## **Illinois Angel Investment Credit Program**

Thank you for interest in the Illinois Angel Investment Credit Program. The Illinois Angel Investment Credit program is operated by the Illinois Department of Commerce and Economic Opportunity. Based on a review of a written registration form submitted by an interested firm, the Department is authorized to designate qualified new business ventures as "eligible." Please complete the application form attached with this letter and mail it to the DCEO address listed below.

A business desiring registration shall submit a registration form to the Department in each taxable year for which the business desires registration. Registration forms will be accepted at any time during the year, on a first come, first serve basis as determined by the Department. If the Qualified New Business Venture is deemed eligible, the Department will notify the new business venture in writing with a notice of eligibility.

The Department requires that every potential new business venture be reviewed to determine the eligibility. The Department may request supplemental information needed to determine eligibility. Applications should be sent to:
