SUBTITLE B

Section 310.45 Comparison of Pay Grades or Salary Ranges Assigned to Classifications

- a) What Classifications to Compare When an Employee Moves – The movement of an employee subject to the Personnel Code to a vacant position (subject to the Personnel Code) is between two positions. The employee moves from the former position to the targeted position. The targeted position may be the former position allocated to a different classification title (80 Ill. Adm. Code 320.80) or may be the former position assigned substantial additional responsibilities in the same broad-band title (Section 310.495(c)). The former and targeted positions have the same or different classification titles. The former position is in the former classification and the targeted title is in the targeted classification. The former and targeted classifications are used in the comparison when an employee moves.
- b) Definitions of Employee Movements –
 - 1) When the Former and Targeted Classification Titles are the Same – When the former and targeted classification titles are the same, the employee movement is an interim assignment (80 Ill. Adm. Code 302.150(j)), a transfer (80 Ill. Adm. Code 302.400), geographical transfer (80 Ill. Adm. Code 302.430) or where in the broad-band classification title the targeted position has substantial additional responsibilities compared to the former position (Section 310.495(c)).
 - 2) When the Former and Targeted Classification Titles are Different – When the former and targeted classification titles are different, the employee movement is an interim assignment (80 Ill. Adm. Code 302.150(j)), a transfer (80 Ill. Adm. Code 302.400), geographical transfer (80 Ill. Adm. Code 302.430), demotion (80 Ill. Adm. Code 302.470), voluntary reduction (80 Ill. Adm. Code 302.500), promotion (Sections 310.50 and 310.500), based on the position being allocated to another class (80 Ill. Adm. Code 301.20 and 301.41) or based on the positions in a class being reclassified (Sections 310.50 and 310.500).
- c) What to Compare in Each Classification – This pertains whether comparing former and targeted classifications, the pay grades or salary ranges assigned to the former and targeted classifications, or the maximum permissible salary or rate assigned to the former and targeted classifications.
 - 1) When the Former and Targeted Classification Titles are the Same – When the former and targeted classification titles are the same, no comparison beyond the titles, which are the same, is needed.

SUBTITLE B

- 2) When Both Former and Targeted Classifications are Different – When both former and targeted classifications are different, determine whether both classes are whole, divided or one is whole and one is divided. The definitions for whole and divided classes are found in Section 310.50.
 - A) When Both Classes are Whole – When both classes are whole, follow the flow chart provided in Appendix C. Illustration A by beginning with the oval with the word start in it, move through the flow chart by the arrows based on the information known about the two classes and finally reaching the diamond shape indicating what to compare. The definitions of bargaining unit and bargaining representative are found in Section 310.50. In that same Section, the definition of pay plan code assists in identifying whether regular or alternative rates are assigned to the classes as listed in the ALPHABETIC INDEX OF POSITION TITLES. The ALPHABETIC INDEX OF POSITION TITLES provides the highest rates.
 - B) When One Class is Whole and One Class is Divided – When one class is whole and one class is divided, follow the flow chart provided in Appendix C. Illustration B by beginning with the oval with the word start in it, move through the flow chart by the arrows based on the information known about the two classes and finally reaching the diamond shape indicating what to compare. The definitions of bargaining unit and bargaining representative are found in Section 310.50. In that same Section, the definition of pay plan code assists in identifying whether regular or alternative rates are assigned to the classes as listed in the ALPHABETIC INDEX OF POSITION TITLES. The ALPHABETIC INDEX OF POSITION TITLES provides the highest rates.
 - C) When Both Classes are Divided – When both classes are divided, follow the flow chart provided in Appendix C. Illustration C by beginning with the oval with the word start in it, move through the flow chart by the arrows based on the information known about the two classes and finally reaching the diamond shape indicating what to compare. In moving through the flow chart, the classification titles containing an option (found in the definition of option in Section 310.50) do not apply. The definitions of bargaining unit and bargaining representative are found in Section 310.50. In that same Section, the definition of pay plan code assists in identifying

SUBTITLE B

whether regular or alternative rates are assigned to the classes as listed in the ALPHABETIC INDEX OF POSITION TITLES. The ALPHABETIC INDEX OF POSITION TITLES provides the highest rates.

- d) The Comparison Determines the Type of Employee Movement and Pay – Comparing the highest of the maximum base salaries set forth in subsection (c) for each classification establishes whether the former classification is higher than, lower than or the same as the targeted classification. This information determines (or assists in determining) which type of employee movement in subsection (b) is occurring. From that determination, the pay treatment is set in following Sections of the Pay Plan.

Section 310.47 In-Hiring Rate

- a) Use – No employee in a position in which the position and/or the employee meet the criteria of an in-hiring rate receives less than the in-hiring rate. The in-hiring rate is used when a candidate only meets the minimum requirements of the class specification upon entry to State service (Section 310.100(b)(1), 310.490(b)(1) or 310.495(b)(1)), when an employee moves to a vacant position (Section 310.45) or when an MS salary range is assigned to a Trainee Program (Section 310.415(b)).
- b) Request – An agency head may request in writing that the Director of Central Management Services approve an in-hiring rate. The rate is a Step or dollar amount depending on whether the classification title is assigned to a negotiated pay grade, merit compensation salary range or broad-band salary range. The rate may be for the classification title or limited within the classification title to the agency, facilities, counties or other criteria. The supporting justifications for the requested in-hiring rate and the limitations are included in the agency request. An effective date may be included in the request.
- c) Review – The Director of Central Management Services shall review the supporting justifications, the turnover rate, length of vacancies, and the currently filled positions for the classification title, and the market starting rates for similar classes, and consult with other agencies using the classification title.
- d) Approval – The Director of Central Management Services indicates in writing the approved in-hiring rate and effective date, which is either the date requested by the agency or the beginning of the next pay period after the approval.

SUBTITLE B

e) Implementation – In the classification title or within the limitations of the classification title, an employee paid below the in-hiring rate receives the in-hiring rate on the approved effective date. The in-hiring rate remains in effect for any employee entering the title or the limits within the title until the title is abolished or an agency request to rescind the in-hiring rate is approved by the Director of Central Management Services.

f) Approved In-Hiring Rates –

* Sick leave earned prior to January 1, 1984 and after December 31, 1997 is not compensable. Sick leave earned and not used between January 1, 1984 and December 31, 1997 will be compensable at the current base daily rate times one-half of the total number of sick days earned and retained during that time period.
- b) Deductions from a Specific Pay Period -- Employees working full time or a regular part of a full time schedule and who work less than the total number of days/hours in a specific pay period due to furlough days/hours or other noncompensated days/hours, as per Section 302.510 of the Personnel Rules (see 80 Ill. Adm. Code 302.510), shall have the value of the days/hours derived by dividing the annualized rate of pay by the total number of days/hours in a work year as filed by the agency with the Department of Central Management Services. The value of the deducted days/hours would be subtracted from the semimonthly rate.
- c) Payment for Fractional Part of a Specific Pay Period – In those instances in which an employee is to be compensated at a rate that represents a number of work days (hours) that is less than the actual number of work days (hours) in the pay period, other than when authorized for deduction in accordance with subsection (b), the formula to be used is: monthly rate divided by two equal pay period rate; pay period rate divided by days (hours) scheduled equals daily (hourly) rate; daily (hourly) rate multiplied by days (hours) worked equals gross amount earned.

