SUBJECT: 2018 DCFS Scholarship Application Process

Thank you for your interest in the Department of Children and Family Services (DCFS) Scholarship Program. Enclosed you will find the application you need to apply for this merit-based scholarship. Please note that even if you are currently enrolled in college, we still need a copy of your high school transcript, verification of your ACT/SAT scores, and your college transcripts.

DCFS awards 53 scholarships annually. The scholarship package includes a full tuition and mandatory fee waiver to a state-supported public school in Illinois (in-district community college or state university), a monthly grant payment, and a medical card.

We would also like to offer just a couple of helpful hints as you complete your scholarship application packet:

1. Be sure to proofread your personal essay. There are some things that “spell-check” just will not catch, so be sure to proofread it yourself, as well as asking someone else to do the same. The essay should emphasize your resilience, obstacles you have had to overcome, and how you will use this scholarship.
2. Your three letters of recommendation should come from individuals, who are not family members, who can provide a brief description of your personal strengths, academic abilities and/or work performance.
3. Your complete application packet must be postmarked by 5:00 pm on March 31, 2018. The packet must include the application (completely filled out **and signed**. Also, be sure it is the newest version with “Rev 12/2016” in the upper left hand corner), your personal essay, high school transcript, college transcript (if applicable), verification of your ACT or SAT scores, three letters of recommendation, and verification of your relationship with the Department of Children and Family Services. If any of these items are missing, your application will be returned to you.

Lastly, if you have not already done so, we encourage you to complete the Free Application for Federal Student Assistance (FAFSA) at www.fafsa.ed.gov. It is through this application process that you are able to get grant assistance, such as the Illinois MAP grant and/or the federal Pell grant. You are also encouraged to explore websites, such as www.ISAC.org, www.fastweb.com, www.whatsnextillinois.org, www.studentaid.ed.gov, www.scholarshipamerica.org, www.nces.ed.gov/collegenavigator or www.orphan.org where you may find other scholarship or grant programs that you can apply for.
