RE: Submission of East St. Louis Federation of Teachers
Local 1220, Summary of Proposals

Dear Mr. Blackwell:

In accordance with the Illinois Educational Labor Relations Act, which provides that within 7 days after implementing the public posting process (which occurred on August 28, 2015 by Certified Mail, Return Receipt Requested to Superintendent of the East St. Louis School District 189), each party shall submit to the Mediator, Board and to the other party in writing, the latest offer of the party, including a cost summary of the offer. Accordingly, attached please find a copy of the East St. Louis Federation of Teachers, Local 1220's Summary of Proposals. **[Due to the fact that the District failed to provide the Federation with certain financial documents including a current employee list, the Federation is unable to submit financial cost summary at this time].**

A copy of the Federation's Summary of Proposals was emailed to officials of the East St. Louis School District #189 and the Federal Mediator today, September 4, 2015. All parties were also sent copies via U.S. Postal Service.

If you have questions or concerns or require additional information regarding this matter, feel free to contact me at 618-624-4373.

Respectfully,

Lee Wilson, Field Service Director