SUBTITLE B

- d) Part-Time Work -- Part-time employees, whose base salary is other than an hourly or daily basis, shall be paid on a daily rate basis which will be computed from annual rates of salary and the total number of work days in the year.

Section 310.80 Increases in Pay

Except as otherwise provided for in this Section, for employees occupying positions in classes that are paid in conformance with the Schedule of Negotiated Rates (Appendix A) and without a negotiated provision in the currently effective bargaining unit agreement, increases shall be granted as follows and will become effective the first day of the pay period following the date of approval:

- a) Satisfactory Performance Increase –
 - 1) Each employee who has not attained Step 8 of the relevant pay grade, and whose level of performance has been at a satisfactory level of competence, shall be successively advanced in pay to the next higher step in the pay grade after one year of creditable service in the same class. Effective July 1, 2012, the satisfactory performance increases are suspended. Effective April 17, 2013, employees in positions represented by an American Federation of State, County and Municipal Employees bargaining unit (CU-500, RC-006, RC-009, RC-010, RC-014, RC-028, RC-042, RC-062 and RC-063) receive satisfactory performance or step increases that they are or would have been eligible for during Fiscal Year 2013 (July 1, 2012 through June 30, 2013).
 - 2) A satisfactory performance increase shall become effective on the first day of the month within which the required period of creditable service is reached. Effective July 1, 2012, the satisfactory performance increases are suspended. Effective April 17, 2013, employees in positions represented by an American Federation of State, County and Municipal Employees bargaining unit (CU-500, RC-006, RC-009, RC-010, RC-014, RC-028, RC-042, RC-062 and RC-063) receive satisfactory performance or step increases that they are or would have been eligible for during Fiscal Year 2013 (July 1, 2012 through June 30, 2013).

SUBTITLE B

- 3) No satisfactory performance increase may be given after the effective date of separation. The exception is an employee in a position represented by an American Federation of State, County and Municipal Employees bargaining unit (CU-500, RC-006, RC-009, RC-010, RC-014, RC-028, RC-042, RC-062 and RC-063) who separated during Fiscal Year 2013 between July 1, 2012 and April 17, 2013 and who otherwise would receive a satisfactory performance or step increase based on subsection (a) (1) and (2).
- b) Withholding Satisfactory Performance Increase – As an inducement toward attainment of satisfactory level of competence, satisfactory performance increases may be withheld from the employee who has not achieved a satisfactory level of performance. Such action must be supported by:
 - 1) A performance record showing less than satisfactory performance. This must be prepared by the appropriate supervisor, discussed with the employee and approved by the agency head prior to the date the increase would otherwise become effective. The performance record will not be invalidated by refusal of an employee to sign. In such cases, an explanatory comment shall be made on the record by the supervisor. This record will be preserved by the agency.
 - 2) Notice of withholding of satisfactory performance increases to the Department of Central Management Services – It shall be reported upon completion of action required by subsection (b)(1), but not later than the submission of the payroll reflecting the denial of the increase.
 - c) Redetermination – A satisfactory performance increase previously withheld shall be granted when the cause for withholding has been eliminated. Redetermination must be made at least annually. In such cases the increases will be effective the first day of the month following date of approval and will be preceded by the preparation and filing of a Performance Record within the agency indicating the attainment of satisfactory level of competence.

SUBTITLE B

- d) Other Pay Increases –
 - 1) Promotion –
 - A) Standard Procedures –
 - i) From Other Than Step 8 – Normally, upon promotion, an employee shall be advanced to the lowest step in the targeted pay grade that represents at least a full step increase in the former pay grade.
 - ii) From Step 8 – The employee shall be paid at the lowest step rate in the targeted pay grade that results in an increase equal to at least the dollar difference between Step 7 and Step 8 in the former pay grade. To compute this, add the dollar difference between Step 7 and Step 8 in the former pay grade to the employee's current rate at Step 8 (then include longevity if the employee is receiving an increased rate based on longevity). Then place the employee on the lowest step in the targeted pay grade that is at least equivalent to that amount. Otherwise, when an employee is promoted from Step 8, the employee shall be paid at the lowest step rate in the targeted pay grade that results in an increase equal to at least 3%. To compute this, add 3% to the employee's current rate at Step 8 (then include longevity if the employee is receiving an increased rate based on longevity). Then place the employee on the lowest step in the targeted pay grade that is at least equivalent to that amount.
 - B) Exception – Any deviation is a special salary adjustment (see subsection (e)).

SUBTITLE B

- 2) Reallocation –
 - A) Standard Procedures –
 - i) From Other Than Step 8 – Normally, upon reallocation, an employee shall be advanced to the lowest step in the targeted pay grade that represents at least a full step increase in the former pay grade.
 - ii) From Step 8 – When an employee is reallocated from Step 8, the employee shall be paid at the lowest step rate in the targeted pay grade that results in an increase equal to at least 3%. To compute this, add 3% to the employee's current rate at Step 8 (then include longevity if the employee is receiving an increased rate based on longevity). Then place the employee on the lowest step in the targeted pay grade that is at least equivalent to that amount. The reallocation shall not change the creditable service date for non-bargaining-unit employees or if the increase is less than one step for the bargaining unit employees.
 - B) Exception – Any deviation is a special salary adjustment (see subsection (e)).
- 3) Reevaluation – If a higher pay grade is assigned to a class, the employee occupying the position in the class shall be advanced to the lowest step in the new grade that represents an increase in pay. If an employee becomes eligible for a satisfactory performance increase as a result of the reevaluation, a one-step increase will be granted immediately. The reevaluation shall not change the creditable service date if the increase is less than one step for the bargaining unit employees.
- 4) Separation and Subsequent Appointment – Upon separation from a position of a given class and appointment within four calendar days to a position in a higher pay grade, an increase shall be given under the conditions and requirements applicable to promotions (see subsection (d)(1)).

