- * This number will generally be very close to the number completed by Maximus but may differ because of delays in transmission.
- ** Cases determined by State are not necessarily the same as worked by Maximus in the same week; most of them had been worked by Maximus a few weeks previous.
- *** As noted on the year-to-date report, previous versions of this report reflected cases scheduled for Maximus to send to the State. We have moved to reporting the cases scheduled for State determination, since that is the end goal.
