Re: 50-35 Potential Conflict of Interest, 630-000-183

Dear Mr. Hahn,

In accordance with the requirements of Section 50-35 of the Illinois Procurement Code, I have reviewed your request received June 11, 2014 and understand the facts to be as follows:

- 1) The Capital Development Board has issued a request for a review and comment on potential conflicts of interest disclosed by Laverdiere Construction, Inc.
- 2) The contract pertains to replacement of roofing systems in District 4.
- 3) Laverdiere Construction, Inc was selected via competitive sealed bids.
- 4) The disclosure form submitted on behalf of Laverdiere Construction, Inc indicates the following:
 - a. John E. Laverdiere's wife, Nancy, was employed as a library assistant for Western Illinois University; her salary was approximately \$30,000. She retired in August of 2013.
- 5) The Capital Development Board confirmed that none of the disclosed individuals were in a position to influence the award of this contract. The Capital Development Board and CPO Hahn indicate that it would be in the best interest of the State to approve this conflict of interest due to the using agency's needs and the value of the contract.

Based on the foregoing, you are requesting my review and comment pursuant to the Illinois Procurement Code.

Review and Comment

After careful review of the documentation provided, I do not view the relationships disclosed above as creating a conflict of interest sufficient to preclude the Capital Development Board from entering into a contract with Laverdiere Construction, Inc for the services outlined in your letter received June 11, 2014.

Sincerely,

Aaron Carter
Executive Director