SUBTITLE B

- 5) Reclassification – If the class to which the position is being moved has a higher pay grade, the employee's base salary is advanced to the salary in the new pay grade that represents the least increase in pay. If this new salary is less than the difference between Step 7 and Step 8 in the new pay grade and the employee has been paid the base salary in Step 8 of the previous pay grade for longer than one year, the new salary is advanced one step from the salary in the new pay grade representing the least increase.
- e) Adjustment – An employee may receive an upward adjustment in the employee's base salary for the purpose of correcting a previous error, oversight or when the best interest of the agency and the State of Illinois will be served. Adjustments shall have the prior approval of the Director of Central Management Services. An adjustment at the time of entrance into State government shall have supporting documentation in the candidate's CMS employment application (CMS-100). In determining the appropriateness of a request for a salary adjustment by an employing agency, the Director of Central Management Services shall consider whether the need for the adjustment is substantial, whether the action is consistent with the treatment of other similar situations, and whether the action is equitable in view of the particular circumstances prompting the request. The Director of Central Management Services' approval of an adjustment at the time of entrance into State government shall be based on the candidate's documented directly-related education and experience exceeding the minimum requirements in the class specification, prior base salary history, staffing needs and requirements of the employing agency, and labor market influences on the recruitment for the position classification or position. The adjustment shall not change the creditable service date if the increase is less than one step for the bargaining unit employees.

Section 310.90 Decreases in Pay

Employees other than those whose base salaries are determined by the Schedule of Rates (Subpart B) shall have their salaries reduced only as specified below and shall become effective the first day of the pay period following date of approval:

SUBTITLE B

- a) Demotion for Cause to a Lower Class – Upon demotion, the employee's base salary will be reduced to Step 8 of the pay grade for the lower class if the current base salary is in excess thereof, or to the step in the lower pay grade which provides the salary nearest in amount, but less than, the current base salary, except that an employee demoted during a probationary period following promotion will have the employee's salary reduced to the step in the lower pay grade which represents the salary had the employee not been promoted, and the employee's previous creditable service date will be restored.
- b) Position Reallocated to a Lower Class – The employee's base salary will be reduced to Step 8 of the lower pay grade, if in excess thereof, or to the step in the lower pay grade nearest in amount to, but in no case more than, the current base salary. However, as provided in Section 8(a) of the Personnel Code, the pay for an employee whose position is reallocated because of loss of duties and responsibilities after the employee's appointment to such position shall not be required to be lowered to an exact step for a period of one year. Where the base salary is identical to an exact step in the lower range, the employee shall be placed on this step with no further reduction required. An employee's creditable service date will not be affected.
- c) Voluntary Reduction to a Lower Class – Upon the voluntary reduction of an employee to a vacant position in a class having a lower pay grade than the class from which the reduction was made, the employee's base salary will be reduced to Step 8 of the lower pay grade if in excess thereof, or to the step in the lower pay grade which provides the base salary nearest in amount, but less than, the current base salary, except that an employee who voluntarily requests a reduction to a lower class during a probationary period following promotion will have the employee's salary reduced to the step in the pay grade that represents the salary had the employee not been promoted, and the employee's previous creditable service date will be restored.
- d) Assignment of a Lower Pay Grade to a Class – Upon assignment, an employee's base salary will be that step in the new pay grade nearest to, but not greater in amount than, the step being vacated in the former pay grade. The reevaluation shall not change the creditable service date.
- e) Adjustment – An employee may receive a downward adjustment in the employee's base salary for the purpose of correcting a previous error or oversight or when the best interest of the agency and the State of Illinois will be served. Adjustments must have the prior approval of the Director of Central Management Services in writing. In determining the appropriateness of a request for a salary adjustment by an employing agency, the Director of Central Management

SUBTITLE B

Services will consider whether the need for the adjustment is substantial, whether the action is consistent with the treatment of other similar situations, and whether the action is equitable in view of the particular circumstances prompting the request. The adjustment shall not change the creditable service date.

- f) **Reclassification** – If the class to which the position is being moved has a lower pay grade, the employee's base salary will be the salary in the new pay grade nearest to, but not greater than, the employee's former salary. As provided in Section 8(a) of the Personnel Code, the pay for an employee whose position is reclassified shall not be lowered for a period of one year. If the base salary is identical to an exact step in the lower range, the employee shall be placed on this step with no further reduction required. An employee's creditable service date will not be affected.

(Source: Amended at 34 Ill. Reg. 9759, effective July 1, 2010)

Section 310.100 Other Pay Provisions

- a) **Transfer** – Upon the assignment of an employee to a vacant position in a class with the same pay grade as the class for the position being vacated, the employee's base salary will not be changed. Upon separation from a position in a given class and subsequent appointment to a position in the same pay grade, no increase in salary will be given.
- b) **Entrance Base Salary** –
- 1) **Qualifications Only Meet Minimum Requirements** – When a candidate only meets the minimum requirements of the class specification upon entry to State service, an employee's entrance base salary is the in-hiring rate or the minimum base salary of the pay grade.
 - 2) **Qualifications Above Minimum Requirements** – If a candidate possesses directly-related education and experience in excess of the minimum requirements of the class specification, the employing agency may offer the candidate an entrance base salary that is not more than 5% above the candidate's current base salary. Any deviation from the 5% maximum is a special salary adjustment (see Section 310.80(e)).

SUBTITLE B

- 3) Area Differential – For positions where additional compensation is required because of dissimilar economic or other conditions in the geographical area in which the positions are established, a higher entrance step may be authorized by the Director of Central Management Services. Present employees receiving less than the new rate shall be advanced to the new rate.
- c) Geographical Transfer – Upon geographical transfer from or to an area for which additional compensation has been authorized, an employee will receive an adjustment to the appropriate salary level for the new geographical area of assignment effective the first day of the month following date of approval.
- d) Differential and Overtime Pay – An eligible employee may have an amount added to the employee’s base salary for a given pay period for work performed in excess of the normal requirements for the position and work schedule, as follows:
 - 1) Shift Differential Pay –
 - A) When Contract Contains No Provision – An employee may be paid an amount in addition to the employee’s base salary for work performed on a regularly scheduled second or third shift. The additional compensation will be at a rate and in a manner approved by the Department of Central Management Services. The Director of Central Management Services will approve the manner and rate of this provision after considering the need of the employing agency, the treatment of other similar situations, prevailing practices of other employers, and the equity of the particular circumstances.
 - B) When Represented by AFSCME – Employees shall be paid a shift differential of 80 cents per hour in addition to the base salary rate for all hours worked if the normal work schedule for that day provides that the employee is scheduled to work and the employee works half or more of such work hours before 7 a.m. or after 3 p.m. Such payment shall be for all paid time.

SUBTITLE B

- 2) Overtime Pay –
 - A) Eligibility – The Director of Central Management Services will maintain a list of titles and their overtime eligibility as determined by labor contracts, Federal Fair Labor Standards Act, or State law or regulations. Overtime shall be paid in accordance with the labor contracts, Federal Fair Labor Standards Act, and State law or regulations.
 - B) Compensatory Time –
 - (1) When Contract Contains No Provision – Employees who are eligible for compensatory time may request such time, which may be granted by the agency at its discretion, considering, among other things, its operating needs. Compensatory time shall be taken within the fiscal year it was earned at a time convenient to the employee and consistent with the operating needs of the agency. Compensatory time shall be accrued at the rate in which it is earned (straight time or time and a half), but shall not exceed 120 hours in any fiscal year. Compensatory time approved for non-union employees will be earned after 40 actual work hours in a workweek. Compensatory time not used by the end of the fiscal year in which it was earned shall be liquidated and paid in cash at the rate it was earned. Time spent in travel outside the normal work schedule shall not be accrued as compensatory time except as provided by labor contracts and the Federal Fair Labor Standards Act. At no time are overtime hours or compensatory time to be transferred from one agency to another agency.

