**RE:** **Listing of Access Committee Members**

---

The website publication of a document titled "HFS Approved Access Committee Member" listing was both incorrectly titled and published in error. This list is of individuals who had volunteered for the Access Subcommittee to date, and has not been finalized. The list was meant to be provided only for review; however we are still accepting recommendations and volunteers for the MAC Access Subcommittee. We are also analyzing potential gaps in the make-up of the committee and official appointments have not been made.

We sincerely apologize for this error and look forward to discussing at Friday's meeting.
