Section 406.2 Definitions

"Access to children" means an employee's job duties require that the employee be present in a licensed child care facility during the hours that children are present in the facility. In addition, any person who is permitted to be alone outside the visual or auditory supervision of facility staff with children receiving care in a licensed child care facility is subject to the background check requirements of this Part.

"Adult" means any person who is 18 years of age or older.

"Applicant" means a person living in the residence to be licensed who will be the primary caregiver in the day care home.

"Approved smoke detector" or "detector" means a smoke detector of the ionization or photoelectric type which complies with all the requirements of the

ILLINOIS REGISTER

rules and regulations of the Illinois State Fire Marshal. (Section 2 of the Facilities Requiring Smoke Detectors Act [425 ILCS 10/2])

"Assistant" or "child care assistant" means a person (whether a volunteer or an employee) who assists a licensed home caregiver in the operation of the day care home.

"Attendance" means the total number of children under the age of 12 present at any one time.

"Authorized representative of the Department" means the licensing representative or any person acting on behalf of the Director of the Department.

"Background check" means:

- a criminal history check via fingerprints of persons age 18 and over that are submitted to the Illinois State Police and the Federal Bureau of Investigation (FBI) for comparison to their criminal history records, as appropriate; and
- a check of the Statewide Automated Child Welfare Information System (SACWIS) and other state child protection systems, as appropriate, to determine whether an individual is currently alleged or has been indicated as a perpetrator of child abuse or neglect; and
- a check of the Statewide Child Sex Offender Registry.

"Basement" means the story below the street floor where occupants must traverse a full set of stairs, 8 or more risers, to access the street floor.

"CANTS" means the Child Abuse and Neglect Tracking System operated and maintained by the Department. This system is being replaced by the Statewide Automated Child Welfare Information System (SACWIS).

"Caregiver" means the individual directly responsible for child care.

"Children with special needs" means children who exhibit one or more of the following characteristics, confirmed by clinical evaluation:

ILLINOIS REGISTER

DEPARTMENT OF CHILDREN AND FAMILY SERVICES

NOTICE OF PROPOSED AMENDMENTS

- Visual impairment: the child's visual impairment is such that development to full potential without special services cannot be achieved.
- Hearing impairment: the child's residual hearing is not sufficient to enable him or her to understand the spoken word and to develop language, thus causing extreme deprivation in learning and communication, or a hearing loss is exhibited that prevents full awareness of environmental sounds and spoken language, limiting normal language acquisition and learning.
- Physical or health impairment: the child exhibits a physical or health impairment that requires adaptation of the physical plant.
- Speech and/or language impairment: the child exhibits deviations of speech and/or language processes that are outside the range of acceptable variation within a given environment and prevent full social development.
- Learning disability: the child exhibits one or more deficits in the essential processes of perception, conceptualization, language, memory, attention, impulse control or motor function.
- Behavioral disability: the child exhibits an effective disability and/or maladaptive behavior that significantly interferes with learning and/or social functioning.
- Mental impairment: the child's intellectual development, mental capacity, and/or adaptive behavior are markedly delayed. Such mental impairment may be mild, moderate, severe or profound.

"Consultants" means those individuals providing technical assistance or advice regarding any aspect of the operation of the day care home.

"Conviction" means a judgment of conviction or sentence entered upon a plea of guilty or upon a verdict or finding of guilty of an offense, rendered by a legally constituted jury or by a court of competent jurisdiction authorized to try the case without a jury. (Section 2-5 of the Criminal Code of 1961 [720 ILCS 5/2-5])

"Corporal punishment" means hitting, spanking, swatting, beating, shaking, pinching, excessive exercise, exposure to extreme temperatures, and other measures that produce physical pain.

"Cot" means a comfortable, safe and child-sized alternative bed made of resilient, fire retardant, sanitizable fabric that is on legs or otherwise above the floor and can be stored to allow for air flow.

"Day care homes" means family homes which receive more than 3 up to a maximum of 12 children for less than 24 hours per day. The maximum of 12 children includes the family's natural, foster, or adopted children and all other persons under the age of 12. The term does not include facilities which receive only children from a single household. (Section 2.18 of the Child Care Act of 1969 [225 ILCS 10/2.18])

"Department" means the Illinois Department of Children and Family Services. (Section 2.02 of the Child Care Act of 1969)

"Discipline" means the process of helping children to develop inner controls so that they can manage their own behavior in socially acceptable ways.

