Mr. Tim Anderson
Secretary of the Senate
Room 401 State House
Springfield, IL 62706

Dear Secretary Anderson:

The Illinois Promotion Act (20 ILCS 665/13a) requires the Department to establish and maintain an affirmative action program designed to promote equal employment opportunity and eliminate the effects of past discrimination and to submit a detailed plan to the General Assembly prior to March 1 of each year.

For FY 12, the Department and specifically, the Illinois Office of Tourism, required each of its grantees to comply with the Illinois Human Rights Act and certify (i) that it will not commit unlawful discrimination in employment as that term is defined in Article 2 of said Act; (ii) that it will comply with the provisions of Article 5 of the Act regarding equal employment opportunities and affirmative action; and (iii) that it will comply with policies and procedures established by the Department of Human Rights under Article 7 of the Act regarding equal employment opportunities and affirmative action.

The Grantee further certifies that, if applicable, it will comply with “An Act to prohibit discrimination and intimidation on account of race, creed, color, sex, religion, physical or mental handicap unrelated to ability to national origin in employment under contracts for public buildings or public works.”

We monitor this compliance on our on-site monitoring visits each year.

Sincerely,

Warren Ribley
Director
