### **State of Illinois Shares Information on SBA Disaster Loan Outreach Centers for Residents and Businesses Impacted by the June 10, 11 and 17 Storms**

**Springfield**– The Illinois Emergency Management Agency and Office of Homeland Security (IEMA-OHS), in partnership with the U.S. Small Business Administration (SBA) and local municipalities, is promoting multiple Disaster Loan Outreach Centers (DLOCs) to assist residents and businesses impacted by the severe storms on June 10, 11 and 17, 2026. These disaster declarations cover the primary counties of **Cook and LaSalle** for the June 10, 11 storms and **Coles and Effingham** for the June 17 storms. Residents and businesses in the contiguous counties are also eligible for SBA disaster assistance, including **Bureau, DeKalb, DuPage, Grundy, Kane, Kendall, Lake, Lee, Livingston, Marshall, McHenry, Putnam, Will, and Woodford Counties in Illinois, as well as Lake County in Indiana** for the June 10, 11 storms, and **Clark, Clay, Cumberland, Douglas, Edgar, Fayette, Jasper, Moultrie, and Shelby Counties** for the June 17 storms . Centers will provide in-person support for applicants seeking low-interest disaster loans for storm-related damages not covered by insurance.

SBA customer service representatives will staff each center to answer questions, explain the application process, and assist individuals and businesses in completing applications. Walk-ins are welcome at all sites. **Residents and business owners in SBA declared disaster counties and counties that border those counties are eligible to apply and may visit any DLOC, regardless of where they live.**

For online applications, visit [sba.gov/disaster](https://sba.gov/disaster). Applicants may also call SBA's Customer Service Center at **(800) 659-2955** or email [disastercustomerservice@sba.gov](mailto:disastercustomerservice@sba.gov). People who are deaf, hard of hearing, or have a speech disability may dial **7-1-1** for relay services.
