Draft Statewide Transition Plan

Public Notice and Input

The Department has completed a revised Statewide Transition Plan (STP) after receiving feedback from Centers for Medicaid and Medicare Services (CMS) and from the initial public comment period. The revised STP is available for public review and comment for a period of 30 days beginning on November 9, 2016 and will continue through December 9, 2016. Providers are encouraged to share this information with their residents, representatives, and other interested parties. The next submittal of the transition plan to CMS is scheduled for December 2016.

The revised Statewide Transition Plan is accessible through the HFS website:
