

3-5-15

The Mobility Discussion Board Goes **LIVE** on **Monday, 3-9-15 for ALL DCFS STAFF!!!**

Have you struggled using the new Wi-Fi features on your laptop?

Does the proxy tool confuse you?

Would you like to know how to scan hospital, police and other typewritten paper records and copy/paste that information into Word/Outlook/SACWIS?

Do you know how to significantly increase the battery life of your laptop if you forget your AC adapter?

These are examples of questions that you can submit within the Mobility Discussion Board based on the current topic.

Discussion board topics will be announced on D-Net. You can also access past questions and answers to increase your knowledge.

For more information about how to use the discussion board, click [Using the Discussion Board](#).

3/9/15 TOPIC: **Windows 8.1.**
