

VETERANS CAREER EXPO

Brought to you by:

The Illinois Tollway, in partnership with the U.S. Army Reserve and Salute the Armed Forces, is inviting state and local government employers to participate in a career expo for veteran workers.

The 2015 Veterans Career Expo is designed to assist veteran workers interested in government jobs to learn more about the skills and training required, current job opportunities and how to register for hiring notifications.

This event offers recruiters and employers a chance to meet with veterans seeking employment, network and collect resumes from potential employees. Even if you are not currently hiring, this is an opportunity to lay the groundwork for future employment needs.

Currently, more than 200 job seekers and six government agencies are expected to participate. Our goal is to increase both of these numbers.

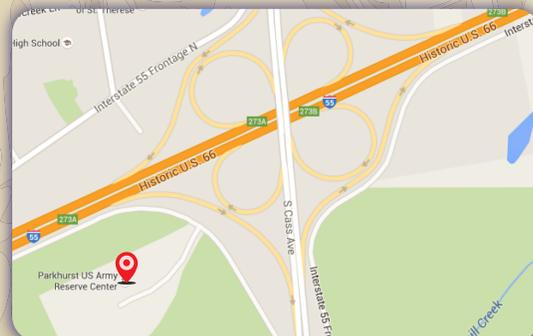

Each participating agency will have a table with two chairs during the expo. Lunch will be provided for all who participate.

There is no registration fee to participate. Register at www.veterancareerexpo.com or contact Ginny Sanchez at (630) 241-6800 ext. 2335, email gsanchez@getipass.com.

Location: Parkhurst Army Reserve Center
10S100 S. Frontage Road
