

The Department of Healthcare and Family Services (HFS) is inviting individuals interested in serving on the Detox Subcommittee of the Medicaid Advisory Committee to apply for consideration.

All appointments of members shall be made in writing by the Director of HFS. These members shall include representatives of consumer groups or consumers themselves, physicians (at least one of whom shall be Board Certified), and other representatives of health professions who are familiar with the healthcare needs, services, and resources available for the population served by HFS.

The term for each member is for a period of two years, and members are limited to two consecutive terms or until a successor is appointed in writing by the Director of HFS.

If you are interested in becoming a member of the Detox Subcommittee of the Medicaid Advisory Committee, please submit your resume, biography or curriculum vitae to Cheryl Easton at [Cheryl.Easton@Illinois.gov](mailto:Cheryl.Easton@Illinois.gov), no later than June 17, 2019.
