JULY 19-22, 2015

**JOIN THE ILLINOIS OFFICE OF TRADE AND INVESTMENT'S MISSION
TO THE 2015 BIO WORLD CONGRESS ON INDUSTRIAL BIOTECHNOLOGY
AND BIOPROCESSING**

General Description

Entering its 12th year, the 2015 BIO World Congress on Industrial Biotechnology and Bioprocessing is expected to draw more than 1,200 high-profile scientists, executives, investors and government officials to discuss trends in bio based products, partnerships and financing opportunities. At this trade show, Illinois trade mission participants will be able to showcase their latest technologies, bio based products and research, as well as receive ongoing logistical assistance, market research and support.

2014 participants included:

- Chevron
- Coca-Cola
- Cornell
- Exxon Mobil
- Ikea
- Proctor & Gamble

Industry/Sector

Industrial Biotechnology/Bioprocessing

Company Profile

Business leaders, investors and policy makers in biofuels, bio based products, and renewable chemicals

Participation Details & Complimentary Services

Illinois companies who qualify for this mission will receive the following:

- Full Conference Registration with One on One Partnering Meeting Services included
- 50%-75% reimbursement of travel costs for hotel and airfare in accordance with state and federal guidelines
- Pre-show marketing of Illinois firms to prospective partners and clients

"Through the DCEO-OTI program, our company is on the right track to expanding our international sales efforts. With the introduction of matchmaking services to our marketing platform, it may allow our small domestic business to transition to a very large international business... We were able to do many years work in just a few days due to our high visibility and ability to network with multiple international trade partners in their region... I wouldn't have been able to actualize this unexpected and exciting direction we are headed without the State of Illinois' (I)STEP program."
