Public Education Subcommittee Meeting
December 3, 2015.

1. **Introductions**
   Chairwoman Kathy Chan, from CCHHS, chaired the meeting. Attendees in Chicago and Springfield introduced themselves.

2. **Review of Minutes**
   Nadeen Israel made a motion to approve the minutes from the meeting held on October 8th, and it was seconded by Ramon Gardenhire. The minutes were unanimously approved.

3. **2016 Tentative Meeting Schedule**
   Kathy Chan submitted a motion to discuss the 2016 meeting schedule. HFS proposed a series of 2016 meeting dates in the meeting packet, indicating February 11th, April 14th, June 9th, August 11th, October 13th, and December 1st. Committee members agreed to meet every other month. Kathy Chan submitted the motion, and it was unanimously approved.

4. **Ethic Training**
   Shannon Stokes, from the Assistant General Counsel, indicated that all committee members must complete the mandatory ethics training by December 18th, 2015. She then responded to the committee members’ inquiries and provided instructions for them to submit their “Acknowledgment of Participation,” to Bridgette Stone at BridgettStone@illinois.gov. Ms. Stokes stated that failure to comply could result in the recall of an individual’s position on the committee. For any additional questions or concerns committee members should contact Shannon at: Shannon.stokes@illinois.gov

5. **Care Coordination Update**
   Laura Phelan presented the report. She indicated that access and continuity of care are a top priority for HFS, and that in order to accommodate providers who require extra time to establish partnerships with MCOs, the ACE and CCE member transitions will continue into the first months of 2016. She said that letters mailed to ACE and CCE members including details about transitions are posted on the HFS website under the “Care Coordination Member Transition Letters” tab at: http://www.illinois.gov/hfs/MedicalProviders/cc/Pages/default.aspx

   Ms. Phelan reminded committee members that clients who may need unbiased assistance about their options in choosing or changing plans should contact the “Client Enrollment Services” at 1-877-912-8880 or visit the website at: http://enrollhfs.illinois.gov/

   Margaret Stapleton raised a concern in relation to clients who may be in the midst of treatment and can potentially be affected by these transitions. Lauren Polite indicated that if someone is in the middle of treatment, a new health plan must allow the treatment to continue with the member’s current provider, even if the provider is not in the network of the new plan, as indicated by the continuity of care provisions within the plan’s contract.

   **Note**: On 1/4/16, HFS published a new informational provider notice outlining and summarizing the latest developments regarding care coordination. It is available at the following link: http://www.illinois.gov/hfs/MedicalProviders/notices/Pages/prn160104a.aspx

   Laura Phelan provided an update on MMAI. She indicated that, Health Alliance Connect will no longer be a part of the Medicaid Medicare Alignment Initiative, as of December 31, 2015. Notifications have been sent to clients explaining their options including a toll free number so they can receive appropriate assistance. This notice can be seen at the following link: http://www.illinois.gov/hfs/SiteCollectionDocuments/HealthAllianceConnectMMAITerminationNotice.pdf
The committee asked to provide an update about care coordination during the next meeting.

6. Rede process Under Phase Two
Vicky Nodal indicated that DHS and HFS continue making progress in the development of the Integrated Eligibility System (IES), which is a computerized system that is being used to determine eligibility for Medicaid, SNAP, and TANF. Currently, combined efforts are being focused on IES phase two, which, among other enhancements, will make it possible to process all clients’ redeterminations using IES. Ms. Nodal asserted that, when IES phase two “goes live”, the IMRP/Maximus process will be phased out. The first month following the implementation of IES phase two, clients will have the ability to complete their annual redeterminations electronically using the ABE client portal. Ms Nodal provided details regarding the conversion process and the phase two timeline, which was included in a power point presentation that was shared with the committee. (See attachment one.)

Jacqui Ellinger indicated that a crucial element in this process will be the ABE Call Center, especially during the first months of the transition, when Maximus will be phased out. She added that all the clients’ notices will include the appropriate phone numbers so that clients will be able to receive the proper assistance. HFS and Maximus will work together to ensure a smooth transition. Vicky Nodal commented that clients will have the ability to submit their redetermination electronically using the client portal through the “Manage My Case” function.

Vicky Nodal added that, in IES, a family no longer will have multiple cases, as they currently do in the legacy system. In IES, family will have only one case, and the redetermination form will include information already existing in the IES case record. The redetermination form will be prepopulated, and clients will either verify or change the information indicated in the redetermination. Ms. Nodal commented that an important change in the redetermination protocol is the creation of a central processing unit. This will be a huge change for clients who have become accustomed to hand delivering their redeterminations to case workers at the local offices, which could be counter productive, because this can potentially delay the process. Therefore, clients will be encouraged to complete their redeterminations online through the “Manage My Case” function. Once the central processing unit receives a redetermination, it will be reviewed to determine eligibility. Ms. Nodal also discussed scenarios included in the power point presentation for clients receiving SNAP and TANF.

