requiring the ability. The temporary assignment pay received is prorated based on 5% or \$100 per month, whichever is greater, in addition to the employee's base rate.
- C) When Required to Apply Chemical Manually and Represented By Teamsters RC-019 – Employees represented by RC-019 and appointed to the Highway Maintainer title who are required to perform duties of manual chemical application which require proper certification in chemical spraying shall receive \$1.00 an hour over their base pay during the time they are applying the chemical.

SUBTITLE B

- 5) Travel for Required Training –
- A) When Represented by American Federation of State, County and Municipal Employees (AFSCME) (excludes CU-500) – When an employee is in a position represented by an AFSCME (excludes CU-500) bargaining unit, overtime shall be paid to the employee required to travel for training, orientation, or professional development when travel is in excess of the employee's normal commute and outside the employee's normal work hours. Where current practice exists, the employee who is paid overtime for travel during the employee's normal commute time outside normal work time, the practice shall continue.
 - B) When represented by Illinois Federation of Public Employees (IFPE) RC-029 – When an employee is in a position represented by IFPE RC-029 and in the Department of Agriculture, time spent traveling from an employee's residence to and/or from a work site in Cook, Will, Lake, DuPage, McHenry and Kane Counties is not considered work time except when an employee is required to travel in excess of 20 miles one way or 25 minutes as measured from the employee's official headquarters in which case the miles in excess of 20 miles or minutes in excess of 25 minutes will be considered work time. The workday shall commence at the time of the pre-trip inspection for employees assigned to drive vehicles that require a commercial driver's license.
- e) Out-of-State Assignment – Employees who are assigned to work out-of-state on a temporary basis may receive an appropriate differential during the period of the assignment, as approved by the Director of Central Management Services. The Director of Central Management Services will approve the manner and rate of this provision after considering the need of the employing agency, the treatment of other similar situations, prevailing practices of other employers, and the equity of the particular circumstances.
- f) Equivalent Earned Time – Employees shall retain their equivalent earned time upon their positions' representation by an American Federation of State, County and Municipal Employees bargaining unit. The use of the equivalent earned time is approved by supervisors, prior to other benefit time excluding sick and personal business leave, in increments of 15 minutes after the initial use of one-half hour, and granted under the same criteria as vacation time. Employees may substitute equivalent earned time for sick leave in accordance to sick leave policies and

SUBTITLE B

procedures.

- g) Part-Time Work – Part-time employees whose base salary is other than an hourly or daily basis shall be paid on a daily basis computed by dividing the annual rate of salary by the total number of work days in the year.
- h) Lump Sum Payment – Lump sum payment shall be provided for accrued vacation, sick leave and unused compensatory overtime at the current base rate to those employees separated from employment under the Personnel Code. Leaves of absence and temporary layoff (per 80 Ill. Adm. Code 302.510) are not separations and therefore lump sum cannot be given in these transactions. Method of computation is explained in Section 310.70(a).

AGENCY NOTE – The method to be used in computing the lump sum payment for accrued vacation, sick leave and unused compensatory overtime payment for an incumbent entitled to shift differential during the employee's regular work hours will be to use the employee's current base salary plus the shift differential pay. Sick leave earned prior to January 1, 1984 and after December 31, 1997 is not compensable. Sick leave earned and not used between January 1, 1984 and December 31, 1997 will be compensable at the current base daily rate times one-half of the total number of compensable sick days.

- i) Salary Treatment Upon Return From Leave –
 - 1) An employee returning from Military Leave (80 Ill. Adm. Code 302.220 and 303.170), Peace Corps Leave (80 Ill. Adm. Code 302.230), Service-Connected Disability Leave (80 Ill. Adm. Code 303.135), Educational Leave (80 Ill. Adm. Code 302.215), Disaster Service Leave with Pay (80 Ill. Adm. Code 303.175), Family Responsibility Leave (80 Ill. Adm. Code 303.148), Leave to accept a temporary, emergency, provisional, exempt (80 Ill. Adm. Code 303.155) or trainee position, Leave to serve in domestic peace or job corps (80 Ill. Adm. Code 302.230) or leave to serve in an interim assignment will be placed on the step that reflects satisfactory performance increases to which the employee would have been entitled during the employee's period of leave. Creditable service date will be maintained.
 - 2) An employee returning to the employee's former pay grade from any other leave (not mentioned in subsection (j)(1)) of over 14 days will be placed at the step on which the employee was situated prior to the employee's leave, and the employee's creditable service date will be extended by the duration of the leave.

SUBTITLE B

- j) Salary Treatment Upon Reemployment –
- 1) Upon the reemployment of an employee in a class with the same pay grade as the class for the position held before layoff, the employee will be placed at the same salary step as held at the time of the layoff, and the employee's creditable service date will be adjusted to reflect that time on layoff does not count as creditable service time.
 - 2) Upon the reemployment of an employee in a class at a lower salary range than the range of the class for the position held before layoff, the employee will be placed at the step in the lower pay grade that provides the base salary nearest in amount to, but less than, the current value of the step held at the time of layoff, and the employee's creditable service date will be adjusted to reflect that time on layoff does not count as creditable service time.
- k) Reinstatement – The salary upon reinstatement should not provide more than a 5% increase over the candidate's current base salary or exceed the current value of the salary step held in the position where previously certified without prior approval by the Director of Central Management Services. In no event is the resulting salary to be lower than the minimum rate or higher than the maximum rate of the pay grade. Any deviation from the 5% maximum, except when the resulting salary is the minimum rate of the pay grade, is a special salary adjustment (see Section 310.80(e)).
- l) Longevity Pay or Longevity Step and Bonus –
- 1) When Contract Contains No Provision – The contracts without a longevity pay provision are for the HR-001, RC-019, RC-020, RC-090 and RC-184 bargaining units. The Step 8 rate shall be increased by \$25 per month for those employees who have attained 10 years of service and have three years of creditable service on Step 8 in the same pay grade. The Step 8 rate shall be increased by \$50 per month for those employees who have attained 15 years of service and have three years of creditable service on Step 8 in the same pay grade.
 - 2) When Contract Contains a Provision – The longevity pay or longevity step and bonus provision in a contract is located in the Note in the Appendix A Table that exists for the specific bargaining unit. The Appendix A Tables with a longevity pay provision are A (RC-104), B (VR-706), C (RC-056), G (RC-045), H (RC-006), I (RC-009), J (RC-014),

SUBTITLE B

Management Services or as established under the Prevailing Wage Act [820 ILCS 130]. Copies of signed Agreements between contractors or other employers and the respective Union shall be certified to the Illinois Department of Central Management Services for each fiscal year of the State by the following process: The Designated Representative of the respective Union shall certify to the Illinois Department of Central Management Services or its designee copies of signed Agreements between contractors or other employers and the respective Union. These certified agreements and accompanying CMS Form shall be considered adequate proof of the prevailing rate of wages to be paid, minus the per hour costs of fringe benefits so designated by Agreement, if any, in keeping with past practice. The Illinois Department of Central Management Services will adjust the wages, retroactive to the contract date; and Certifications from the Union will include a copy of the signed Agreements and the negotiated CMS Prevailing Wage Certification Form. The effective dates of wage changes will be the effective dates reflected in the certified agreements.

