### Investment Information

#### Investment Objective & Strategy

To achieve its objective, the Fund employs a replication technique which generally seeks to hold each index constituent in its proportional index weight. The Fund may make limited use of futures and/or options for the purpose of maintaining equity exposure. This Fund may not participate in securities lending.

<i>Issuer</i>	Northern Trust

#### Category Description: Mid-Cap Blend

The typical mid-cap blend fund invests in stocks of various sizes and mixed characteristics, giving it a middle-of-the-road profile. Most shy away from high-priced growth stocks, but aren't so price-conscious that they land in value territory.

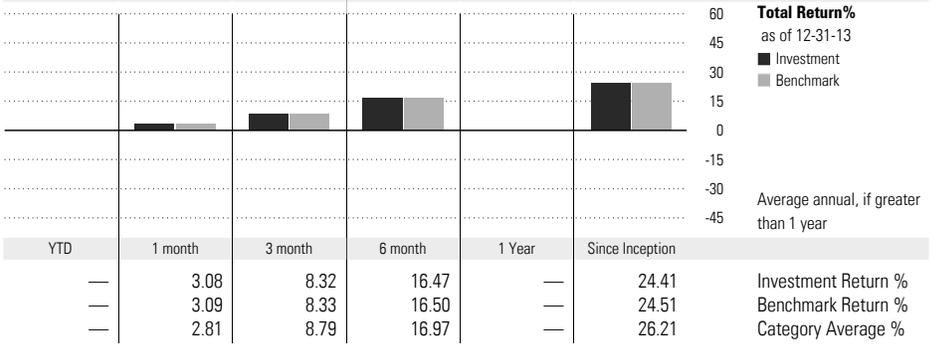

### Volatility and Risk

### Performance as of 12-31-13

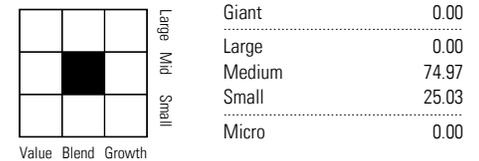

The performance data quoted reflects past performance. Past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower than the performance data quoted. For the most recent month end performance information, please call 1-800-922-9945, or visit rps.troweprice.com.