Jacqui Ellinger announced that HFS will develop a series of communication notices for providers and advocates explaining details of this process. Based on the positive response to previous webinars hosted in collaboration with EverThrive Illinois and the Shriver Center, it was suggested that a webinar be offered for community partners who wish to help clients link their cases to their ABE account, and become acquainted with the ABE client portal. In the upcoming months, HFS will share a sample of the notices that clients will receive with members of the committee so they can provide input and recommendations.

7. Illinois Medical Redetermination Project (IMRP) Enhanced Eligibility Verification (EEV) Update
John Spears reported that DHS and HFS have made substantial progress addressing the backlog of cases due for redetermination. He provided a brief report in terms of the IMRP statistics that are available at: http://www.illinois.gov/hfs/SiteCollectionDocuments/IMRPReport.pdf

8. ACA/Health Care Reform Updates
Application Processing
Jacqui Ellinger reported that, currently, the number of pending applications has risen to 56,000. It is suspected that this increase is directly connected to the marketplace open enrollment. Ms Ellinger
commented that DHS and HFS do not have much capacity to increase their rate of processing applications. She added that, occasionally, the state has received a few “old applications” from the FFM. Aside from that, the FFM application transmission process has been going reasonable well. Ms, Ellinger indicated that this year the state has not experienced any breakdown in the transmission of the information.

**Integrated Eligibility System (IES) Phase Two Update**

Jacqui Ellinger announced a target date of July, 2016 for IES phase two implementation. HFS and DHS are currently working on all the details to facilitate the phase out of the legacy system, which will make it possible to ensure that caseworkers are using one system (IES) for eligibility functions across all programs. Ms Ellinger noted that user testing is underway to ensure that IES is operating correctly. However, she commented that this process is taking longer than anticipated. The intention has been to take the necessary precautions to minimize risk of any significant failures in July. Another important objective has been to make sure that all hand copied documents sent to the state can be scanned and routed accurately before the deployment of IES phase two.

In addition, Ms. Ellinger indicated that HFS is requesting federal approval of an extension to continue receiving 90% matching funds that have made possible the implementation of the ACA expansion. Concurrently, HFS is negotiating with Deloitte Consulting regarding details of the project’s schedule extension.

8. **Open Discussion and Announcements**

Lauren Polite thanked the committee members for their feedback in the development of the Courtesy Letter for Members Eligible through Spenddown (209b.)(See attachment two.) This notice will be sent to all individuals who were eligible for Medicaid coverage in Illinois in 2015 through the Spenddown program. This letter is relevant for individuals who are required to submit taxes; however, HFS is sending it to all Medicaid recipients. HFS will also be participating in a webinar for navigators so that they can understand the 209(b) letter and the 1095B tax document sent to all 2015 Medicaid recipients. Ms Polite indicated that the letter is addressed to “the Head of Household.” If clients have any questions or concerns regarding any errors or omissions noted in the letter, they should contact the ABE Call Center at 1-800-843-6154. Navigators can help clients apply for hardship exemption; to find a navigator and make an appointment, they should contact the Marketplace Call Center at 1-800-318-2596.

8. **Adjourn**

The meeting was adjourned at 12:03 p.m. The next meeting is scheduled for February 11th, 2016, between 10:00 a.m. and 12:00 p.m.

*On expedited paths to transition to risk-based plans on or before June 30, 2016. Not a health plan choice for choice or auto-assignment enrollments as of Jan. 1, 2016. ACEs will continue to provide care coordination for their members through transition to a risk-based plan. ACEs may continue to provide care coordination under their partner MCOs.

*Illinois Health Connect will continue to be the health plan choice for most individuals residing in the non-shaded counties. In some counties, an individual may select an MCO health plan, if available, instead of Illinois Health Connect. Illinois Health Connect will also continue to assist individuals that are excluded from participating in a mandatory managed care program locate providers for health care services.
Redeterminations in IES Phase 2

For Public Education Subcommittee

December 3, 2015
Phase 2 Timeline

- With IES Phase 2 ‘Go Live’, the IMRP/Maximus process will phase out.
- Redes started by Maximus will be completed using that process.
- The first month following IES “Go Live,” the IES process will initiate redes.
Phase 2 Timeline (cont.)

- A conversion process is required as part of IES deployment, because the legacy system is still the “system of record.”
- Active cases will be transitioned to the new IES system, ‘converting’ the legacy cases into IES cases.
- Inactive cases that have been active within the last 150 days will also be converted, since some may cooperate and need to be reinstated.

- ACM: Advanced Concepts Management
IES Rede Process – Process A

- Process A is used for medical benefits when current case information plus electronic data provide sufficient information to recertify medical benefits. The following criteria must be verified:
  - IL residence
  - Income-can be verified through electronic sources:
    - SSA/SSI through Bendex/SDX
    - Earned Income through AWVS/IDES (IL Dept of Employment Security) or The Work Number
    - Unemployment Insurance through AWVS
  - Citizenship or acceptable Immigration Status and Social Security Numbers must already have been verified.
The household will receive a notification that the case has been reviewed and appears to have ongoing eligibility.