- d) Pension Formula Adjustment – Effective January 1, 2006, employees shall be paid an additional 4.00% above the prevailing rate of wages for employees on the standard pension formula and 5.5% above the prevailing rate of wages for employees on the alternative pension formula, minus the per hour costs of fringe benefits. Employees newly hired into a prevailing rate class on or after December 1, 2013 shall be paid the appropriate prevailing rate and shall not be eligible for this pension formula adjustment unless otherwise agreed to by the union representative and the Director of Central Management Services.
- e) Maximum Security Rates – Positions in maximum security institutions shall receive a \$50 a month adjustment to the employee's monthly wages for all employees with seven or more years of continuous service with the Department of Corrections. Employees shall receive the adjustment as long as they remain employees at a maximum security facility.
- f) Merit Incentive (including Time-Off Awards) and Gain Sharing Programs – The parties agree to develop and implement a merit incentive program to reward and incentivize high-performing employees, or a group's/unit's performance. As a part of such efforts, the Employer may create an annual bonus fund for payout to those individuals deemed high performers or for a group's/unit's level of performance for the specific group/unit. Payment from this bonus fund will be based on the satisfaction of performance standards to be developed by the Employer in consultation with the Union. Such compensation either for a group/unit or an individual shall be considered a onetime bonus and will be offered only as a non-pensionable incentive, and that any employee who accepts merit pay compensation does so voluntarily and with the knowledge and on the

SUBTITLE B

express condition that the merit pay compensation will not be included in any pension calculations and will not affect any future calculations regarding the prevailing wage rate. As a part of such efforts, the Employer may reward individual high-performing employees with time-off awards. High-performing employees may earn up to five (5) days of additional time-off in a calendar year, above and beyond the employee's accrued vacation time. Issuance of a time-off award will be based on the satisfaction of performance standards to be developed by the Employer in consultation with the Union. Scheduling the time-off requires supervisory approval, and only a non-bargaining-unit supervisor can reward an employee with a time-off award. Time off awards can be issued by any non-bargaining-unit supervisor in the employee's evaluation chain. Time-off awards, when taken by the employee, will not count against the employee's leave bank. Unused time-off awards shall not convert to a cash-pay out, nor will the hourly value of the time-off awards be used in any calculation for future wages under the provisions of the Prevailing Wage Act. Additionally, as a part of overall efforts to improve efficiency of state operations and align the incentives of the Employer with its employees, the Employer may develop gain sharing programs. Under such programs, employees or departments may propose initiatives that would achieve substantial savings for the State. Upon realization of such savings, the Employer may elect to return a portion of this savings to the employees who participated in the identified initiative. Such compensation either for a group/unit or an individual shall be considered a one-time bonus and will be offered only as a non-pensionable incentive, and that any employee who accepts merit pay compensation does so voluntarily and with the knowledge and on the express condition that the merit pay compensation will not be included in any pension calculations. The Employer will develop specific policies for both of these programs and will give the Union an opportunity to review and comment on such policies prior to their implementation. The Employer's intent is to develop policies that will reward employees or units of employees based on specific achievements and to prevent rewards that are influenced by favoritism, politics, or other purely subjective criteria. Compliance with the policies for both of these programs shall be subject to the grievance and arbitration procedure. The exercise of such rights by management may not conflict with the provisions of this agreement, except that it is understood that awards payable pursuant to such programs shall be performance-based only. Moreover, an employee's failure or refusal to participate in this program may not be grounds for any form of discipline. The Parties understand that the Merit Incentive Program will be effective after the Department of Central Management Services and the Unions mutually agree to its process and procedures.

- g) FY2016 Merit Pay – The Employer and Union have agreed to the terms of a Collective Bargaining Agreement. The Agreement states that public employees

SUBTITLE B

represented by the Union will earn merit pay. For the Fiscal Year 2016, all bargaining unit employees who are in active employment status on June 30, 2016 and who have missed fewer than five (5) percent of their assigned work days between the effective date of this Agreement and June 30, 2016 and have committed no work policy violations during that period shall receive equal shares of the performance bonus. The performance bonus shall be paid based on 2% of the annual (fiscal year) base salary payroll costs for the bargaining unit. The effective date of this Agreement is April 1, 2016 through June 30, 2016.

Section 310.220 Negotiated Rate

- a) Rates by Geographic Area, Agency or Agency Area – The rate of pay for a class in any specific area or agency, or in a specific area for an agency, is established and approved by the Director of Central Management Services after having conducted negotiations for this purpose, or as certified as being correct and reported to the Director of Central Management Services by the Director of the Illinois Department of Labor for designated classifications.
- b) Rates for Positions Excluded from Bargaining Unit Representation – An employee occupying a position in a class normally subject to contract, but whose position is excluded from the bargaining unit, shall be assigned to the Merit Compensation System (Subpart C) and receive the rates, within the Merit Compensation System Salary Schedule (Appendix D) based on the salary range assigned to the classification title in Section 310.410 or within the Broad-Band Pay Range Classes Salary Schedule (Appendix G) based on the salary range assigned to the classification title.
- c) Rates for Higher Duties – As provided in certain collective bargaining agreements, an employee may be paid at an appropriate higher rate when assigned to perform the duties of a higher level position. Eligibility for and the amount of this pay will be as provided in the contract.
- d) Promotion from Step 8 – The employee shall be paid as provided in Section 310.80(d)(1)(A)(ii).
- e) To Locate Rates – The negotiated rates of pay for classifications in specified operating agencies, in specified agency facilities or with specified duties shall be as indicated in Appendix A, unless the rates are red-circled.

SUBTITLE B

- f) Red-Circled Rates – Red-circled rates are the negotiated or arbitrator assigned base salaries not otherwise on a step in the pay grade assigned to a classification or in the Pay Plan. The base salaries may be above the pay grade's maximum base salary or between two base salaries on consecutive steps. An employee who takes a position in a Trainee Program (80 Ill. Adm. Code 302.170) classification that represents a reduction when comparing classifications (Section 310.45) shall receive the higher amount of either the in-hire rate or the base salary red-circled at the amount of the former classification. Upon completion of a trainee period, the employee who is promoted to a targeted title shall receive the rate on a step that results in a minimum of one dollar increase based on the difference between the two steps, which the red-circled rate is between, added to the red-circled rate. If through negotiation of a classification assignment to a pay grade where the base salary exceeds Step 8, the base salary shall be red-circled at its current rate and may receive contractual adjustments.

- b) Hourly Rate Conversion – Conversion of the applicable monthly salary to an annual amount and dividing the result by the number of working hours in a year according to the normal work schedule of that class for the agency.

Section 310.280 Designated Rate

- a) Requirements – The rate of pay for a specific position or class of positions excluded from the other requirements of this Pay Plan shall be only as designated by the Governor. A designated rate is the fixed rate of pay assigned usually to one position within a position classification. The fixed rate is above the maximum of the salary range assigned to the position classification. The fixed rate is the value the employing agency determines for the uniquely combined position and employee or the candidate recruited to be the employee. A designated rate may be assigned to a position classification and, therefore, all positions within the position classification. The establishment of or change to a designated rate requires a request from the head of the employing agency to the Director of Central Management Services.

SUBTITLE B

- b) Request from the Head of the Employing Agency – The request from the employing agency head shall explain the unique nature of the employee's education and experience combined with the position's scope, responsibility, and reporting that warrant the requested designated rate, how the requested designated rate was determined, and the requested effective date. The employing agency shall attach to the request the current position description (CMS-104) and the candidate's or employee's current State employment or promotional employment application (CMS-100 or CMS-100B).
- c) Review and Approval – The Director of Central Management Services shall review the requested designated rate by comparing the value given to other positions and employees in the employing agency, the State, and other states when available. Following the review, the Director of Central Management Services shall seek the Governor's approval for the designated rate and its effective date.
- d) Employee Payment – When the rate is approved, this Section shall be amended to include the approved designated rate. Once amended, the employing agency shall pay the employee the designated rate retroactively to the effective date approved by the Governor.