SUBTITLE B

- (2) When Represented by AFSCME (excludes CU-500) – If evidence demonstrates that circumstances prevented an employee from receiving a rest period or resulted in a rest period being interrupted, and no alternative time is authorized, the employee shall be entitled to compensatory time. For employees represented by RC-006, RC-009, RC-014, RC-028 and RC-042 bargaining units, accrued compensatory time not used by the end of the fiscal year in which it was earned shall be liquidated and paid in cash at the rate it was earned. Notwithstanding the above, employees who schedule compensatory time off by June 1st of the fiscal year shall be allowed to use such time through August 1st of the following fiscal year. Employees who earn compensatory time after June 1st shall be allowed to use such compensatory time through August 15th of the subsequent fiscal year.
- 3) Incentive Pay – An employee may be paid an amount in addition to the employee’s base salary for work performed in excess of the normal work standard as determined by agency management. The additional compensation shall be at a wage rate and in a manner approved by the Director of Central Management Services. The Director of Central Management Services will approve the manner and rate of this provision after considering the need of the employing agency, the treatment of other similar situations, prevailing practices of other employers, and the equity of the particular circumstances.
- 4) Temporary Assignment Pay –
 - A) When Assigned to a Higher-Level Position Classification –
 - (1) When Contract Contains No Provision – A bargaining unit employee may be temporarily assigned to a bargaining unit position in a position classification having a higher pay grade and shall be eligible for temporary assignment pay. To be eligible for temporary assignment pay, the employee must be directed to perform the duties that distinguish the higher-level position classification and be held accountable for the responsibility of the higher classification. Employees shall not receive temporary assignment pay for paid days off except if the employee is given the assignment for 30 continuous days or more, the days off

SUBTITLE B

fall within the period of time and the employee works 75% of the time of the temporary assignment. Temporary assignment pay shall be calculated as if the employee received a promotion (see Section 310.80(d)(1)) into the higher pay grade. In no event is the temporary assignment pay to be lower than the minimum rate of the higher pay grade or greater than the maximum rate of the higher pay grade.

- (2) When Represented by AFSCME (excludes CU-500) – If the employee who has been temporarily assigned is selected for the posted vacancy, the employee shall have his/her creditable service date adjusted to reflect the first date on which the employee was temporarily assigned without interruption. The uninterrupted time in a temporary assignment shall be credited in determining semi-automatic promotions, if the employee successfully performed the duty or duties which distinguish the position to which the employee has been temporarily assigned. When an employee in a position allocated to the Public Service Administrator title represented by an AFSCME (excludes CU-500) bargaining unit is temporarily assigned to a non-bargaining unit position, the time frames shall not exceed nine (9) months, unless mutually agreed otherwise. For other titles, the time limits for temporarily filling a position classification are in terms of work days or calendar months. The time limit herein may be extended by mutual agreement of the parties. The time limits are: While the Employer posts and fills a job vacancy for a period of sixty (60) days from the date of posting; While an absent regular incumbent is utilizing sick leave, or accumulated time (vacation, holidays, personal days); Up to thirty (30) work days in a six (6) calendar month period while a regular incumbent is on disciplinary suspension or layoff; While a regular incumbent is attending required training classes; Up to six (6) months while a regular incumbent is on any illness or injury, Union or jury leave of absence. Extension shall not be unreasonably denied; and Up to sixty (60) work days in a twelve (12) month period for other leaves, or where there is temporary change in work load, or other reasonable work related circumstances. Extension shall not be unreasonably denied.

SUBTITLE B

- B) When Required to Use Second Language Ability – Employees who are bilingual or have the ability to use sign language, Braille, or another second language (e.g., Spanish) and whose job descriptions do not require that they do so shall be paid temporary assignment pay when required to perform duties requiring the ability. The temporary assignment pay received is prorated based on 5% or \$100 per month, whichever is greater, in addition to the employee's base rate.
- 5) Travel for Required Training – When an employee is in a position represented by an AFSCME (excludes CU-500) bargaining unit, overtime shall be paid to the employee required to travel for training, orientation, or professional development when travel is in excess of the employee's normal commute and outside the employee's normal work hours. Where current practice exists, the employee who is paid overtime for travel during the employee's normal commute time outside normal work time, the practice shall continue.
- e) Out-of-State Assignment – Employees who are assigned to work out-of-state on a temporary basis may receive an appropriate differential during the period of the assignment, as approved by the Director of Central Management Services. The Director of Central Management Services will approve the manner and rate of this provision after considering the need of the employing agency, the treatment of other similar situations, prevailing practices of other employers, and the equity of the particular circumstances.
- f) Equivalent Earned Time –
 - 1) Employees in Positions Represented by the VR-704 Bargaining Unit –
 - A) Eligibility – Employees who are represented by the VR-704 bargaining unit may receive equivalent earned time for hours worked in excess of the hours per week indicated in the approved work schedule (80 Ill. Adm. Code 303.300) assigned to the employee.

SUBTITLE B

- B) Accrual –
 - i) Employees who are eligible for equivalent earned time shall request that time before working in excess of the hours per week indicated in the approved work schedule (80 Ill. Adm. Code 303.300) assigned to the employee. Requests for equivalent earned time may be granted by the agency at its discretion, considering its operating needs. Equivalent earned time shall be accrued at straight time only to a maximum of 160 hours at any time.
 - ii) Equivalent earned time will accrue in no less than one-quarter hour increments. Time spent in travel outside the normal work schedule shall not be counted toward accrual of equivalent earned time.
 - C) Compensation – Any approved equivalent earned time shall be taken at a time convenient to the employee and consistent with the operating needs of the agency. The equivalent earned time may be taken in increments of not less than one-quarter hour after a minimum use of one-half hour any time after it is earned. At no time is equivalent earned time to be converted into cash payment or transferred from one agency to another agency.
- 2) Employees in Positions Represented by an American Federation of State, County and Municipal Employees Bargaining Unit – Employees shall retain their equivalent earned time upon their positions' representation by an American Federation of State, County and Municipal Employees bargaining unit. The use of the equivalent earned time is approved by supervisors, prior to other benefit time excluding sick and personal business leave, in increments of fifteen minutes after the initial use of one-half hour, and granted under the same criteria as vacation time. Employees may substitute equivalent earned time for sick leave in accordance to sick leave policies and procedures.
- g) Part-Time Work – Part-time employees whose base salary is other than an hourly or daily basis shall be paid on a daily basis computed by dividing the annual rate of salary by the total number of work days in the year.

