PROPOSED CONTRACT(S) SUBJECT OF THIS HEARING

Agency: Capital Development Board
Vendor: Friedler Construction Company
Project Number: 810-010-005
Procurement Bulletin Reference #: 22030824
Brief Description: Following a competitive bid, the Capital Development Board ("CDB") contracted with Friedler Construction Company ("Friedler") in 2010 for construction services at Truman City College. CDB inadvertently allowed this contract to expire. Frieder has completed most of the work as outlined in the scope of this project, making it only economically feasible to allow Friedler to complete this work rather than contract with someone else to begin well into the project.