SUBTITLE B

- b) All provisions of Subpart A of this Part shall apply to incumbents of the Educator positions, with the following exceptions:
- 1) For HR-010 only, Section 310.100 (b) and (l) shall not apply.
 - 2) For both RC-063 and HR-010: Section 310.100 (c) (3) and (4), (d) and (f) shall not apply.
- c) Upon furnishing evidence of the satisfactory completion of required course work, the employee shall be advanced in pay to the same numbered step in the appropriate salary lane. Section 310.415 Merit Compensation Salary Range Assignments

- a) Emergency, Temporary or Provisional Positions – When a position is allocated to a title only assigned to a bargaining unit pay grade and the agency is to appoint an employee to the position on an Emergency (80 Ill. Adm. Code 302.150(b)), Temporary (80 Ill. Adm. Code 302.150(c)) or Provisional (80 Ill. Adm. Code 302.150(d)) basis, a merit compensation salary range to be used for the position shall be assigned to the title as approved by the Director of Central Management Services. The approval of the merit compensation salary range assignment shall be after comparing the highest maximum base salary within the bargaining unit pay grade assigned the title with the maximum base salary in the merit compensation salary range that is not more than the highest maximum base salary within the bargaining unit pay grade and after considering the merit compensation salary ranges assigned to other titles in the same classification series and the merit compensation salary ranges assigned to other titles assigned the same bargaining unit pay grade. The titles and their merit compensation salary range assignments from the previous and anticipated fiscal years shall be listed in the Section

SUBTITLE B

310.410 proposed amendments to the Pay Plan for adoption at the beginning of each fiscal year.

- b) Trainee Program Titles – When a classification is established as a Trainee Program (80 Ill. Adm. Code 302.170), the merit compensation salary range assigned to the Trainee Program title shall be approved by the Director of Central Management Services. The approval shall be based on the recommendation of the agency head where the Trainee Program is established, comparison of the salary ranges assigned to other Trainee Program titles, and the maximum base salary in the recommended merit compensation salary range normally being less than the in-hire rate or the minimum base salary of the targeted classification title for which training is being conducted.
- c) Positions excluded from bargaining unit representation by the Illinois Labor Relations Board – When a position is allocated to a title only assigned to a bargaining unit pay grade and the agency or the position is excluded from bargaining unit representation by the Illinois Labor Relations Board, a merit compensation salary range to be used for the position shall be assigned to the title as approved by the Director of Central Management Services. The approval of the merit compensation salary range assignment shall be made using the provisions in subsection (a) if the title is not a Trainee Program title or subsection (b) if the title is a Trainee Program title.

Section 310.450 Procedures for Determining Annual Merit Increases and Bonuses

- a) Definitions –
 - 1) Annual Merit Increase – An annual merit increase is an in-range salary adjustment for demonstrated performance.
 - 2) Annual Merit Bonus – An annual merit bonus is a percentage of the employee's annualized base salary that is paid once for demonstrated performance and separately from the base salary.

SUBTITLE B

- b) Eligibility Conditions– Eligibility for an annual merit increase and bonus shall be determined by the following conditions:
- 1) 12 Months Creditable Service or from the Last Officially Scheduled Performance Review and Performance Review Discussion – Each employee will be eligible for a performance review: after attaining 12 months creditable service if new to the position; if continually in the one position for longer than 12 months from the last officially scheduled performance review (80 Ill. Adm. Code 302.270(d)); if continually in the one Trainee Program (80 Ill. Adm. Code 302.170) position for 12 months and each subsequent 12 months in the same position; if continually in the one position which is Personnel Code [20 ILCS 415] Section 4(d) exempt or otherwise partially, Jurisdiction B, exempt from the Personnel Code and each subsequent 12 months in the same position; if the combined time in the position and in a completed interim assignment is longer than 12 months from the last officially scheduled performance review; or if in interim assignment and the employee’s creditable service date is 12 months or more ago, the employee shall return from a leave to serve in interim assignment for the employee’s Performance Review and discussion. The employee's immediate supervisor shall prepare a Merit Compensation and Performance System form prior to the Performance Review Date or if the employee just returned from a leave to serve in interim assignment for the purpose of receiving the Performance Review, the employee’s immediate supervisor shall prepare a Merit Compensation and Performance System form on the date the employee returned with input from the employee’s immediate supervisor while in interim assignment. The employee’s immediate supervisor shall discuss the results with the employee.
 - 2) Guidechart Category Amount, Salary Range Maximum in Relation to Base Salary Increase and Current Base Salary –
 - A) Annual Merit Increase – Should the performance review result in the employee not being eligible for an annual merit increase due to provisions of Section 310.450(d), or should the employee's base rate be at the maximum rate of pay of the salary range assigned to the employee's position, the employee will not be eligible for an annual merit increase until 12 months of additional creditable service has been accrued. (Interim Assignment Pay shall never be used to determine eligibility for an annual merit increase.)

SUBTITLE B

- B) Annual Merit Bonus – Should the performance review result in the employee not being eligible for an annual merit bonus due to provisions of Section 310.450(d), the employee will not be eligible for an annual merit bonus until 12 months of additional creditable service has been accrued. (Interim Assignment Pay shall never be used to determine eligibility for an annual merit bonus.)
- c) Immediate Supervisor Determination of Performance Category – Based upon the results of the performance review, the employees' immediate supervisor shall determine whether the employee's performance warrants or does not warrant an annual merit increase and bonus.
- d) Amount Restrictions – The amount of an annual merit increase and bonus recommendation shall be determined by use of the Merit Increase and Bonus Guidechart of Section 310.540 if the employee's performance review has on the Performance Review Date been evaluated at a Category 3 or higher level. An employee whose performance review has on the Performance Review Date been evaluated at Category 4 shall not receive an increase in the present base salary or a bonus. However, in no event is the resulting salary to be lower than the minimum or higher than the maximum rate of pay of the respective salary range assigned to the employee's position. (Interim Assignment Pay shall never be used to determine an annual merit increase or bonus.) (Effective July 1, 2009, annual merit increases and bonuses are suspended, and annual merit performance reviews continue.)
- e) Immediate Supervisor Indication of Eligibility and Amount– The employee's immediate supervisor shall prepare a Performance Certification and Merit Increase Recommendation form indicating whether or not the employee is eligible for an annual merit increase and bonus and the amounts thereof. Section 310.460 Other Pay Increases

- a) Promotion – Normally, upon promotion, an employee shall be advanced in salary by an amount not more than 5% of the current base salary. In no event is the resulting salary to be lower than the minimum rate of the salary range to which the employee is being promoted or greater than the maximum of the new salary range. Upon promotion the employee shall receive a new creditable service date. Any deviation from the 5% maximum, except when the resulting salary is the minimum rate of the salary range, is a special salary adjustment (see Section 310.470).
- b) Reallocation – Upon reallocation, an employee shall be advanced in salary to a rate of pay that is the equivalent of 5% above the current base salary. However, in no event is the resulting salary to be lower than the minimum rate or higher than the maximum rate of the new salary range. A reallocation will not affect the creditable service date of the employee, unless an increase of 10% or greater is provided to move the employee to the minimum salary of the new title. The reallocation shall not change the creditable service date.
- c) Reevaluation – If a higher salary range is assigned to a class, the employee occupying a position in the class normally shall be advanced the equivalent of 5% of the current base salary. However, in no event is the resulting salary to be lower than the minimum or higher than the maximum rate of the new salary range. The creditable service date of an employee will not be changed due to the reevaluation of the class the employee occupies, unless an increase of 10% or greater is provided to move the employee to the minimum salary of the new range. The reevaluation shall not change the creditable service date.

SUBTITLE B

- d) Separation and Subsequent Appointment – Upon separation from a position of a given class and appointment within four calendar days to a position in a higher salary range, an increase shall be given under the conditions and requirements applicable to promotions (see subsection (a)).
- e) Reclassification – If the class to which the position is being moved has a higher salary range, the employee occupying the position shall be advanced the equivalent of 5% of the current base salary. However, in no event is the resulting salary to be lower than the minimum or higher than the maximum rate of the new salary range. The creditable service date of the employee will not be changed due to the reclassification of the position the employee occupies, unless an increase of 10% or greater is provided to move the employee to the minimum salary of the new range.