SUBTITLE B

- h) Lump Sum Payment – Lump sum payment shall be provided for accrued vacation, sick leave and unused compensatory overtime at the current base rate to those employees separated from employment under the Personnel Code. Leaves of absence and temporary layoff (per 80 Ill. Adm. Code 302.510) are not separations and therefore lump sum cannot be given in these transactions. Method of computation is explained in Section 310.70(a).

AGENCY NOTE – The method to be used in computing the lump sum payment for accrued vacation, sick leave and unused compensatory overtime payment for an incumbent entitled to shift differential during the employee's regular work hours will be to use the employee's current base salary plus the shift differential pay. Sick leave earned prior to January 1, 1984 and after December 31, 1997 is not compensable. Sick leave earned and not used between January 1, 1984 and December 31, 1997 will be compensable at the current base daily rate times one-half of the total number of compensable sick days.

- i) Salary Treatment Upon Return From Leave –
- 1) An employee returning from Military Leave (80 Ill. Adm. Code 302.220 and 303.170), Peace Corps Leave (80 Ill. Adm. Code 302.230), Service-Connected Disability Leave (80 Ill. Adm. Code 303.135), Educational Leave (80 Ill. Adm. Code 302.215), Disaster Service Leave with Pay (80 Ill. Adm. Code 303.175), Family Responsibility Leave (80 Ill. Adm. Code 303.148), Leave to accept a temporary, emergency, provisional, exempt (80 Ill. Adm. Code 303.155) or trainee position, Leave to serve in domestic peace or job corps (80 Ill. Adm. Code 302.230) or leave to serve in an interim assignment will be placed on the step that reflects satisfactory performance increases to which the employee would have been entitled during the employee's period of leave. Creditable service date will be maintained.
 - 2) An employee returning to the employee's former pay grade from any other leave (not mentioned in subsection (j)(1)) of over 14 days will be placed at the step on which the employee was situated prior to the employee's leave, and the employee's creditable service date will be extended by the duration of the leave.

SUBTITLE B

- j) Salary Treatment Upon Reemployment –
- 1) Upon the reemployment of an employee in a class with the same pay grade as the class for the position held before layoff, the employee will be placed at the same salary step as held at the time of the layoff, and the employee's creditable service date will be adjusted to reflect that time on layoff does not count as creditable service time.
 - 2) Upon the reemployment of an employee in a class at a lower salary range than the range of the class for the position held before layoff, the employee will be placed at the step in the lower pay grade that provides the base salary nearest in amount to, but less than, the current value of the step held at the time of layoff, and the employee's creditable service date will be adjusted to reflect that time on layoff does not count as creditable service time.
- k) Reinstatement – The salary upon reinstatement should not provide more than a 5% increase over the candidate's current base salary or exceed the current value of the salary step held in the position where previously certified without prior approval by the Director of Central Management Services. In no event is the resulting salary to be lower than the minimum rate or higher than the maximum rate of the pay grade. Any deviation from the 5% maximum, except when the resulting salary is the minimum rate of the pay grade, is a special salary adjustment (see Section 310.80(e)).
- l) Extended Service Payment –
- 1) The Step 8 rate shall be increased by \$25 per month for those employees who have attained 10 years of service and have three years of creditable service on Step 8 in the same pay grade.
 - 2) The Step 8 rate shall be increased by \$50 per month for those employees who have attained 15 years of service and have three years of creditable service on Step 8 in the same pay grade.
- m) Bilingual Pay – Individual positions whose job descriptions require the use of sign language, Braille, or another second language (e.g., Spanish) shall receive 5% or \$100 per month, whichever is greater, in addition to the employee's base rate.

SUBTITLE B

- n) Maximum Security Rates – An employee represented by an AFSCME (excludes CU-500) bargaining unit with seven or more years of continuous service with the Departments of Corrections and Juvenile Justice who is currently employed at Department of Corrections or Juvenile Justice maximum security institution shall be placed on the maximum security schedule as long as they remain an employee at a maximum security facility. Maximum Security rates are denoted by Pay Plan Codes P and S (defined in 310.50).

If through negotiation of a classification assignment to a pay grade where the base salary exceeds Step 8, the base salary shall be red-circled at its current rate and may receive contractual adjustments.

Section 310.280 Designated Rate**EMERGENCY**

- a) Requirements – The rate of pay for a specific position or class of positions excluded from the other requirements of this Pay Plan shall be only as designated by the Governor. A designated rate is the fixed rate of pay assigned usually to one position within a position classification. The fixed rate is above the maximum of the salary range assigned to the position classification. The fixed rate is the value the employing agency determines for the uniquely combined position and employee or the candidate recruited to be the employee. A designated rate may be assigned to a position classification and, therefore, all positions within the position classification. The establishment of or change to a designated rate requires a request from the head of the employing agency to the Director of Central Management Services.
- b) Request from the Head of the Employing Agency – The request from the employing agency head shall explain the unique nature of the employee's education and experience combined with the position's scope, responsibility, and reporting that warrant the requested designated rate, how the requested designated rate was determined, and the requested effective date. The employing agency shall attach to the request the current position description (CMS-104) and the candidate's or employee's current State employment or promotional employment application (CMS-100 or CMS-100B).

SUBTITLE B

- c) Review and Approval – The Director of Central Management Services shall review the requested designated rate by comparing the value given to other positions and employees in the employing agency, the State, and other states when available. Following the review, the Director of Central Management Services shall seek the Governor's approval for the designated rate and its effective date.
- d) Employee Payment – When the rate is approved, this Section shall be amended to include the approved designated rate. Once amended, the employing agency shall pay the employee the designated rate retroactively to the effective date approved by the Governor.

Adm. Code 302.150(b)), Temporary (80 Ill. Adm. Code 302.150(c)) or Provisional (80 Ill. Adm. Code 302.150(d)) basis, a merit compensation salary range to be used for the position shall be assigned to the title as approved by the Director of Central Management Services. The approval of the merit compensation salary range assignment shall be after comparing the highest maximum base salary within the bargaining unit pay grade assigned the title with the maximum base salary in the merit compensation salary range that is not more than the highest maximum base salary within the bargaining unit pay grade and after considering the merit compensation salary ranges assigned to other titles in the same classification series and the merit compensation salary ranges assigned to other titles assigned the same bargaining unit pay grade. The titles and their merit compensation salary range assignments from the previous and anticipated fiscal years shall be listed in the Section 310.410 proposed amendments to the Pay Plan for adoption at the beginning of each fiscal year.
- b) Trainee Program Titles – When a classification is established as a Trainee Program (80 Ill. Adm. Code 302.170), the merit compensation salary range assigned to the Trainee Program title shall be approved by the Director of Central Management Services. The approval shall be based on the recommendation of the agency head where the Trainee Program is established, comparison of the salary ranges assigned to other Trainee Program titles, and the maximum base salary in the recommended merit compensation salary range normally being less than the in-hiring rate or the minimum base salary of the targeted classification title for which training is being conducted.
- c) Positions excluded from bargaining unit representation by the Illinois Labor Relations Board – When a position is allocated to a title only assigned to a bargaining unit pay grade and the agency or the position is excluded from bargaining unit representation by the Illinois Labor Relations Board, a merit compensation salary range to be used for the position shall be assigned to the title as approved by the Director of Central Management Services. The approval of the merit compensation salary range assignment shall be made using the provisions in subsection (a) if the title is not a Trainee Program title or subsection (b) if the title is a Trainee Program title.

