

WHEREAS, drowning is the second leading cause of death for children ages one through 14 and claims the life of an average of two children per day in the United States; and,

WHEREAS, child drowning can occur in seconds in pools, bathtubs, hot tubs, decorative garden ponds, and even buckets that contain as little as two inches of water; and,

WHEREAS, 21 Illinois children lost their lives to accidental drowning in 2016, including 13 in swimming pools, three in bathtubs, two in lakes, two in rivers, and one in a drainage ditch; and,

WHEREAS, for every child that drowns, five more are victims of near-drowning that require emergency medical care, often leading to hospitalization and causing long-term brain damage that can include memory loss, learning disabilities, and permanent loss of basic functioning that results in a permanent vegetative state; and,

WHEREAS, inadequate supervision of children, which includes neglect that results in drowning, is the third-leading cause of all child deaths indicated by the Illinois Department of Children and Family Services; and,

WHEREAS, it is important to recognize that constant adult supervision is needed when children are near or in water; and,

WHEREAS, the use of floatation devices and inflatable toys cannot replace parental supervision because such devices can suddenly shift position, lose air, or slip out from underneath, leaving the child in a dangerous situation; and,

WHEREAS, adults need to practice "Reach Supervision" by staying within an arm's length of young children; and,

WHEREAS, the state's "Get Water Wise...Supervise!" campaign urges the public to prevent childhood drowning and near-drowning by providing adult supervision whenever children are near or in water; and,

WHEREAS, the Illinois Department of Children and Family Services, the Illinois Child Death Review Team, and other community partners recognize that childhood drowning is preventable if proper adult supervision is provided;

THEREFORE, I, Bruce Rauner, Governor of the State of Illinois, do hereby proclaim May 2017 as **CHILDHOOD DROWNING PREVENTION MONTH** in Illinois, and encourage all parents and caregivers to learn and practice proven child water safety precautions, ensuring the safety of all Illinois children.

In Witness Whereof, I have hereunto set my hand and caused the Great Seal of the State of Illinois to be affixed.