Section 310.470 Adjustment

An employee may receive an upward adjustment in base salary for the purpose of correcting a previous error or oversight or, when the best interests of the agency and the State of Illinois will be served. Adjustments shall have the prior approval of the Director of Central Management Services. An adjustment at the time of entrance into State government requires supporting documentation in the candidate's CMS employment application (CMS-100). An adjustment at the time substantial additional duties and responsibilities are added to a position allocated to a broad-band title requires that the substantial additional duties and responsibilities be documented on an updated position description (CMS-104) and reflected on the organization chart. In determining the appropriateness of a request for a salary adjustment by an employing agency, the Director of Central Management Services will consider whether the need for the adjustment is substantial, whether the action is consistent with the treatment of other similar situations, and whether the action is equitable in view of the particular circumstances prompting the request. The approval of an adjustment at the time of entrance into State government is based on the candidate's documented directly-related education and experience exceeding the minimum requirements in the class specification, prior base salary history, staffing needs and requirements of the employing agency, and labor market influences on the recruitment for the position classification or position. The adjustment shall not change the creditable service date.

Section 310.480 Decreases in Pay

SUBTITLE B

Employees subject to this Part shall have their salaries reduced only as specified below. Any reduction in salary shall become effective on the first day of the month following approval of the reduction.

- a) Demotion for Cause to a Lower Class – If the employee's current base salary is within the lower salary range, it shall be retained without change, but shall be reduced to the maximum of the lower salary range if in excess thereof. An employee demoted during a probationary period following promotion will have the base salary reduced to the same salary the employee received before being promoted and the previous creditable service date will be restored.
- b) Position Reallocated to a Lower Class – If the employee's current base salary is within the lower salary range, it shall be retained without change, but shall be reduced to the maximum of the lower salary range if it excess thereof. However, as provided in Section 8(a) of the Personnel Code, the pay of an employee whose position is reallocated because of duties and responsibilities after appointment to such position shall not be required to be lowered to a salary within the range for a period of one year. The reallocation shall not change the creditable service date.
- c) Voluntary Reduction to a Lower Class – If the employee's current base salary is within the lower salary range, it shall be retained without change, but shall be reduced to the maximum of the lower salary range if in excess thereof. However, an employee who voluntarily requests a reduction during a probationary period following a promotion will have the base salary reduced to the same salary in the lower salary range from which the employee was promoted and the previous creditable service date will be restored.
- d) Assignment of a Lower Salary Range to a Class – If the employee's current base salary is within the lower salary range, it shall be retained without change, but shall be reduced to the maximum of the lower salary range if in excess thereof. The reevaluation shall not change the creditable service date.
- e) Adjustment – An employee may receive a downward adjustment in base salary for the purpose of correcting a previous error or oversight or when the best interest of the agency or the State of Illinois will be served. Adjustments must have the prior approval of the Director of Central Management Services in writing. In determining the appropriateness of a request for a salary adjustment by an employing agency, the Director of Central Management Services will consider whether the need for the adjustment is substantial, whether the action is consistent with the treatment of other similar situations, and whether the action is equitable in view of the particular circumstances prompting the request. The adjustment shall not change the creditable service date.

SUBTITLE B

- f) **Reclassification** – If the employee's current base salary is within the lower salary range, it shall be retained without change. If the employee's current base salary is higher than the maximum of the lower salary range, the base salary shall be reduced to the maximum of the lower salary range. As provided in Section 8(a) of the Personnel Code, the base salary shall not be lowered to a salary within the range for a period of one year.

(Source: Amended at 31 Ill. Reg. 13981, effective September 21, 2007)

Section 310.490 Other Pay Provisions

- a) **Transfer** – Upon assignment of an employee to a vacant position in a class with the same salary range as the class for the position being vacated, the employee's base salary will not be changed. Upon separation and subsequent appointment to a position in the same salary range, no increase in salary will be given.
- b) **Entrance Base Salary** –
- 1) When a candidate only meets the minimum requirements of the class specification upon entry to State service, an employee's entrance base salary is the in-hire rate or the minimum base salary of the salary range.
 - 2) **Qualifications Above Minimum Requirements** – If a candidate possesses directly-related education and experience in excess of the minimum requirements of the class specification, the employing agency may offer the candidate an entrance base salary that is not more than 5% above the candidate's current base salary. Any deviation from the 5% maximum is a special salary adjustment (see Section 310.470).
 - 3) **Area Differential** – For positions where additional compensation is required because of dissimilar economic or other conditions in the geographical area in which the positions are established, a higher entrance salary may be authorized by the Director of Central Management Services. Present employees receiving less than the new rate of pay shall be advanced to the new rate.
- c) **Geographical Transfer** – Upon geographical transfer from or to an area for which additional compensation has been authorized, an employee will receive an adjustment to the appropriate salary level for the new geographical area of assignment, effective the first day of the month following the date of assignment.

SUBTITLE B

- d) Differential and Overtime Pay – An eligible employee may have an amount added to the base salary for a given pay period for work performed in excess of the normal requirements for the position and work schedule, as follows:
- 1) Shift Differential Pay – An employee may be paid an amount in addition to the base salary for work performed on a regularly scheduled second or third shift. The additional compensation will be at a rate and in a manner approved by the Director of Central Management Services. The Director of Central Management Services will approve the manner and rate of this provision after considering the need of the employing agency, the treatment of other similar situations, prevailing practices of other employers, and the equity of the particular circumstances.
 - 2) Overtime Pay –
 - A) Eligibility – The Director of Central Management Services shall maintain a listing of classes of positions subject to the provisions of the Merit Compensation System that are eligible for overtime compensation. Classes in salary ranges MS-23 and below are eligible for straight-time overtime unless exceptions are determined by the Director of Central Management Services or federal guidelines. Employees in these classes of positions who are assigned and perform work in excess of the normal work schedule as established by the agency shall be compensated at a straight-time rate on either a cash or compensatory time-off basis for all hours worked in excess of a normal work week. Overtime in less than one-half hour increments per day shall not be accrued. Classes in MS-24 and above are not eligible for overtime unless required by federal regulation or approved by the Director of Central Management Services. Exceptions must be requested by the employing agency and will be determined on the basis of the special nature of the situation, a substantial need to provide overtime compensation and a significant number of hours worked beyond the normal work schedule, and will be granted only for a specified time period for which the special situation is expected to exist.
 - B) Compensatory Time – Employees who are eligible for compensatory time may request such time, which may be granted by the agency at its discretion, considering, among other things, its operating needs. Compensatory time shall be taken within the fiscal year it was earned at a time convenient to the employee and

SUBTITLE B

consistent with the operating needs of the agency. Compensatory time shall be accrued at the rate in which it is earned (straight time or time and a half), but shall not exceed 120 hours in any fiscal year. Compensatory time approved for non-union employees will be earned after 40 actual work hours in a workweek.

Compensatory time not used by the end of the fiscal year in which it was earned shall be liquidated and paid in cash at the rate it was earned. Time spent in travel outside the normal work schedule shall not be accrued as compensatory time except as provided by labor contracts and the Federal Fair Labor Standards Act. At no time are overtime hours or compensatory time to be transferred from one agency to another agency.