The creditable service date of an employee will not be changed due to the reevaluation of the class the employee occupies, unless an increase of 10% or greater is provided to move the employee to the minimum salary of the new range. The reevaluation shall not change the creditable service date.

SUBTITLE B

Section 310.470 Adjustment

An employee may receive an upward adjustment in base salary for the purpose of correcting a previous error or oversight or, when the best interests of the agency and the State of Illinois will be served. Adjustments shall have the prior approval of the Director of Central Management Services. An adjustment at the time of entrance into State government requires supporting documentation in the candidate's CMS employment application (CMS-100). An adjustment at the time substantial additional duties and responsibilities are added to a position allocated to a broad-band title requires that the substantial additional duties and responsibilities be documented on an updated position description (CMS-104) and reflected on the organization chart. In determining the appropriateness of a request for a salary adjustment by an employing agency, the Director of Central Management Services will consider whether the need for the adjustment is substantial, whether the action is consistent with the treatment of other similar situations, and whether the action is equitable in view of the particular circumstances prompting the request. The approval of an adjustment at the time of entrance into State government is based on the candidate's documented directly-related education and experience exceeding the minimum requirements in the class specification, prior base salary history, staffing needs and requirements of the employing agency, and labor market influences on the recruitment for the position classification or position. The adjustment shall not change the creditable service date.

Section 310.480 Decreases in Pay

Employees subject to this Part shall have their salaries reduced only as specified below. Any reduction in salary shall become effective on the first day of the month following approval of the reduction.

- a) Demotion for Cause to a Lower Class – If the employee's current base salary is within the lower salary range, it shall be retained without change, but shall be reduced to the maximum of the lower salary range if in excess thereof. An employee demoted during a probationary period following promotion will have the base salary reduced to the same salary the employee received before being promoted and the previous creditable service date will be restored.
- b) Position Reallocated to a Lower Class – If the employee's current base salary is within the lower salary range, it shall be retained without change, but shall be reduced to the maximum of the lower salary range if it excess thereof. However, as provided in Section 8(a) of the Personnel Code, the pay of an employee whose position is reallocated because of duties and responsibilities after appointment to such position shall not be required to be lowered to a salary within the range for a period of one year. The reallocation shall not change the creditable service date.

SUBTITLE B

- c) Voluntary Reduction to a Lower Class – If the employee's current base salary is within the lower salary range, it shall be retained without change, but shall be reduced to the maximum of the lower salary range if in excess thereof. However, an employee who voluntarily requests a reduction during a probationary period following a promotion will have the base salary reduced to the same salary in the lower salary range from which the employee was promoted and the previous creditable service date will be restored.
- d) Assignment of a Lower Salary Range to a Class – If the employee's current base salary is within the lower salary range, it shall be retained without change, but shall be reduced to the maximum of the lower salary range if in excess thereof. The reevaluation shall not change the creditable service date.
- e) Adjustment – An employee may receive a downward adjustment in base salary for the purpose of correcting a previous error or oversight or when the best interest of the agency or the State of Illinois will be served. Adjustments must have the prior approval of the Director of Central Management Services in writing. In determining the appropriateness of a request for a salary adjustment by an employing agency, the Director of Central Management Services will consider whether the need for the adjustment is substantial, whether the action is consistent with the treatment of other similar situations, and whether the action is equitable in view of the particular circumstances prompting the request. The adjustment shall not change the creditable service date.
- f) Reclassification – If the employee's current base salary is within the lower salary range, it shall be retained without change. If the employee's current base salary is higher than the maximum of the lower salary range, the base salary shall be reduced to the maximum of the lower salary range. As provided in Section 8(a) of the Personnel Code, the base salary shall not be lowered to a salary within the range for a period of one year.

Section 310.490 Other Pay Provisions

- a) Transfer – Upon assignment of an employee to a vacant position in a class with the same salary range as the class for the position being vacated, the employee's base salary will not be changed. Upon separation and subsequent appointment to a position in the same salary range, no increase in salary will be given.

SUBTITLE B

- b) Entrance Base Salary –
- 1) When a candidate only meets the minimum requirements of the class specification upon entry to State service, an employee's entrance base salary is the in-hiring rate or the minimum base salary of the salary range.
 - 2) Qualifications Above Minimum Requirements – If a candidate possesses directly-related education and experience in excess of the minimum requirements of the class specification, the employing agency may offer the candidate an entrance base salary that is not more than 5% above the candidate's current base salary. Any deviation from the 5% maximum is a special salary adjustment (see Section 310.470).
 - 3) Area Differential – For positions where additional compensation is required because of dissimilar economic or other conditions in the geographical area in which the positions are established, a higher entrance salary may be authorized by the Director of Central Management Services. Present employees receiving less than the new rate of pay shall be advanced to the new rate.
- c) Geographical Transfer – Upon geographical transfer from or to an area for which additional compensation has been authorized, an employee will receive an adjustment to the appropriate salary level for the new geographical area of assignment, effective the first day of the month following the date of assignment.
- d) Differential and Overtime Pay – An eligible employee may have an amount added to the base salary for a given pay period for work performed in excess of the normal requirements for the position and work schedule, as follows:
- 1) Shift Differential Pay – An employee may be paid an amount in addition to the base salary for work performed on a regularly scheduled second or third shift. The additional compensation will be at a rate and in a manner approved by the Director of Central Management Services. The Director of Central Management Services will approve the manner and rate of this provision after considering the need of the employing agency, the treatment of other similar situations, prevailing practices of other employers, and the equity of the particular circumstances.

