RE: Auto-Assignment Shut-Off 30 Day Re-Evaluation

Dear Ms. Faulhaber:

The Medicaid spend data that was reported by BCBSIL on 7/14/2016 was measured against the accepted encounter claims in the HFS data warehouse. BCBSIL's updated score of 30.07% for its FHP/ACA contract for Evaluation Period 2 remains at or above the 30% threshold related to the Auto-Assignment Shut-Off Penalty outlined in Attachment XXIII of the contract. Auto-Assignment will remain shut-off. The status of this will again be reviewed for the 60 Day Re-Evaluation on 8/19/2016.

If you have any questions regarding this information, please contact Paul Stieber at 312-793-1045.

Sincerely,

Robert Mendonsa, Deputy Administrator
Division of Medical Programs
