

Illinois Small Business Development Network

"Celebrating 30 years of Small Business Success"

Illinois Small Business Development Centers (SBDC) provide information, confidential business guidance, training and other resources to early stage and existing small businesses.

Illinois International Trade Centers (ITC) provide information, business advice and training to existing, new to-export companies interested in pursuing international trade opportunities.

Illinois Procurement Technical Assistance Centers (PTAC) provide one-on-one business advice, technical information, marketing assistance and training to existing businesses that are interested in selling their products and/or services to local, state, or federal government agencies.

Technology, Innovation and Entrepreneurship Specialty (TIES) five SBDC locations help Illinois businesses, entrepreneurs and citizens to succeed in a changing economy by: developing the skills of their workers; promoting safe and healthy workplaces; assisting in the commercialization of new technologies; and providing access to modernizing technologies and practices.
