LOCAL GOVERNMENT HEALTH PLAN AMENDMENT – 01/08/2013

The following amends the Benefits Handbook:

1. On pages 26 and 27, 'Request Requirements' and 'Submit Documentation to' in the 'Mail Order Prescriptions' section were deleted as they were erroneously placed on this page.
2. On page 28 in the 'Local Care Health Plan (LCHP) – Authorization for Behavioral Health Services' section, language was updated to reflect that the behavioral health plan administrator has removed the need for prior authorization of most outpatient services for persons enrolled in the Local Care Health Plan (LCHP).
3. On page 30 in the 'Provider Payment' section, the sentence, "When using an out-of-network dentist, insurance payments will be sent directly to the member" was replaced with "Out-of-network dentists can elect to accept assignment from the plan or may require other payment terms."

This clarification is due to SB 3240 that allows LGHP members and their covered dependents to assign their health and dental benefits to out-of-network providers, if the provider accepts assignment. Assignment is the member permitting payment to be made directly to the provider from the appropriate plan administrator. This law is applicable to persons covered under the Local Care Health Plan (LCHP) and the Local Care Dental Plan (LCDP).
