Re: 50-35 Potential Conflict of Interest, 546-325-072

Dear Ms. Lawton,

In accordance with the requirements of Section 50-35 of the Illinois Procurement Code, I have reviewed your request received December 10, 2015 and understand the facts to be as follows:

- 1) The Capital Development Board has issued a request for a review and comment on potential conflicts of interest disclosed by prime vendor Allied Design Consultants, Inc.
- 2) The contract pertains to construction related services.
- 3) Allied Design Consultants, Inc. was selected via qualifications based selection.
- 4) The disclosure form submitted on behalf of Allied Design Consultants, Inc. indicates the following:
 - a. Christopher M. Bollero, son of Bruce Bollero, who is an officer and 45% owner of Allied, is a Revenue Tax Specialist with the Illinois Department of Revenue. His annual salary is \$44,678.33.
- 5) The Capital Development Board confirmed that none of the disclosed individuals were in a position to influence the award of this contract. The Capital Development Board and CPO Lawton indicate that it would be in the best interest of the State to approve this conflict of interest due to the using agency's needs and the value of the contract.

Based on the foregoing, you are requesting my review and comment pursuant to the Illinois Procurement Code.

Review and Comment

After careful review of the documentation provided, I do not view the relationships disclosed above as creating a conflict of interest sufficient to preclude the Capital Development Board from entering into a contract with Allied Design Consultants, Inc. for the services outlined in your letter received December 10, 2015.

Sincerely,

Matt von Behren
Executive Director
