Supportive Living Program

Participant Choice of Providers

The Department of Healthcare and Family Services verifies participant choice of providers from among setting options, including non-disability-specific settings, by verifying participants have a signed resident contract with the Supportive Living Provider (SLP) provider. One hundred percent (100%) of new waiver participants are reviewed during on-site annual certification reviews at each SLP provider to verify there is a signed contract. Additionally, in response to new requirements for person-centered planning, participant service plans will include documentation that the individual has chosen to receive services from the SLP provider, or that they would like to receive a referral for another setting/provider. This requirement will go into effect with the approval of the Supportive Living Program waiver renewal application. The Department of Healthcare and Family Services will monitor this requirement during on-site annual certification reviews.

An on-site annual certification review was conducted at **Evergreen Place of Streator** in **December 2015**. **Evergreen Place of Streator** was found to be compliant with documentation of participant choice of provider.

Evergreen Place transportation options:

Evergreen Place provides transportation, routinely, Monday through Friday, during normal business hours. We have a handicap accessible van and a 14 passenger handicap accessible bus. Our transportation services are available for a variety of appointments, shopping, banking, volunteer opportunities and community events. Residents may also access our transportation for an assortment of regularly scheduled outings and community events. We are able to accommodate evening and weekend return transportation back to Evergreen Place post hospital or emergency department discharge.

Evergreen residents can also choose to bring their own vehicles. We have parking accommodations for our drivers and visitors. Residents have the choice of having family or friends assists with their transportation.

Evergreen Place staff will assist residents in arranging alternative transportation, such as NCAT.

NCAT Operation Changes

Effective February 29, 2016

As of January 1, 2016, North Central Area Transit (NCAT) moved their organization and dispatch center from Lee-Ogle County Transit System (LOTS) in Dixon to Bureau & Putnam Area Transit (BPART) in Princeton. With this change and transition, several changes have and/or will occur over the next couple of months to be in compliance with State of Illinois and Federal Transportation Regulations.

One of the biggest changes that will affect our clients will be the fare structure of the NCAT System. Previously, NCAT fares were based on one of several factors that often brought confusion to the clients on what their fare was for their ride. To simplify the fare structure, NCAT has establish a "Flat Fare Rate" for all clients that will go into effect on Monday, February 29, 2016. With this new "Flat Fare Rate," some clients will see an increase in their fares while others will see their fares decrease. While some clients may be disappointed in seeing their fares increased, they also must understand that the State of Illinois and the Federal Government are looking at balancing their budgets and their actions effects NCAT and the services that we can and can not provide. We at NCAT understand our riders' financial concerns, but to operate at our current level with the resources we receive or do not receive from our government some action has to be taken. We thank you for understanding. Within this brochure is the new "Flat Fee Rate" that will go into effect on Monday, February 29, 2016.

Also affected is the number of days and locations NCAT can travel to during the week or month. Because the size of the NCAT fleet, the geographic size of LaSalle County, the efficiency of routes, and vehicle cost factors, NCAT will only be able to travel to certain locations on certain days of the week or month. Look for those locations and dates that riders can travel to within this brochure.

Another change is NCAT's operation hours. Previously, NCAT operated from 8:00 am to 4:30 pm. Beginning on February 29, 2016, NCAT's new operation hours will be from 6:00 am until 6:00 pm. The last pick up in town is 5:30 pm and for out-of-town rides, the last pick up is at 4:45 pm.

Overview

Incorporated in 1868, Streator's beginnings are rooted in the coal mining industry - which, along with the establishment of railroads and manufacturing corporations, helped to fuel the prosperity of the then-fledgling town. The community has experienced significant development throughout the years and is today the area of more than 22,000 residents and numerous businesses.

Streator is a mature community led by a progressive Mayor and City Council that utilizes the City Manager - Council form of government. A Mayor, four City Council Members and a City Manager compose this municipal entity, which works together to ensure a high quality of life for City residents and businesses.

The community is well-supplied with a wealth of first-rate amenities, such as public safety through the City's Fire and Police Departments, recreational facilities and services, excellent public and private educational institutions and unmatched medical care through St. Mary's Hospital.

Additional senior health residential care facilities include: Liberty Village, Heritage Health and Evergreen Place, Parker Nursing and Rehabilitation Center and Streator Senior Apartments. A thriving Central Business District and ample retail possibilities only add to the appeal.

What's more, a wide variety of residential opportunities are available in Streator, which includes quality single-family homes, spacious town home and condominium developments, comfortable apartment complexes and amenity-filled senior residential alternatives. The styles and price ranges are just as diversified, with everything from low-to-moderate home prices and upper-level custom designed residences. The area is home to many distinctive historic dwellings as well.

The City has maintained its valued Midwestern roots, all the while still incorporating thoughtful planning for the future. With all of this and more, Streator has proven itself to be a preeminent place for professionals and families, as well as businesses in search of a solid, prosperous economy.