"Disinfect" means to eliminate virtually all germs from inanimate surfaces through the use of chemicals or physical agents (e.g., heat). In the child care environment, a solution of ¼ cup household liquid chlorine bleach added to one gallon of water (or one tablespoon bleach to one quart water) and prepared fresh daily is an effective disinfectant for environmental surfaces and other objects. A weaker solution of 1 tablespoon bleach to 1 gallon of cool water is effective for use on toys, eating utensils, etc. Commercial products may also be used.

"Family home" or "family residence" means the location or portion of a location where the applicant and his or her family reside, and may include basements and attics. It does not include other structures that are separate from the home but are considered part of the overall premises, such as adjacent apartments, unattached basements in multi-unit buildings, unattached garages, and other unattached buildings.

"Firearm" means any weapon from which a shot is discharged by an explosive such as gunpowder or projectiles by the action of an explosion, expansion of gas, or escape of gas.

"Gateways to Opportunity Registry" means a program administered by the Department of Human Services to track and maintain education and training credentials of primary caregivers and assistants that allows them to establish a profile in the registry of their educational and training development.

NOTICE OF PROPOSED AMENDMENTS

"Ground level" means that a child can step directly from the exit onto the ground, a sidewalk, a patio, or any surface that is not above or below the ground.

"Guardian" means the guardian of the person of a minor. (Section 2.03 of the Child Care Act of 1969 [225 ILCS 10/2.03])

"Infant" means a child through 12 months of age.

"Initial background check" means fingerprints have been obtained for a criminal history check, and the individual has cleared a check of the Statewide Automated Child Welfare Information System (SACWIS) and the Illinois Sex Offender Registry.

"License" means a document issued by the Department that authorizes child care facilities to operate in accordance with applicable standards and the provisions of the Child Care Act of 1969.

"License applicant", for purposes of background checks, means the operator or persons with direct responsibility for daily operation of the facility to be licensed. (Section 4.4 of the Child Care Act of 1969 [225 ILCS 10/4.4])

"License study" means the review of an application for license, on-site visits, interviews, and the collection and review of supporting documents to determine compliance with the Child Care Act of 1969 and the standards prescribed by this Part.

"Licensed capacity" means the number of children the Department has determined the day care home can care for at any one time in addition to any children living in the home who are under the age of 12 years. Children age 12 and over on the premises are not considered in determining licensed capacity.

"Licensing representative" means a person authorized by the Department under Section 5 of the Child Care Act of 1969 to examine facilities for licensure.

"Licensing year" often called the anniversary year, means the period of time from the date a day care home license is issued until the same date of the following year.

"Member of the household" means a person who resides in a family home as evidenced by factors including, but not limited to, maintaining clothing and

ILLINOIS REGISTER

NOTICE OF PROPOSED AMENDMENTS

personal effects at the household address, or receiving mail at the household address, or using identification with the household address.

"Minor traffic violation" means a traffic violation under the laws of the State of Illinois or any municipal authority in Illinois or another state or municipal authority that is punishable solely as a petty offense. (See Section 6-601 of the Illinois Driver Licensing Law [625 ILCS 5/6-601].)

"Parents", as used in this Part, means those persons assuming legal responsibility for care and protection of the child on a 24-hour basis; includes guardian or legal custodian.

"Permit" means a one-time only document issued by the Department of Children and Family Services for a 2-month period to allow the individuals to become eligible for a license.

"Person" means any individual, group of persons, agency, association, or organization.

"Persons subject to background checks" means:

- the operators of the child care facility;
- all current and conditional employees of the child care facility;
- any person who is used to replace or supplement staff; and
- any person who has access to children, as defined in this Section.

If the child care facility operates in a family home, the license applicants and all members of the household age 13 and over are subject to background checks, as appropriate, even if these members of the household are not usually present in the home during the hours the child care facility is in operation.

"Physician" means a person licensed to practice medicine in the State of Illinois or a contiguous state.

"Premises" means the location of the day care home wherein the family resides and includes the attached yard, garage, basement and any other outbuildings.

"Preschool age" means children under 5 years of age and children 5 years old who do not attend full day kindergarten.

"Program" means all activities provided for the children during their hours of attendance in the day care home.

