**Benefit Frequency** means the period of time in which a benefit is payable.

**Comprehensive Eye Examination** means a comprehensive ophthalmological service as defined in the Current Procedural Technology (CPT) and the Documentation Guidelines listed under "Eyes-examination items". Comprehensive ophthalmological service describes a general evaluation of the complete visual system. The comprehensive services constitute a single service entity but need not be performed at one session. The service includes history, general medical observation, external and ophthalmoscopic examinations, gross visual fields and basic sensorimotor examination. It often includes, as indicated by examination, biomicroscopy, examination with cycloplegia or mydriasis and tonometry. It always includes initiation of diagnostic and treatment programs.

4. each unmarried child at least 19 years of age: who is primarily dependent upon the Insured for support and maintenance because the child is incapable of self-sustaining employment by reason of mental incapacity or physical handicap; who was so incapacitated and is an Insured Person under the Policy on his or her 19th birthday; and who has been continuously so incapacitated since his or her 19th birthday.

Child includes stepchild, foster child, legally adopted child, child legally placed in the Insured’s home for adoption and child under the Insured’s legal guardianship. A full-time student is one who is enrolled at least the minimum number of hours of class a week the school considers as full-time status.

2. when there can be a demonstrated constriction of the peripheral fields in the better eye to 10 degrees or less from the fixation point or the widest diameter subtends an angle less than 20 degrees in the better eye.

Low Vision Aids are classified as follows:

2. **Handheld or spectacle-mounted telescopes** - These miniature telescopes are useful for seeing longer distances, such as across the room to watch television, and can also be modified for near (reading) tasks;
3. **Handheld and stand magnifiers** - These can serve as supplements to other specialized systems, and are convenient for short-term reading of such things as price tags, labels and instrument dials. Both types can be equipped with lights; or
4. **Video magnification** - Table-top (closed-circuit television) or head-mounted systems enlarge reading material on a video display. Some systems can be used for distance viewing tasks. These are portable systems and can be used with a computer or Computer Display. Image brightness, image size, contrast, foreground/background color and illumination can be customized.

Low Vision Supplemental Testing means diagnostic evaluation beyond the Comprehensive Eye Examination, and includes a history of functional difficulties that involves such things as reading, activities in the kitchen, glare problems, travel vision, the workplace, television viewing, school requirements, hobbies and interests. Preliminary tests may include assessment of ocular functions such as color vision and contrast sensitivity. Measurements will be taken of the Insured Person’s visual acuity using special low vision test charts, which include a larger range of letters or numbers to more accurately determine a starting point for assessing the level of impairment. Visual fields may also be evaluated. A specialized refraction must be performed with each eye thoroughly examined. The eyecare professional may prescribe various treatment options, including Low Vision Aids, as well as assist the Insured Person with identifying other resources for vision and lifestyle rehabilitation.

Medically Necessary Contact Lenses means:

1. Keratoconus where the Insured Person is not correctable to 20/30 in either or both eyes using standard spectacle lenses, or the Provider attests to the specified level of visual improvement;

**EFFECTIVE DATES**

**Effective Date of Insured’s Insurance.** The Insured’s insurance will be effective as follows:

2. if the Policyholder requires the Insured to contribute toward the premium for this coverage, the Insured’s insurance will be effective on the date the Insured became eligible, provided;  
   a. the Insured has given the Company the Insured’s enrollment form (if required) on, prior to, or within 30 days of the date the Insured became eligible; and  
   b. the Insured has agreed to pay the required premium contributions; and  
3. if the Insured fails to meet the requirements of 2 a) and 2 b) within 30 days after becoming eligible, the Insured’s coverage will not become effective until the Company has verified that the Insured has met these requirements. The Insured will then be advised of the Insured’s effective date.

**Effective Date of Dependents’ Insurance.** Coverage for Dependents becomes effective on the later of:

1. the date Dependent coverage is first included in the Insured’s coverage; or  
2. the premium due date on or after the date the person first qualifies as the Insured’s Dependent. If an enrollment form is required, the Insured must provide such form and agree to pay any premium contribution that may be required prior to coverage becoming effective.

If the Insured and the Insured’s spouse are both Insureds, one Insured may request to be a Dependent spouse of the other. A Dependent child may not be covered by more than one Insured.

