Intensive In-Home Services: 1115 Waiver pilot

Approved 1115 Waiver Pilots

- Residential and Inpatient treatment for >Assistance in Community Integration Individuals with SUD Pilot;
- Clinically Managed Withdrawal Management Services Pilot;
- ➤ SUD Case Management Pilot;
- Peer Recovery Support Services Pilot;
- Crisis Intervention Services Pilot;
- Evidence-based Home Visiting Services Pilot

- Services Pilot;
- Supported Employment Services Pilot;
- Intensive In-Home Services Pilot; and
- Respite Services Pilot.

Intensive In-Home Services Defined

- Focus on youth with high needs who need intervention to stabilize behaviors to reduce risk of crisis and/or hospitalization
- > Two components of Intensive In-Home:
 - ➤ Intensive In-Home Clinical
 - ➤ Intensive In-Home Support

> Strength-based, individualized, therapeutic face-to-face, time-limited, focused intervention

➤ Driven by a Clinical Intervention Plan

Delivered in the individual's home or home-like setting

- Time Limited
 - ➤ Authorized for an initial sixty (60) day period and may be reauthorized for two additional thirty (30) day periods.

- Strength-based, individualized, therapeutic interventions
 - > Utilization of a trauma-informed, clinical program of youth and family interventions

- Clinical Intervention Plan
 - ➤ Developed and signed by a Licensed Practitioner of the Healing Arts (LPHA) based on / incorporated into Illinois Medicaid Comprehensive Assessment of Needs and Strengths (IM+CANS).
 - ➤ Established in collaboration with youth, family and Intensive In-Home team
 - Clearly outlined targets and goals of Intensive In-Home services

➤ Provided by a Qualified Mental Health Professional (QMHP), as defined in 89 Ill. Adm. Code 140.453; and

➤ Supported by skills development and stabilization services provided through Intensive In-Home — Support services.

Intensive In-Home - Support

- ➤ Time-limited, focused intervention to develop skills and stabilize an individual in his or her home or home-like setting,
- ➤ Support the individual and family in implementing therapeutic interventions, skills development, and behavioral techniques for symptom reduction

Intensive In-Home - Support

- ➤ Provided as a direct adjunct to youth receiving Intensive In-Home Clinical;
- > As included in the Clinical Intervention Plan; and
- ➤ Provided by a Mental Health Professional (MHP), as defined in 89 III. Adm. Code 140.453.

Eligible Providers

- > Enrolled as a Behavioral Health Clinic, or
- Certified and enrolled as a Community Mental Health Center.
- Completed IM+CANS staff training and certification, and
- ➤ Actively utilizing the IM+CANS as the Integrated Assessment and Treatment Plan tool for youth

Eligible Youth

- > Youth three (3) to twenty-one (21) years of age
- ➤ Enrolled in (or meets criteria for) Tier A (high behavioral and high physical needs) or Tier B (high behavioral and low to moderate physical health needs) of an Integrated Health Home, and
- ➤ IM+CANS signed by an LPHA

Eligible Youth

- ➤ Has actionable items in behavioral and emotional needs, risk behaviors, caregiver resources and needs, and life functioning domains consistent with the Department's program eligibility criteria, and
- ➤ A treatment history of more than one psychiatric hospital admission in the preceding twelve (12) months; or one or more crisis episodes within the preceding six (6) months; **OR**

Eligible Youth

➤ A documented history and persistence of frequent hallucinations, delusions, unusual thought processes, strange thought processes; or bizarre or idiosyncratic behavior

- ➤ Prior to January 1, 2019, roll out of Integrated Health Homes:
 - Providers who are actively utilizing the IM+CANS
 - > Identify youth that meet all requirements
 - Fill out Service Request form (to be posted on HFS' website)
 - Send to HFS via Secure Fax
 - **>** (217) 524-1221
 - ➤ Subject line: Intensive In-Home Pilot Request

- ➤ HFS will review the application, determine if eligibility criteria are met (including Tier A or B eligibility), will notify provider of approval and will add identifier to youth as a waiver participant.
- Initial 60 days will be authorized
- > Two additional 30 day periods will be approved if request form is submitted to HFS email.

- ➤ After January 1, 2019, roll out of Integrated Health Homes:
 - ➤ Integrated Health Homes will collaborate with providers to identify youth enrolled in Tier A and B who meet eligibility criteria for pilot
 - > Integrated Health Home will send service request to HFS
 - Previously outlined steps will be executed to complete enrollment

- ➤ If HFS determines that youth do not meet appropriate eligibility criteria, HFS' Psychiatric Director will review to confirm or overturn the decision.
- ➤ If decision is to confirm, the provider or Integrated Health Home will be notified that the youth is not eligible for the pilot
- ➤ If the decision is to overturn, the previously listed enrollment steps will be executed.

Billing and Payment

- ➤ Billed to MCO if youth enrolled
- ➤ Billed to HFS if youth is not covered by managed care
- ➤ Will be introducing pilot payment methodology supporting community stabilization (Not Pay For Volume)
- ➤ Billing and payment details will be provided in follow up webinars