SUBTITLE B

- 2) Overtime Pay –
- A) Eligibility – The Director of Central Management Services shall maintain a listing of classes of positions subject to the provisions of the Merit Compensation System that are eligible for overtime compensation. Classes in salary ranges MS-23 and below are eligible for straight-time overtime unless exceptions are determined by the Director of Central Management Services or federal guidelines. Employees in these classes of positions who are assigned and perform work in excess of the normal work schedule as established by the agency shall be compensated at a straight-time rate on either a cash or compensatory time-off basis for all hours worked in excess of a normal work week. Overtime in less than one-half hour increments per day shall not be accrued. Classes in MS-24 and above are not eligible for overtime unless required by federal regulation or approved by the Director of Central Management Services. Exceptions must be requested by the employing agency and will be determined on the basis of the special nature of the situation, a substantial need to provide overtime compensation and a significant number of hours worked beyond the normal work schedule, and will be granted only for a specified time period for which the special situation is expected to exist.
- B) Compensatory Time – Employees who are eligible for compensatory time may request such time, which may be granted by the agency at its discretion, considering, among other things, its operating needs. Compensatory time shall be taken within the fiscal year it was earned at a time convenient to the employee and consistent with the operating needs of the agency. Compensatory time shall be accrued at the rate in which it is earned (straight time or time and a half), but shall not exceed 120 hours in any fiscal year. Compensatory time approved for non-union employees will be earned after 40 actual work hours in a workweek. Compensatory time not used by the end of the fiscal year in which it was earned shall be liquidated and paid in cash at the rate it was earned. Time spent in travel outside the normal work schedule shall not be accrued as compensatory time except as provided by labor contracts and the Federal Fair Labor Standards Act. At no time are overtime hours or compensatory time to be transferred from one agency to another agency.

SUBTITLE B

- e) Equivalent Earned Time –
- 1) Eligibility – Employees who are non-union or represented by the VR-704 bargaining unit, exempt under the Federal Fair Labor Standards Act, and in positions not eligible for overtime compensation may receive equivalent earned time for hours worked in excess of the hours per week indicated in the approved work schedule (80 Ill. Adm. Code 303.300) assigned to the employee.
 - 2) Accrual –
 - A) Employees who are eligible for equivalent earned time shall request that time before working in excess of the hours per week indicated in the approved work schedule (80 Ill. Adm. Code 303.300) assigned to the employee. Requests for equivalent earned time may be granted by the agency at its discretion, considering its operating needs. Equivalent earned time shall be accrued at straight time only to a maximum of 160 hours at any time.
 - B) Equivalent earned time will accrue in no less than one-quarter hour increments. Time spent in travel outside the normal work schedule shall not be counted toward accrual of equivalent earned time.
 - 3) Compensation – Any approved equivalent earned time shall be taken at a time convenient to the employee and consistent with the operating needs of the agency. The equivalent earned time may be taken in increments of not less than one-quarter hour after a minimum use of one-half hour any time after it is earned. At no time is equivalent earned time to be converted into cash payment or transferred from one agency to another agency.
 - 4) Employees in Positions Represented by an American Federation of State, County and Municipal Employees Bargaining Unit – Employees shall retain their equivalent earned time upon their positions' representation by an American Federation of State, County and Municipal Employees bargaining unit. The use of the equivalent earned time is approved by supervisors, prior to other benefit time excluding sick and personal business leave, in increments of fifteen minutes after the initial use of one-half hour, and granted under the same criteria as vacation time. Employees may substitute equivalent earned time for sick leave in accordance to sick leave policies and procedures.

SUBTITLE B

- f) Part-Time Work – Part-time employees whose base salary is other than an hourly or daily basis shall be paid on a daily rate basis computed by dividing the annual rate of salary by the total number of work days in the year.
- g) Out-of-State Assignment – Employees who are assigned to work out-of-state on a temporary basis may receive an appropriate differential during the period of the assignment, as approved by the Director of Central Management Services. The Director of Central Management Services will approve the manner and rate of this provision after considering the need of the employing agency, the treatment of other similar situations, prevailing practices of other employers, and the equity of the particular circumstance.
- h) Lump Sum Payment – Lump sum payment shall be provided for accrued vacation, sick leave and unused compensatory overtime at the current base rate to those employees separated from employment under the Personnel Code. Leaves of absence and temporary layoff (per 80 Ill. Adm. Code 302.510) are not separations and therefore lump sum payments cannot be given in these transactions. Methods of computation are explained in Section 310.520(a).

AGENCY NOTE: The method to be used in computing lump sum payment for accrued vacation, sick leave and unused compensatory overtime for an incumbent entitled to shift differential during the regular work hours will be to use the current base salary plus the shift differential pay. Sick leave earned prior to January 1, 1984 and after December 31, 1997 is not compensable. Sick leave earned and not used between January 1, 1984 and December 31, 1997 will be compensable at the current base daily rate times one-half of the total number of compensable sick days.

SUBTITLE B

- i) Salary Treatment upon Return from Leave –

However, in no event is the resulting salary to be lower than the minimum rate or higher than the maximum rate of the salary range. Creditable service date will be maintained.
 - 2) An employee returning to the employee's former salary range from any other leave (not mentioned in subsection (i)(1)) of over 14 days will be placed at the salary which the employee received prior to the leave and the creditable service date will be extended by the duration of the leave.
- j) Employees in classes that are made subject to the Merit Compensation System will retain their current salary, except that in no event is the resultant salary to be lower than the minimum rate or higher than the maximum rate of the new salary range.
- k) Temporary Assignment Pay –
 - 1) When Required to Use Second Language Ability – Employees who are bilingual or have the ability to use sign language, Braille, or another second language (e.g., Spanish) and whose job descriptions do not require that they do so shall be paid temporary assignment pay when required to perform duties requiring the ability. The temporary assignment pay received is prorated based on 5% or \$100 per month, whichever is greater, in addition to the employee's base rate.

SUBTITLE B

- l) Salary Treatment Upon Reemployment –
 - 1) Upon the reemployment of an employee in a class with the same salary range as the class for the position held before layoff, the employee will be placed at the same salary as held at the time of the layoff, and his creditable service date will be adjusted to reflect that time on layoff does not count as creditable service time.
 - 2) Upon the reemployment of an employee in a class at a lower salary range than the range of the class for the position held before layoff, the employee will be placed at the same salary as held at the time of layoff, except that if this exceeds the maximum of the new range, the employee will be placed at that maximum salary. The creditable service date will be adjusted to reflect that time on layoff does not count as creditable service time.
 - m) Reinstatement – The salary upon reinstatement should not provide more than a 5% increase over the candidate's current base salary or exceed the salary rate held in the position where previously certified without prior approval of the Director of Central Management Services. In no event is the resulting salary to be lower than the minimum rate or higher than the maximum rate of the salary range. Any deviation from the 5% maximum, except when the resulting salary is the minimum rate of the salary range, is a special salary adjustment (see Section 310.470).
 - n) Bilingual Pay – Individual positions whose job descriptions require the use of sign language, Braille, or another second language (e.g., Spanish) shall receive 5% or \$100 per month, whichever is greater, in addition to the employee's base rate.