**Newborn Children.** A Dependent child born while the Insured’s coverage is in force will be covered from the moment of birth for 31 days or greater, if elected by the Policyholder. In order to continue coverage beyond this period, the Insured must provide notice to the Company and agree to pay any premium contribution that may be required within this period.

**Adopted Children.** If a Dependent child is placed with the Insured for adoption while the Insured’s coverage is in force, this child will be covered from the date of placement for 31 days or greater, if elected by the Policyholder. In order to continue coverage beyond this period, the Insured must provide notice to the Company and agree to pay any premium contribution that may be required within this period. If proper notice has been given, coverage will continue unless the placement is disrupted prior to legal adoption and the child is removed from placement.

**BENEFITS**

Benefits are payable for each Insured Person as shown in the Schedule of Benefits for expenses incurred while this insurance is in force.

**Comprehensive Eye Examination.** An Insured Person is eligible for one Comprehensive Eye Examination in each Benefit Frequency.

Benefits are payable as shown in the Schedule of Benefits. Low Vision Aids are limited to once per lifetime per Insured Person.

Out-of-Network Provider Benefits. The Insured Person must pay the Out-of-Network Provider the full cost at the time the covered service is provided and file a claim with the Company. The Company will reimburse the Insured Person for the Out-of-Network Provider benefits up to the maximum dollar amount shown in the Schedule of Benefits.

Vision Materials. If a Vision Examination results in an Insured Person needing corrective Vision Materials for the Insured Person’s visual health and welfare, those Vision Materials prescribed by the Provider will be supplied, subject to certain limitations and exclusions of the Policy, as follows:

- **Lenses** provided one time in each Benefit Frequency.
- **Frames** provided one time in each Benefit Frequency.
- **Contact Lenses** provided one time in each Benefit Frequency in lieu of lenses.

**LIMITATIONS**

Any remaining balance may be used within the same Benefit Frequency. Where the Insured Person previously utilized an In-Network Provider, the remaining balance must be used with the same or any other In-Network Provider. Where the Insured Person previously utilized an Out-of-Network Provider, the remaining balance must be used with the same or any other Out-of-Network Provider.

TERMINATION OF INSURANCE

The Policyholder or the Company may terminate or cancel the Policy as shown in the Policy.

For All Insureds. The Insureds’ insurance will cease on the earliest of the following dates:

1. the date the Policy ends;
2. the end of the last period for which any required premium contribution agreed to in writing has been made;
3. the date the Insured is no longer eligible for insurance; or
4. the date the Insured’s employment with the Policyholder ends. The Policyholder may, at the Policyholder’s option, continue insurance for individuals whose employment has ended, if the Policyholder:
   a. does so without individual selection between Insureds; and
   b. continues to pay any premium contribution for those individuals.

For Dependents. A Dependent’s insurance will cease on the earlier of:

1. the date the Insured’s coverage ends;
2. the date in which the Dependent ceases to be an eligible Dependent as defined in the Policyholder’s application; or
3. the end of the last period for which any required premium contribution has been made.

A Dependent child will not cease to be a Dependent solely because of age if the child is:

1. not capable of self-sustaining employment due to mental incapacity or physical handicap that began before the age limit was reached; and
2. mainly dependent on the Insured for support.

The Company may ask for proof of the eligible Dependent child’s incapacity and dependency two months prior to the date the Dependent child would otherwise cease to be covered.

The Company may require the same proof again, but will not ask for it more than once a year after this coverage has been continued for two years. This continued coverage will end:

1. on the date the Policy ends;
2. on the date the incapacity or dependency ends;
3. on the end of the last period for which any required premium contribution for the Dependent child has been made; or
4. 60 days following the date the Company requests proof and such proof is not provided to the Company.

Continuation of Insurance for a Spouse. If the marriage is dissolved by judgment; the Insured dies; or the Insured retires, the spouse may be issued a certificate for this same coverage, without evidence of insurability and with credit on any waiting periods, upon application made to the Company within 30 days following the entry of such judgment, death, or retirement, and upon payment of the appropriate premium. The spouse must have been covered under the Policy as a Dependent at the time of the entry of such judgment, death, or retirement. Dependent children covered under the Policy at the time of the entry of such judgment, death, or retirement may also be continued under the spouse’s certificate.

