

**PROPOSED CHANGES IN METHODS AND STANDARDS
FOR ESTABLISHING MEDICAL ASSISTANCE PAYMENT RATES**

**STATE OF ILLINOIS
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES**

The Illinois Department of Healthcare and Family Services (HFS) is proposing the development of a new service definition and code for activities related to provider consultations with Integrated Health Homes. The proposed service code may be effective for dates of service that fall after the administrative rules for Integrated Health Homes are adopted.

The expenditures associated with the proposed service definition and code will be budget neutral based upon current utilization patterns for providers enrolled as a community mental health center as well as behavioral health clinic.

The proposed service definition and code is subject to approval by the federal Centers for Medicare and Medicaid Services and may be modified or revised during the approval process.

Any interested party may submit questions or comments concerning these proposed changes in reimbursement methods and standards. All questions or comments must be submitted in writing within thirty (30) days of the publication date of this notice and addressed to:
