

JOINT PURCHASING NEWS

March, 2012

Due Date: **ROCK SALT REQUISITIONS, FISCAL YEAR 2013**

FISCAL YEAR 2013 BULK ROCK SALT survey and Joint Purchasing Requisition information packets were mailed on February 28, 2012 to the 891 local governments who received Bulk Rock Salt procurement information in past years or requested the information this year.

Requisition Deadline: FRIDAY, MARCH 30, 2012

Given the mild winter season, many storage facilities are already near or at capacity and, in some instances, current contractual obligations have yet to be delivered. This has caused locations to evaluate alternate storage options or delivery schedules with their current contract vendor. We recognize this process has demanded much of your time. Therefore, as noted above, the deadline for requisitions was extended to March 30th. This date is firm. As noted in the packet, a list will be published so that you may confirm our receipt of your requisition.

If your local government did not receive the Bulk Rock Salt Requisition information and would like to receive a packet, please contact Dennis.Smith@Illinois.gov.

All local governmental entities that want to participate in Joint Purchasing contracts must be registered in the Program. Contact the Joint Purchasing Coordinator for registration information.