- e) Equivalent Earned Time –
 - 1) Eligibility – Employees who are non-union, exempt under the Federal Fair Labor Standards Act, and in positions not eligible for overtime compensation may receive equivalent earned time for hours worked in excess of the hours per week indicated in the approved work schedule (80 Ill. Adm. Code 303.300) assigned to the employee.
 - 2) Accrual –
 - A) Employees who are eligible for equivalent earned time shall request that time before working in excess of the hours per week indicated in the approved work schedule (80 Ill. Adm. Code 303.300) assigned to the employee. Requests for equivalent earned time may be granted by the agency at its discretion, considering its operating needs. Equivalent earned time shall be accrued at straight time only to a maximum of 240 hours at any time.
 - B) Equivalent earned time will accrue in no less than one-quarter hour increments. Time spent in travel outside the normal work schedule shall not be counted toward accrual of equivalent earned time.
 - 3) Compensation – Any approved equivalent earned time shall be taken at a time convenient to the employee and consistent with the operating needs of the agency. The equivalent earned time may be taken in increments of not less than one-quarter hour after a minimum use of one-half hour any time after it is earned. At no time is equivalent earned time to be converted into cash payment. Equivalent earned time may transfer from

SUBTITLE B

one agency to another at the discretion of the agency head of the agency to which the employee is moving.

- 4) Employees in Positions Represented by an American Federation of State, County and Municipal Employees Bargaining Unit – Employees shall retain their equivalent earned time upon their positions' representation by an American Federation of State, County and Municipal Employees bargaining unit. The use of the equivalent earned time is approved by supervisors, prior to other benefit time excluding sick and personal business leave, in increments of fifteen minutes after the initial use of one-half hour, and granted under the same criteria as vacation time. Employees may substitute equivalent earned time for sick leave in accordance to sick leave policies and procedures.
- f) Part-Time Work – Part-time employees whose base salary is other than an hourly or daily basis shall be paid on a daily rate basis computed by dividing the annual rate of salary by the total number of work days in the year.
- g) Lump Sum Payment – Lump sum payment shall be provided for accrued vacation, sick leave and unused compensatory overtime at the current base rate to those employees separated from employment under the Personnel Code. Leaves of absence and temporary layoff (per 80 Ill. Adm. Code 302.510) are not separations and therefore lump sum payments cannot be given in these transactions. Methods of computation are explained in Section 310.520(a).

AGENCY NOTE: The method to be used in computing lump sum payment for accrued vacation, sick leave and unused compensatory overtime for an incumbent entitled to shift differential during the regular work hours will be to use the current base salary plus the shift differential pay. Sick leave earned prior to January 1, 1984 and after December 31, 1997 is not compensable. Sick leave earned and not used between January 1, 1984 and December 31, 1997 will be compensable at the current base daily rate times one-half of the total number of compensable sick days.
- h) Salary Treatment upon Return from Leave –
 - 1) An employee returning from Military Leave (80 Ill. Adm. Code 302.220 and 303.170), Peace Corps Leave (80 Ill. Adm. Code 302.230), Service-Connected Disability Leave (80 Ill. Adm. Code 303.135), Educational Leave (80 Ill. Adm. Code 302.215), Disaster Service Leave with Pay (80 Ill. Adm. Code 303.175), Family Responsibility Leave (80 Ill. Adm. Code 303.148), Leave to accept a temporary, emergency, provisional, exempt

SUBTITLE B

(80 Ill. Adm. Code 303.155) or trainee position, Leave to serve in domestic peace or job corps (80 Ill. Adm. Code 302.230) or leave to serve in an interim assignment will have the employee's salary established as determined appropriate by the employing agency and approved by the Director of Central Management Services. However, in no event is the resulting salary to be lower than the minimum rate or higher than the maximum rate of the salary range. Creditable service date will be maintained.

- 2) An employee returning to the employee's former salary range from any other leave (not mentioned in subsection (h)(1)) of over 14 days will be placed at the salary which the employee received prior to the leave and the creditable service date will be extended by the duration of the leave.
- i) Employees in classes that are made subject to the Merit Compensation System will retain their current salary, except that in no event is the resultant salary to be lower than the minimum rate or higher than the maximum rate of the new salary range.
 - j) Temporary Assignment Pay –
 - 1) When Required to Use Second Language Ability – Employees who are bilingual or have the ability to use sign language, Braille, or another second language (e.g., Spanish) and whose job descriptions do not require that they do so shall be paid temporary assignment pay when required to perform duties requiring the ability. The temporary assignment pay received is prorated based on 5% or \$100 per month, whichever is greater, in addition to the employee's base rate.
 - 2) When an employee in a position represented by AFSCME (excludes CU-500) – When an employee in a position represented by an AFSCME (excludes CU-500) bargaining unit and allocated to the Public Service Administrator title is temporarily assigned to a non-bargaining unit position, the time frame shall not exceed 9 months, unless mutually agreed otherwise.
 - k) Salary Treatment Upon Reemployment –
 - 1) Upon the reemployment of an employee in a class with the same salary range as the class for the position held before layoff, the employee will be placed at the same salary as held at the time of the layoff, and the employee's creditable service date will be adjusted to reflect that time on

SUBTITLE B

layoff does not count as creditable service time.

- 2) Upon the reemployment of an employee in a class at a lower salary range than the range of the class for the position held before layoff, the employee will be placed at the same salary as held at the time of layoff, except that if this exceeds the maximum of the new range, the employee will be placed at that maximum salary. The creditable service date will be adjusted to reflect that time on layoff does not count as creditable service time.
- l) Reinstatement – The salary upon reinstatement should not provide more than a 5% increase over the candidate's current base salary or exceed the salary rate held in the position where previously certified without prior approval of the Director of Central Management Services. In no event is the resulting salary to be lower than the minimum rate or higher than the maximum rate of the salary range. Any deviation from the 5% maximum, except when the resulting salary is the minimum rate of the salary range, is a special salary adjustment (see Section 310.470).
- m) Bilingual Pay – Individual positions whose job descriptions require the use of sign language, Braille, or another second language (e.g., Spanish) shall receive 5% or \$100 per month, whichever is greater, in addition to the employee's base rate.
- n) Clothing or Equipment Allowance – An employee may be paid an amount in addition to the employee's base salary to compensate for clothing or equipment that is required in the performance of assigned duties. The amount will be determined by the Director of the employing agency, and will require approval of the Director of Central Management Services. The Director of Central Management Services will approve the manner and rate of this provision after considering the need of the employing agency, the treatment of other similar situations, prevailing practices of other employers, and the equity of the particular circumstance.
- o) Interim Assignment Pay – This subsection of the Pay Plan explains interim assignment pay as applied to certified non-bargaining unit employees in a merit compensation (including broad-band) position assigned to perform on a full-time interim basis and be accountable for the higher-level duties and responsibilities of the non-bargaining unit (merit compensation, including broad-band) position. On the effective date of the employee's interim assignment (80 Ill. Adm. Code 302.150(j)), the employee shall receive an adjustment as if the employee received a promotion into the higher range. When assigned to the merit compensation position, the adjustment is an amount not more than 5% of the employee's current

SUBTITLE B

base salary. In no event is the resulting salary to be lower than the minimum rate or greater than the maximum rate of the salary range to which the employee is being assigned. Upon interim assignment, the employee's creditable service date shall not change. Any deviation from the 5% maximum, except when the resulting salary is the minimum rate of the salary range, is a special salary adjustment (see Section 310.470).

Section 310.495 Broad-Band Pay Range Classes

Broad-band pay range classes shall be covered by all provisions of the Merit Compensation System except for the provisions identified in the following subsections:

- a) Salary Range – The salary range for broad-band classes shall be as set out in Appendix G.
- b) Entrance Base Salary –
- 1) When a candidate only meets the minimum requirements of the class specification upon entry to State service, an employee's entrance base salary is the in-hire rate or the minimum base salary of the salary range.
 - 2) The salary assigned an employee shall take into account the duties, education, training and experience of the employee to assure reasonable pay equity among employees in the same class.
 - 3) If a candidate possesses directly-related education and experience in excess of the minimum requirements of the class specification, the employing agency may offer the candidate an entrance base salary that is not more than 5% above the candidate's current base salary. Any deviation from the 5% maximum is a special salary adjustment (see Section 310.470).
- c) Salary Adjustment for Substantial Additional Duties and Responsibilities within the Same Position or for Transfer to Another Position with Substantial Additional Duties and Responsibilities in the Same Title – An upward salary adjustment that

SUBTITLE B

is not more than 5% above the employee's current base salary in a broad-band position classification may be made by the employing agency where the employee's position has been given substantial additional duties and responsibilities but will remain in the same classification or where the employee transfers to another position with substantial additional duties and responsibilities in the same broad-band class. Any deviation from the 5% maximum is a special salary adjustment (see Section 310.470). The salary adjustment shall not change the creditable service date.