"Protected exit from a basement" means an exit that is separated from the remainder of the day care home by barriers (such as walls, floors, or solid doors) providing one-hour fire resistance. The separation must be designed to limit the spread of fire and restrict the movement of smoke.

"Related" means any of the following relationships by blood, marriage, civil union, or adoption: parent, grandparent, sibling, great-grandparent, great-uncle, great-aunt, brother, sister, stepparent, stepbrother, stepsister, uncle, aunt, nephew, niece, or first cousin. (Section 2.04 of the Child Care Act of 1969 [225 ILCS 10/2.04])

"SACWIS" means the Statewide Automated Child Welfare Information System operated by the Illinois Department of Children and Family Services that is replacing the Child Abuse and Neglect Tracking System (CANTS).

"School age" means children from 6 to 12 years of age and 5 year olds who are in full-day kindergarten.

"Special use areas" means areas of the home that may not be included in the measurements of the area used for child care. Special use areas include, but are not limited to, laundry rooms, furnace rooms, bathrooms, hazardous areas, and areas off-limits to children.

"Story" means that level of a building included between the upper surface of a floor and the upper surface of the floor or roof next above.

"Street floor" means a story or floor level accessible from the street or from outside a building at ground level, with the floor level at the main entrance located not more than 4 risers above or below the ground level and arranged and utilized to qualify as the main floor.

"Substantiated violation" means that the licensing representative has determined, during a licensing complaint investigation or a monitoring or renewal visit, that the licensee has violated a licensing standard of this Part or the Child Care Act.

Section 406.8 General Requirements for Day Care Homes

- a) The physical facilities of the home, both indoors and outdoors, shall meet the following requirements for safety to children.
 - 1) The home shall have a first aid kit consisting of adhesive bandages, scissors, thermometer, non-permeable gloves, Poison Control Center telephone number (1-800-222-1222 or 1-800-942-5969), sterile gauze pads, adhesive tape, tweezers and mild soap.
 - 2) The kitchen shall be equipped with a readily accessible and operable fire extinguisher rated for Class A, B, and C fires and a flashlight in working order.
 - 3) All electrical outlets that are in areas used by the day care children shall have protective coverings. There shall be no exposed or uninsulated wiring.
 - 4) The home shall be equipped with a minimum of one approved smoke detector in operating condition on every floor level, including basements and occupied attics.
 - A) A smoke detector in operating condition shall be within each room where children nap or sleep. *The detector shall be installed on the ceiling and at least 6 inches from any wall, or on a wall located between 4 and 6 inches from the ceiling.* In addition, there shall be at least one detector at the beginning and end of each separate corridor or hallway 200 feet or more in length in any occupied story.
 - B) *In any facility constructed after December 31, 1987, or which undergoes substantial remodeling of its structure or wiring system after that date, the smoke detectors shall be permanently wired*

into the structure's AC power line, and, if more than one detector is required to be installed, the detectors shall be wired so that the activation of one detector will activate all the detectors in the facility unit. For purposes of this subsection (a)(4), "substantial remodeling" represents more than 15% of the replacement cost of the day care home. For homes that did not have wired installation of smoke detectors in each room prior to December 15, 2011, the Department may allow the installation of a battery-operated smoke detector in each room where children nap or sleep and deem the home to be in compliance.

- C) *Compliance with any applicable federal, State or local law, rule or building code which requires the installation and maintenance of smoke detectors in a manner different from this Section, but providing a level of safety for occupants which is equal to or greater than that provided by this Section, shall be deemed to be compliance with this Section.* (Section 2 of the Facilities Requiring Smoke Detectors Act [425 ILCS 10/2])
- D) For homes constructed after December 15, 2011, or that underwent substantial remodeling of structure or wiring systems after December 15, 2011, the smoke detectors shall be permanently wired into the structure's AC power line and, if more than one detector is required to be installed, the detectors shall be wired so that the activation of one detector will activate all the detectors in the facility unit.
- 5) Carbon Monoxide Detector
 - A) A home that has an attached garage and/or relies *on combustion of fossil fuel for heating, ventilation, or hot water shall be equipped with a minimum of one approved carbon monoxide detector in operating condition within 15 feet of rooms where children nap or sleep.*
 - B) *The carbon monoxide detector may be combined with smoke detector devices, provided that the combined unit complies with subsection (a)(4) and this subsection (a)(5).* [430 ILCS 135/10]