Continuation of Insurance for Dependent Children. If the Insured dies, the Dependent children may be issued a certificate for this same coverage, without evidence of insurability and with credit on any waiting periods, upon application made to the Company within 30 days following the death of the Insured, and upon payment of the appropriate premium. The Dependent child must have been covered under the Policy as a Dependent at the time of the death of the Insured.
CLAIMS

Notice of Claim. Written notice of claim must be given to the Company within 30 days after the occurrence or commencement of any loss covered by the Policy, or as soon as is reasonably possible. Notice given by or for the Insured Person to the Company at the Company’s home office, to the Company’s authorized administrator or to any of the Company’s authorized agents with sufficient information to identify the Insured Person will be deemed as notice to the Company.

Claim Forms. The Company will furnish claim forms to the Insured Person within 15 days after notice of claim is received. If the Company does not provide the forms within that time, the Insured Person may send written proof of the occurrence, character and extent of loss for which the claim is made within the time stated in the Policy for filing proof of loss.

Proof of Loss. Written proof of loss must be furnished to the Company at the Company’s home office within 90 days after the date of the loss. Failure to furnish proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within that time, if the proof is furnished as soon as reasonably possible. In no event, except in the absence of legal capacity, will proof of loss be accepted later than one year from the time proof is required.

Time Payment of Claims. Any benefit payable under the Policy will be paid immediately, but not more than 30 days, upon receipt of due written proof of loss. Claims not paid by the 30th day will be paid at the percentage rate set by the state from the 30th day.

Payment of Claims. All claims will be paid to the Insured, unless assigned. Any benefits payable on or after the Insured’s death will be paid to the Insured’s estate.

Right of Recovery. If payment for claims exceeds the amount for which the Insured Person is eligible under any benefit provision or rider of the Policy, the Company has the right to recover the excess of such payment from the Provider or the Insured.

Legal Actions. No Insured Person can bring an action at law or in equity to recover on the Policy until more than 60 days after the date written proof of loss has been furnished according to the Policy. No such action may be brought after the expiration of three years after the time written proof of loss is required to be furnished. If the time limit of the Policy is less than allowed by the laws of the state where the Insured Person resides, the limit is extended to meet the minimum time allowed by such law.

GENERAL PROVISIONS

Clerical Error. Clerical errors or delays in keeping records for the Policy will not deny insurance that would otherwise have been granted, nor extend insurance that otherwise would have ceased, and call for a fair adjustment of premium and benefits to correct the error.

Conformity to Law. Any provision of the Policy that is in conflict with the laws of the state in which it is issued is amended to conform with the laws of that state.

Entire Contract. The Policy, including any endorsements and riders, the Certificate, the Policyholder’s application, which is attached to the Policy when issued, the Insured’s individual enrollment form, if any, and the eligibility file, if any, are the entire contract between the parties. A copy of the Policy may be examined at the Office of the Policyholder during normal business hours. All statements made by the Policyholder or an Insured will, in the absence of fraud, be deemed representations and not warranties, and no such statement shall be used in defense to a claim hereunder unless it is contained in a written instrument signed by the Policyholder, the Insured, the Insured’s beneficiary or personal representative, a copy of which has been furnished to the Policyholder, the Insured, the Insured’s beneficiary or personal representative.

Amendments and Changes. No agent is authorized to alter or amend the Policy, or to waive any conditions or restrictions herein, or to extend the time for paying any premium. The Policy and the Certificate may be amended at any time by mutual agreement between the Policyholder and the Company without the consent of the Insured, but without prejudice to any loss incurred prior to the effective date of the amendment. No person except an Officer of the Company has authority on behalf of the Company to modify the Policy or to waive or lapse any of the Company’s rights or requirements.
**Incontestability.** After the Policy has been in force for two years, it can only be contested for nonpayment of premiums. No statement made by an Insured Person can be used in a contest after the Insured Person’s insurance has been in force for two years during the Insured Person’s lifetime. No statement an Insured Person makes can be used in a contest unless it is in writing and signed by the Insured Person.

**Insurance Data.** The Policyholder must give the Company the names and ages of all individuals initially insured. The names of persons who later become eligible (whether or not the person becomes insured), and the names of those who cease to be eligible must also be given. The eligibility dates and any other necessary data must be given to the Company so that the premium can be determined.

The Company has the right to audit the Policyholder’s books and records as the books and records relate to this insurance. The Company may authorize someone else to perform this audit. Any such inspection may be done at any reasonable time.