- d) Movement between Salary Systems – Salary treatment on movement of an employee between one position in the broad-band class series and another position outside of the broad-band class series will be as recommended by the employing agency and approved by the Director of Central Management Services.
- e) Salary Treatment upon Initial Placement of Positions in Other Occupational Broad-Band Classes – For the purpose of establishing salary treatment upon initial placement of positions, it is necessary to determine the "lowest corresponding Merit Compensation grade". The Merit Compensation range with a minimum salary closest to, but not lower than, that of the broad-band range minimum is known as the "lowest corresponding Merit Compensation grade".
 - 1) The incumbent of a position with a current salary range maximum equal to or greater than the maximum of the "lowest corresponding Merit Compensation grade" will be placed in the broad-band range with no change in salary.
 - 2) The incumbent of a position with a current salary range maximum less than the maximum of the "lowest corresponding Merit Compensation grade" will be placed in the broad-band range with a 5% increase in current base salary. However, in no event shall the resulting salary be lower than the minimum or higher than the maximum rate of the new salary range. The creditable service date of an employee will not be changed unless an increase of 10% or greater is provided to move the employee to the minimum of the new range.
- f) Pay Treatment upon Illinois Labor Relations Board State Panel Revocation of Certification of Representation by a Bargaining Unit – Upon the Illinois Labor Relations Board (ILRB) State Panel issuing a Revocation of Certification of representation by a bargaining unit when an agreement exists between the bargaining unit and the State assigning pay, effective the date of the issuance, the position is subject to the jurisdiction of the Merit Compensation System (Section 310.410) and assigned to the broad-band salary range assigned to the position's

SUBTITLE B

classification (Appendix G), and may receive an immediate downward adjustment in base salary (Section 310.480(e)).

NOTES: Rates and Movements – Effective July 1, 2015, all current rates that are in effect will be frozen for the duration of the agreement (including contractual in-hire movements).

Merit Incentive Program and Gain Sharing Programs – The parties agree to develop and implement a merit incentive program to reward and incentivize high-performing employees, or a

group's/unit's performance. As a part of such efforts, the Employer may create an annual bonus fund for payout to those individuals deemed high performers or for a group's/unit's level of performance for the specific group/unit. Payment from this bonus fund will be based on the satisfaction of performance standards to be developed by the Employer in consultation with the Union. Such compensation either for a group/unit or an individual shall be considered a one-time bonus and will be offered only as a non-pensionable incentive, and that any employee who accepts merit pay compensation does so voluntarily and with the knowledge and on the express condition that the merit pay compensation will not be included in any pension calculations.

Additionally, as a part of overall efforts to improve efficiency of State operations and align the incentives of the Employer with its employees, the Employer may develop gain sharing programs. Under such programs, employees or departments may propose initiatives that would achieve substantial savings for the State. Upon realization of such savings, the Employer may elect to return a portion of this savings to the employees who participated in the identified initiative. Such compensation either for a group/unit or an individual shall be considered a one-time bonus and will be offered only as a non-pensionable incentive, and that any employee who accepts merit pay compensation does so voluntarily and with the knowledge and on the express condition that the merit pay compensation will not be included in any pension calculations.

In each contract year in which a merit incentive program is created, no less than 25% of the employees subject to this agreement will receive some form of merit compensation under such programs. Funding for these performance bonuses is subject to annual approval as a part of the State's overall budget.

The Employer will develop specific policies for both of these programs and will give the Union an opportunity to review and comment on such policies prior to their implementation. The Employer's intent is to develop policies that will reward employees or units of employees based on specific achievements and to prevent payouts that are influenced by favoritism, politics, or other purely subjective criteria. Compliance with the policies for both of these programs shall be subject to the grievance and arbitration procedure.

The exercise of such rights by management (management means State and rights are defined in the Agreement Article 3) may not conflict with the provisions of this agreement, except that it is understood that compensation payable pursuant to such programs shall be performance-based only. Moreover, an employee's failure or refusal to participate in this program may not be grounds for any form of discipline.

Vacation Payout Restriction – Effective January 1, 2016, employees newly-hired into the bargaining unit shall be entitled to a vacation payout of no more than 45 days.

Shift Differential Pay – Employees (except Snowbirds) required to work a shift different than their normal day shift will be paid a \$0.50 per hour shift premium provided that ½ or more of

NOTES: Shift Differential Pay – Employees required to work a shift different than their normal day shift will be paid a \$0.50 per hour shift premium, provided that ½ or more of their work shift falls before 6:30 a.m. or after 3:00 p.m. This shift premium does not include those employees normally working shifts other than the normal day shift or employees hired into positions for which the regular shift hours are not considered day shift hours, or snow or ice season.

Clothing Allowance – Effective July 1, 2011, the clothing allowance for Highway Maintainers, Highway Maintenance Lead Workers, Highway Maintenance Lead Lead Workers, Deck Hands and Power Shovel Operator Maintenance employees increases to \$200. Effective July 1, 2011, the clothing allowance for all other titles increases to \$100. Effective July 1, 2013, employees who are required to wear steel-toe safety shoes shall receive an additional \$100 clothing allowance. The total will not exceed \$200 per contract year.

Rates and Movements – Effective July 1, 2015, all current rates that are in effect will be frozen for the duration of the agreement (including contractual in-hire movements)

Merit Incentive Program and Gain Sharing Programs – The parties agree to develop and implement a merit incentive program to reward and incentivize high-performing employees, or a group's/unit's performance. As a part of such efforts, the Employer may create an annual bonus fund for payout to those individuals deemed high performers or for a group's/unit's level of performance for the specific group/unit. Payment from this bonus fund will be based on the satisfaction of performance standards to be developed by the Employer in consultation with the Union. Such compensation either for a group/unit or an individual shall be considered a one-time bonus and will be offered only as a non-pensionable incentive, and that any employee who accepts merit pay compensation does so voluntarily and with the knowledge and on the express condition that the merit pay compensation will not be included in any pension calculations.

Additionally, as a part of overall efforts to improve efficiency of state operations and align the incentives of the Employer with its employees, the Employer may develop gain sharing programs. Under such programs, employees or departments may propose initiatives that would achieve substantial savings for the State. Upon realization of such savings, the Employer may elect to return a portion of this savings to the employees who participated in the identified initiative. Such compensation either for a group/unit or an individual shall be considered a one-time bonus and will be offered only as a non-pensionable incentive, and that any employee who accepts merit pay compensation does

SUBTITLE B

so voluntarily and with the knowledge and on the express condition that the merit pay compensation will not be included in any pension calculations.

In each contract year in which a merit incentive program is created, no less than 25% of the employees subject to this agreement will receive some form of merit compensation under such programs. Funding for these performance bonuses is subject to annual approval as a part of the State's overall budget.

The Employer will develop specific policies for both of these programs and will give the Union an opportunity to review and comment on such policies prior to their implementation. The Employer's intent is to develop policies that will reward employees or units of employees based on specific achievements and to prevent payouts that are influenced by favoritism, politics, or other purely subjective criteria. Compliance with the policies for both of these programs shall be subject to the grievance and arbitration procedure.

The exercise of such rights by management may not conflict with the provisions of this agreement, except that it is understood that compensation payable pursuant to such programs shall be performance-based only. Moreover, an employee's failure or refusal to participate in this program may not be grounds for any form of discipline.