SUBTITLE B

- o) Clothing or Equipment Allowance – An employee may be paid an amount in addition to the employee’s base salary to compensate for clothing or equipment that is required in the performance of assigned duties. The amount will be determined by the Director of the employing agency, and will require approval of the Director of Central Management Services. The Director of Central Management Services will approve the manner and rate of this provision after considering the need of the employing agency, the treatment of other similar situations, prevailing practices of other employers, and the equity of the particular circumstance.
- p) Interim Assignment Pay – This subsection of the Pay Plan explains interim assignment pay as applied to certified non-bargaining unit employees in a merit compensation (including broad-band) position assigned to perform on a full-time interim basis and be accountable for the higher-level duties and responsibilities of the non-bargaining unit (merit compensation, including broad-band) position. On the effective date of the employee’s interim assignment (80 Ill. Adm. Code 302.150(j)), the employee shall receive an adjustment as if the employee received a promotion into the higher range. When assigned to the merit compensation position, the adjustment is an amount not more than 5% of the employee’s current base salary. In no event is the resulting salary to be lower than the minimum rate or greater than the maximum rate of the salary range to which the employee is being assigned. Upon interim assignment, the employee’s creditable service date shall not change. Any deviation from the 5% maximum, except when the resulting salary is the minimum rate of the salary range, is a special salary adjustment (see Section 310.470).
- q) International Differential Pay – For positions with a headquarters outside of the United States, a differential shall be made once a month to the base salary of the employee residing outside the United States to compensate for a change in the currency exchange rate.

- c) Salary Adjustment for Substantial Additional Duties and Responsibilities within the Same Position or for Transfer to Another Position with Substantial Additional Duties and Responsibilities in the Same Title – An upward salary adjustment that is not more than 5% above the employee's current base salary in a broad-band position classification may be made by the employing agency where the employee's position has been given substantial additional duties and responsibilities but will remain in the same classification or where the employee transfers to another position with substantial additional duties and responsibilities in the same broad-band class. Any deviation from the 5% maximum is a special salary adjustment (see Section 310.470). The salary adjustment shall not change the creditable service date.

SUBTITLE B

Section 310.510 Conversion of Base Salary to Pay Period Units (Repealed)

(Source: Repealed at 26 Ill. Reg. 17374, effective November 25, 2002)

Section 310.520 Conversion of Base Salary to Daily or Hourly Equivalents

For purposes of determining the hourly or daily equivalent of a base salary, the following methods of computation shall apply:

- a) Payment for Vacation and Overtime Credits -- A daily (hourly) equivalent shall be determined by converting the base salary to an annual salary and dividing the result by the number of days (hours) usually worked in a year, according to the agency's normal work schedule as filed with the Department of Central Management Services.
- b) Payment for Fractional Part of a Specific Pay Period -- In those instances in which an employee is to be compensated at a rate that represents a number of work days (hours) that is less than the actual number of work days (hours) in the pay period, the formula to be used is: monthly rate divided by two equals pay period rate; pay period rate divided by days (hours) scheduled equals daily (hourly) rate; daily (hourly) rate multiplied by days (hours) worked equals gross amount earned.
- c) Part-Time Work -- Part-time employees whose base salary is other than an hourly or daily basis shall be paid on a daily rate basis which will be computed from annual rates of salary and the total number of work days in the year.

NOTE: Effective July 1, 2013, the Step 8 rate shall be increased by \$25.00 per month to \$75.00 a month for those employees who attain ten (10) years of continuous service and have three (3) or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2013. For those employees who attain fifteen (15) years of continuous service and have three (3) or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2013, the Step 8 rate shall be increased by \$25.00 per month to \$100.00 a month. Employees whose salaries are red-circled above the maximum Step rate continue to receive all applicable general increases and any other adjustments (except the longevity pay) provided for in the Agreement. For these employees, the longevity pay shall be limited to the amount that would increase the employee's salary to the amount that is equal to that of an employee on the maximum Step rate with the same number of years of continuous and creditable service. Employees receiving the longevity pay shall continue to receive the longevity pay as long as they remain in the same or successor classification as a result of a reclassification or reevaluation. Employees who are eligible for the increase provided for longevity pay on or before January 1, 2002, shall continue to receive longevity pay after being placed on Step 8 while they remain in the same or lower pay grade.

SUBTITLE B

NOTE: The positions allocated to the Public Service Administrator title that are assigned to a negotiated RC-062 pay grade have the following Options: 2; 6; 7; 8B; 8C; 8F; 8Y; 8Z; 9A; and 9B. The positions allocated to the Senior Public Service Administrator title that are assigned to a negotiated RC-062 pay grade have the Option 7. See the definition of option in Section 310.50.

Effective July 1, 2013, the Step 8 rate shall be increased by \$25.00 per month to \$75.00 a month for those employees who attain ten (10) years of continuous service and have three (3) or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2013. For those employees who attain fifteen (15) years of continuous service and have three (3) or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2013, the Step 8 rate shall be increased by \$25.00 per month to \$100.00 a month. Employees whose salaries are red-circled above the maximum Step rate continue to receive all applicable general increases and any other adjustments (except the longevity pay) provided for in the Agreement. For these employees, the longevity pay shall be limited to the amount that would increase the employee's salary to the amount that is equal to that of an employee on the maximum Step rate with the same number of years of continuous and creditable service. Employees receiving the longevity pay shall continue to receive the longevity pay as long as they remain in the same or successor classification as a result of a reclassification or reevaluation. Employees who are eligible for the increase provided for longevity pay on or before January 1, 2002, shall continue to receive longevity pay after being placed on Step 8 while they remain in the same or lower pay grade.

For the Revenue Tax Specialist II position classification title only – The pay grade assigned to the employee is based on the location of the position and the residence held by the employee. In the same position classification, the employee holding a position and residence outside the boundaries of the State of Illinois is assigned to a different pay grade than the pay grade assigned to the employee holding a position within the boundaries of the State of Illinois. The pay grade assigned to the employee holding a position located within the boundaries of the State of Illinois is the pay grade with the (IL) indication next to the position classification. The pay grade assigned to the employee holding the position located outside the boundaries of the State of Illinois is determined by the location of the employee's residence or position location (e.g., IL, CA or NJ or a state other than IL, CA or NJ). If the employee's residence moves to another state while the employee is in the same position located outside the boundaries of the State of Illinois, or moves into another position located outside the boundaries of the State of Illinois in the same position classification, the base salary may change depending on the location of the employee's new residence. In all cases, change in base salary shall be on a step for step basis (e.g., if the original base salary was on Step 5 in one pay grade, the new base salary will also be on Step 5 of the newly appropriate pay grade).

For those employees who attain fifteen (15) years of continuous service and have three (3) or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2013, the Step 8 rate shall be increased by \$25.00 per month to \$100.00 a month. Employees whose salaries are red-circled above the maximum Step rate continue to receive all applicable general increases and any other adjustments (except the longevity pay) provided for in the Agreement. For these employees, the longevity pay shall be limited to the amount that would increase the employee's salary to the amount that is equal to that of an employee on the maximum Step rate with the same number of years of continuous and creditable service.