**Workers’ Compensation.** The Policy is not a Workers’ Compensation policy. The Policy does not satisfy any requirement for coverage by Workers’ Compensation Insurance.
Fidelity Security Life Insurance Company agrees to pay the benefits provided by the Policy in accordance with its terms and conditions.

The Policy is issued in consideration of the Policyholder’s application (a copy of which is attached) and receipt by the Company of the premiums.

All periods of time under the Policy begin and end at 12:01 A.M. Local Time at the Policyholder’s business address.

The Policy may be modified by mutual agreement between the Policyholder and the Company.

The Policy is issued by Fidelity Security Life Insurance Company at Kansas City, Missouri on the Policy Effective Date.

GROUP VISION INSURANCE POLICY

THIS IS A LIMITED BENEFIT POLICY

Please read the Policy carefully.
PREMIUMS

Premiums are payable in advance by the Policyholder. The first premium is due on the effective date of the Policy. Subsequent premiums are due on the first day of each calendar month thereafter.

The required premium due on each premium due date is the sum of the premiums for all Insureds and their Dependents covered under the Policy. The premiums due will be determined by applying the premium rates then in effect for each plan provided by the Policy to the number of Insured Persons. All premiums are payable to the Company at the Company’s home office or to any of the Company’s authorized agents.

The premium due may be adjusted due to a change in insurance as requested by the Policyholder or as required by the Company as follows:

1. if an amount of insurance is added or increased during a calendar month, premiums will be increased as of the date the change becomes effective, unless otherwise mutually agreed;
2. if an amount of insurance is deleted or decreased during a calendar month, premium will cease or be decreased at the end of the calendar month in which the deletion or decrease occurred, unless otherwise mutually agreed;
3. if the Policyholder’s contribution percentage is changed, premium will be adjusted at the end of the calendar month in which the change occurred, unless otherwise mutually agreed; or
4. if the number of eligible employees increases or decreases by more than 10% premium will be adjusted at the end of the calendar month in which the increase or decrease occurred, unless otherwise mutually agreed.

If premiums are due the Company, or premium refunds are due the Policyholder as a result of clerical error or delay in the reporting of dates and/or data to the Company, all premiums or refunds will be calculated at the current rate of premium payment and are limited to a maximum period of three months.

Premium Rate Change. The Company has the right to change the premium rate on or after the first Policy Anniversary Date. The Company will provide written notice at least 31 days before the date of change.

Grace Period. A grace period of 31 days will be allowed to the Policyholder for the payment of each premium due after the first premium. The Policy will remain in force during the grace period. If the required premium is not paid by the end of the 31-day period, the Policy will terminate. The Policyholder will be required to pay premium for the grace period.

Return of Premium. The Company reserves the right to rescind the coverage for one or all Insureds due to misrepresentation or fraud on the Policyholder’s application or an Insured’s enrollment form, if such misrepresentation materially affected the acceptance of the risk.

If, on the date coverage is rescinded, no claims have been paid under the Policy, the Company will return all premiums paid for such coverage to the Policyholder.

If, on the date coverage is rescinded, claims have been paid under the Policy, the Company reserves the right to deduct an amount equal to the amount of such claims paid from the premiums to be returned to the Policyholder.

TERMINATION OF POLICY

The Policyholder or the Company may terminate or cancel the Policy on the earliest of the following:

1. on any date on or after the first Policy Anniversary Date. Written notice must be provided to the other party at least 31 days prior to termination;
2. the date the number or percentage of persons covered under the Policy does not meet the minimum participation requirements of 10;
3. the date the required premium has not been paid, except as provided in the Grace Period provision; or
4. the date 100% of the eligible employees are not covered when a contribution is not required by the employee.

The Policyholder is responsible for notifying the Insured of the termination of the Policy.
CERTIFICATES

The Company will furnish a Certificate to the Policyholder which will set forth the essential features of the insurance coverage.

ADDITIONAL INSUREDs

Insured Persons may be added at any time if they meet the eligibility requirements stated in the Policyholder's application, complete an enrollment form, if required, and pay any required premium.

INCORPORATION PROVISION

The provisions of the attached Certificate and all Rider(s) issued to amend the Policy after the Policy Effective Date are made a part of the Policy.