Restriction Payment in Lieu of Vacation and Vacation Benefits on Death of Employee – Effective January 1, 2016, employees newly-hired into the bargaining unit shall be entitled to a vacation payout of no more than 45 days.

In-Hire Rate – The parties agree the in-hire rate as was amended to 75% for the 2008 – 2012 Collective Bargaining Agreement shall continue in effect. The parties also agree that all classifications shall have a 75% in-hire rate as agreed to in the 2012 – 2015 agreement, however, effective July 1, 2015 all employees will be frozen at their current rate for the duration of this agreement. Employees within this bargaining unit who are promoted and are in the in-hire progression will promote to the next step of the in-hire rate of the higher classification and would then be frozen at that new in-hire rate. In addition, temporary assignments to higher-level classifications shall also be calculated at the in-hire rates. All full-scale employees will be promoted to the full-scale rate of the next higher classifications, upon promotion.

SUBTITLE B

have the percentage converted to the cents per hour equivalent rounded to the nearest cent and shall continue to receive the higher cents per hour rate. This provision shall not apply to employees who, because of "flex-time" scheduling made at their request, are scheduled and work hours that would otherwise qualify them for premium pay under this provision.

Longevity Pay – Effective January 1, 2002, the Step 8 rate shall be increased by \$25 per month for those employees who attain 10 years of continuous service and have three (3) or more years of creditable service on Step 7 in the same or higher pay grade on or before January 1, 2002. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 7 in the same or higher pay grade on or before January 1, 2002, the Step 8 rate shall be increased by \$50 per month. For employees not eligible for longevity pay on or before January 1, 2002, the Step 8 rate shall be increased by \$25 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade, the Step 8 rate shall be increased by \$50 per month. Effective July 1, 2010, the Step 8 rate shall be increased by \$50 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2010. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2010, the Step 8 rate shall be increased by \$75 per month. Effective July 1, 2013, the Step 8 rate shall be increased by \$25 per month to \$75 a month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2013. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2013, the Step 8 rate shall be increased by \$25 per month to \$100 a month. Employees whose salaries are red-circled above the maximum Step rate continue to receive all applicable general increases and any other adjustments (except the longevity pay) provided for in the Agreement. For these employees, the longevity pay shall be limited to the amount that would increase the employee's salary to the amount that is equal to that of an employee on the maximum Step rate with the same number of years of continuous and creditable service. Employees receiving the longevity pay shall continue to receive the longevity pay as long as they remain in the same or successor classification as a result of a reclassification or reevaluation. Employees who are eligible for the increase provided for longevity pay on or before January 1, 2002, shall continue to receive longevity pay after being placed on Step 8 while they remain in the same or lower pay grade.

Employees whose salaries are red-circled above the maximum Step rate continue to receive all applicable general increases and any other adjustments (except the longevity pay) provided for in the Agreement. For these employees, the longevity pay shall be limited to the amount that would increase the employee's salary to the amount that is equal to that of an employee on the maximum Step rate with the same number of years of continuous and creditable service. Frozen Step Increases – Effective July 1, 2015, step increases shall be frozen for the duration of the agreement.

FY2016 Bonus, Merit Incentive Program and Gain Sharing Program – All bargaining unit employees who are in active employment status on June 30, 2016, and who have missed fewer than five (5) percent of their assigned work days between the effective date of this Agreement and June 30, 2016 shall receive a one (1) time, non-pensionable bonus of \$1,000. This bonus shall be paid no later than 30 days from the date upon which the contract is signed by the parties, subject to any Pay Plan change that is necessary to effectuate this provision.

The parties agree to develop and implement a merit incentive program which will begin in the Fiscal Year starting July 1, 2016, to reward and incentivize high-performing employees, or a group's/unit's performance. As a part of such efforts, the Employer shall create an annual bonus fund for payout to those individuals deemed high performers or for a group's/unit's level of performance for the specific group/unit. Payment from this bonus fund will be based on the satisfaction of performance standards to be developed by the Employer in consultation with the Union. Such merit compensation either for a group/unit or an individual shall be considered a one-time bonus and will be offered only as a non-pensionable incentive, and that any employee who accepts merit pay compensation does so voluntarily and with the knowledge and on the express condition that the merit pay compensation will not be included in any pension calculations.

Additionally, as a part of overall efforts to improve efficiency of state operations and align the incentives of the Employer with its employees, the Employer shall develop gain sharing programs. Under such programs, employees or agencies that achieve savings for the State will share in such savings. Savings shall be calculated based on achieved savings for the State and shall not include savings from other funds, such as Federal funds, if the State is forbidden from disbursing such monies as rewards. Such compensation, either for a group or an individual, shall be considered a one-time bonus and will be offered only as a non-pensionable incentive. Any employee who accepts gain-sharing compensation does so voluntarily and with the knowledge and on the express condition that the merit pay or gain-sharing compensation will not be included in any pension calculations.

In each contract year in which a merit incentive program is created, and subject to annual approval as a part of the State's overall budget, the Employer shall set aside for payments pursuant to this Section, a separate budgetary line item in an amount equal to two (2) percent of the budgeted base payroll costs for a bargaining unit employees ("Bonus Pool"). Employee bonuses will then be distributed as follows:

- 1) One-half (.5) percent of the Bonus Pool will be distributed among all bargaining unit employees subject to this Agreement and who meet the conditions stated in subsections (a) and (b) of this Section in proportion to each employee's base salary. To be eligible to receive the first one-half (.5) percent of the bonus pool, an employee:
 - a) Must have missed no more than seven (7) of their assigned work days (or no more than 56 of their assigned work hours) in the fiscal year during which a bonus is distributed, and
 - b) Must have committed no work policy violations during the same fiscal year.
- 2) The remaining one and one-half (1.5) percent of the Bonus Pool will be distributed to no fewer than 25% of employees based on the satisfaction of performance standards to be developed by the Employer in consultation with the Union as part of a merit incentive program described in subsection B above, as well as meeting the criterion set out in subsection (1)(a) above.

The Employer shall form a joint committee with the Union comprised of at least three (3) representatives from the Union and a comparable number of Employer-representatives. The purpose of such committee will be to allow the Union the opportunity to consult on development of specific policies and criteria for both of these programs. Further, once developed, the Union will be given an opportunity to review and comment on such policies and criteria prior to their implementation. The Employer's intent is to develop policies that will reward employees or group of employees based on specific achievements and to prevent payouts that are influenced by favoritism, politics, or other purely subjective criteria. Compliance with the policies for both of these programs shall be subject to the grievance and arbitration procedure. Whenever the Employer pays an employee or group of employees as part of the merit incentive program or gain-sharing initiatives, the payments shall be funded by the employing Agency's operating funds. The Employer shall forward all requests for payment to the Comptroller, and payments shall be issued as required by the obligations of this Agreement.

This Memorandum of Agreement shall remain in effect until the expiration of the current collective bargaining agreement between the parties, or until there is a mutual agreement between the parties to terminate this memorandum of understanding prior to such expiration.

NOTES: Shift Differential Pay – Employees shall be paid a shift differential of \$0.80 per hour in addition to their base salary rate for all hours worked if their normal work schedule for that day provides that they are scheduled to work and they work ½ or more of the work hours before 7 a.m. or after 3 p.m. The payment shall be for all paid time. Incumbents who currently receive a percentage shift differential providing more than the cents per hour indicated in this Note based on the base rate of pay prior to the effective date shall have that percentage converted to the cents per hour equivalent rounded to the nearest cent and shall continue to receive the higher cents per hour rate. This provision shall not apply to employees who, because of "flex-time" scheduling made at their request, are scheduled and work hours that would otherwise qualify them for premium pay under this provision.

Option Clarification – The positions allocated to the Public Service Administrator title that are assigned to a negotiated RC-062 pay grade have the following Options: 2; 6; 7; 8B; 8C; 8Y; 8Z; 9A; and 9B. The positions allocated to the Senior Public Service Administrator title that are assigned to a negotiated RC-062 pay grade have the Option 7. See the definition of option in Section 310.50.

Longevity Pay – Effective January 1, 2002, the Step 8 rate shall be increased by \$25 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 7 in the same or higher pay grade on or before January 1, 2002. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 7 in the same or higher pay grade on or before January 1, 2002, the Step 8 rate shall be increased by \$50 per month. For employees not eligible for longevity pay on or before January 1, 2002, the Step 8 rate shall be increased by \$25 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade, the Step 8 rate shall be increased by \$50 per month. Effective July 1, 2010, the Step 8 rate shall be increased by \$50 per month for those employees who attain 10 years

of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2010. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2010, the Step 8 rate shall be increased by \$75 per month. Effective July 1, 2013, the Step 8 rate shall be increased by \$25 per month to \$75 a month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2013. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2013, the Step 8 rate shall be increased by \$25 per month to \$100 a month. Employees whose salaries are red-circled above the maximum Step rate continue to receive all applicable general increases and any other adjustments (except the longevity pay) provided for in the Agreement. For these employees, the longevity pay shall be limited to the amount that would increase the employee's salary to the amount that is equal to that of an employee on the maximum Step rate with the same number of years of continuous and creditable service. Employees receiving the longevity pay shall continue to receive the longevity pay as long as they remain in the same or successor classification as a result of a reclassification or reevaluation. Employees who are eligible for the increase provided for longevity pay on or before January 1, 2002, shall continue to receive longevity pay after being placed on Step 8 while they remain in the same or lower pay grade.

For the Revenue Tax Specialist II position classification title only – The pay grade assigned to the employee is based on the location of the position and the residence held by the employee. In the same position classification, the employee holding a position and residence outside the boundaries of the State of Illinois is assigned to a different pay grade than the pay grade assigned to the employee holding a position within the boundaries of the State of Illinois. The pay grade assigned to the employee holding a position located within the boundaries of the State of Illinois is the pay grade with the (IL) indication next to the position classification. The pay grade assigned to the employee holding the position located outside the boundaries of the State of Illinois is determined by the location of the employee's residence or position location (e.g., IL, CA or NJ or a state other than IL, CA or NJ). If the employee's residence moves to another state while the employee is in the same position located outside the boundaries of the State of Illinois, or moves into another position located outside the boundaries of the State of Illinois in the same position classification, the base salary may change depending on the location of the employee's new residence. In all cases, change in base salary shall be on a step for step basis (e.g., if the original base salary was on Step 5 in one pay grade, the new base salary will also be on Step 5 of the newly appropriate pay grade).

For the Revenue Audit Supervisor, Revenue Auditor I, II and III, Revenue Auditor Trainee, and Revenue Computer Audit Specialist position classification titles only – Effective July 1, 2010, State employees appointed to positions allocated to the Revenue

NOTES: Shift Differential Pay – Employees shall be paid a shift differential of \$0.80 per hour in addition to their base salary rate for all hours worked if their normal work schedule for that day provides that they are scheduled to work and they work ½ or more of the work hours before 7 a.m. or after 3 p.m. The payment shall be for all paid time. Incumbents who currently receive a percentage shift differential providing more than the cents per hour indicated in this Note based on the base rate of pay prior to the effective date shall have that percentage converted to the cents per hour equivalent rounded to the nearest cent and shall continue to receive the higher cents per hour rate. This provision shall not apply to employees who, because of "flex-time" scheduling made at their request, are scheduled and work hours that would otherwise qualify them for premium pay under this provision.

Option Clarification – The positions allocated to the Public Service Administrator title that are assigned to the negotiated RC-063 pay grade have the following options: 1; 3; 4; 6; 6E; 7; 8A; 8D; 8E; 8H; 8I; 8N; 8P; 8S; 8T; 8U; and 9G. The positions allocated to the Senior Public Service Administrator title that are assigned to a negotiated pay grade have the Option 4. See the definition of option in Section 310.50.

Longevity Pay – Effective January 1, 2002, the Step 8 rate shall be increased by \$25 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 7 in the same or higher pay grade on or before January 1, 2002. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 7 in the same or higher pay grade on or before January 1, 2002, the Step 8 rate shall be increased by \$50 per month. For employees not eligible for longevity pay on or before January 1, 2002, the Step 8 rate shall be increased by \$25 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade, the Step 8 rate shall be increased by \$50 per month. Effective July 1, 2010, the Step 8 rate shall be increased by \$50 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2010. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2010, the Step 8 rate shall be increased by \$75 per month. Effective July 1, 2013, the Step 8 rate shall be increased by \$25 per month to \$75 a month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2013.

For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2013, the Step 8 rate shall be increased by \$25 per month to \$100 a month.

Employees whose salaries are red-circled (see Section 310.220(f)) above the maximum Step rate continue to receive all applicable general increases and any other adjustments (except the longevity pay) provided for in the Agreement. For these employees, the longevity pay shall be limited to the amount that would increase the employee's salary to the amount that is equal to that of an employee on the maximum Step rate with the same number of years of continuous and creditable service.

Employees receiving the longevity pay shall continue to receive the longevity pay as long as they remain in the same or successor classification as a result of a reclassification or reevaluation. Employees who are eligible for the increase provided for longevity pay on or before January 1, 2002 shall continue to receive longevity pay after being placed on Step 8 while they remain in the same or lower pay grade.

NOTES: Shift Differential Pay – Employees shall be paid a shift differential of \$0.80 per hour in addition to their base salary rate for all hours worked if their normal work schedule for that day provides that they are scheduled to work and they work ½ or more of the work hours before 7 a.m. or after 3 p.m. The payment shall be for all paid time. Incumbents who currently receive a percentage shift differential providing more than the cents per hour indicated in this Note based on the base rate of pay prior to the effective date shall have that percentage converted to the cents per hour equivalent rounded to the nearest cent and shall continue to receive the higher cents per hour rate. This provision shall not apply to employees who, because of "flex-time" scheduling made at their request, are scheduled and work hours that would otherwise qualify them for premium pay under this provision.

Longevity Pay – Effective January 1, 2002, the Step 8 rate shall be increased by \$25 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 7 in the same or higher pay grade on or before January 1, 2002. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 7 in the same or higher pay grade on or before January 1, 2002, the Step 8 rate shall be increased by \$50 per month. For employees not eligible for longevity pay on or before January 1, 2002, the Step 8 rate shall be increased by \$25 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade, the Step 8 rate shall be increased by \$50 per month. Effective July 1, 2010, the Step 8 rate shall be increased by \$50 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2010. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2010, the Step 8 rate shall be increased by \$75 per month. Effective July 1, 2013, the Step 6 rate shall be increased by \$25 per month to \$75 a month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 6 in the same or higher pay grade on or before July 1, 2013. For those employees who attain 15 years of

continuous service and have three or more years of creditable service on Step 6 in the same or higher pay grade on or before July 1, 2013, the Step 6 rate shall be increased by \$25 per month to \$100 a month. Employees whose salaries are red-circled above the maximum Step rate continue to receive all applicable general increases and any other adjustments (except the longevity pay) provided for in the Agreement. For these employees, the longevity pay shall be limited to the amount that would increase the employee's salary to the amount that is equal to that of an employee on the maximum Step rate with the same number of years of continuous and creditable service. Employees receiving the longevity pay shall continue to receive the longevity pay as long as they remain in the same or successor classification as a result of a reclassification or reevaluation. Employees who are eligible for the increase provided for longevity pay on or before January 1, 2002, shall continue to receive longevity pay after being placed on Step 6 while they remain in the same or lower pay grade.