The notification provides information about what information was used to decide eligibility.

The household is notified to report if any of the information is not correct.

The household is notified to report future changes.

If the household does not respond, medical benefits are automatically redetermined.
HFS and DHS have identified some cases that will require manual intervention after conversion because the legacy system does not contain the level of detail required to process cases in IES.

For example, relationship and income details for responsible relatives in the household who are not recorded in the legacy case will need to be obtained before a case can be redetermined under Process A.
IES Rede Process – Process B

Medical cases where the current information plus electronic data does NOT provide sufficient information to recertify medical benefits

- Citizenship or Immigration Status not verified
- SSNs missing or not verified
- IL Residence not verified (through SoS or other acceptable electronic means)
- Cases with $0 income
- Income cannot be verified or electronic verification indicates at least one person is income ineligible
- Resources must be reviewed
**PROCESS B**

- The household will get a redetermination form, sent centrally – MAGI, non-MAGI or LTC.
- The rede form will provide information about any electronic data already available, so the household will only have to verify other information or change and verify any incorrect/missing information.
- The client must respond within 30 days by either returning the form to a central scanning/fax unit or through their online account.
- Benefits will terminate if the household does not respond timely.
- A state caseworker will review the form and verifications and decide on-going eligibility in IES

SNAP DUE BEFORE MEDICAL

- SNAP REDE can be used as a Medical Ex-Parte Review
- If all persons remain eligible for same level of Medical benefits, complete Medical REDE and align Medical & SNAP Cert Periods
- If persons not eligible for same benefits, adult eligibility will be cancelled if appropriate; children maintain continuous eligibility for remainder of 12 month cert period
MEDICAL DUE BEFORE SNAP

- If Process ‘A’ is used, and electronic data from IDES shows a change in earned income, additional proof must be requested for SNAP budgeting. IDES data is not acceptable verification of earned income for SNAP.
Medical Benefits Redetermination Notice

Dear K,

Based on the information we have today, the person(s) listed in the table below are approved to keep getting medical benefits after February 2016. However, if we get new information about a change in your circumstance your eligibility for medical benefits may change. If that happens, we will send you a new notice.

We will send you a new medical card before March.

Important Information about Your Medical Group(s)

Medical benefits covered are different depending on your Medical Group. Some Medical Groups provide full medically necessary health coverage including prenatal care.

List of Common Services Provided for Medical Groups with Full Coverage

- Doctor and clinic visits
- Inpatient and outpatient hospital
- Emergency room
- Prescription medicine
- Surgery
- Podiatric (feet) services
- Hospice care
- Emergency medical transportation
- Lab tests and x-rays
- Medical supplies and equipment
- Family planning (birth control)
- Medical transportation
- Home Health service
- Chiropractic services
- Physical and Occupational therapy
- Dental care (limited for adults over age 20)
- And more, check with your health care provider for details
Medical groups providing full health coverage meet the requirements for insurance under federal law, so you do not have to pay any tax penalty.

Find the Medical Group for each person in the ongoing Medical benefits eligibility table and then read below for more information about the benefits for each Medical Group.

Information about ACA Adult
ACA Adult is health coverage for adults age 19-64 who do not have dependent children living with them. ACA Adult health coverage provides the services listed above for full health coverage.

Adults pay copays for some services.

- Doctor and clinic services: $3.90 per visit
- Inpatient hospital services: $3.90 per day
- Outpatient hospital services: $0.00 per visit
- Emergency room: $3.90 per visit
- Prescription medicine:
  - Generic: $2.00 per prescription
  - Brand name: $3.90 per prescription

Copays may change in the future.

How We Decided Your Eligibility for Medical Benefits

If you have any changes in income or if anyone moves in or out of your household, you must report the change to us within 10 days by going to Manage My Case at abe.illinois.gov or by calling the phone number on the first page of this notice.

Eligibility for medical benefits for the following person(s) is based on household income, who is living with the head of household and how they are related to each other, whether someone in the household files income taxes or is a dependent on someone else’s tax return. This is called Modified Adjusted Gross Income (MAGI) methodology.

The facts we used to decide K’s ongoing Medical eligibility are:

- The number of people counted in the family size is 1.
- Countable monthly income is $0.
- Countable monthly income calculation is based on household income, who is living with the applicant and whether someone in the household files income taxes or is a dependent on someone else’s tax return.
- Monthly income standard is <2016 MAGI Income Standard>.
How to File an Appeal

You Have the Right to File an Appeal

If you do not agree with our decision, you have the right to appeal and be given a fair hearing. You may represent yourself at this hearing or you can ask someone else, such as a lawyer, relative or friend to represent you. If you are appealing the decision on your cash and/or medical benefits decision you must do so within 60 days after the “Date of Notice.” If you are appealing a decision about SNAP you must do so within 90 days after the “Date of Notice.” You can ask for a fair hearing by calling (800) 435-0774 (TTY (877) 734-7429), going online to abe.illinois.gov, emailing DHS.BAH@Illinois.gov faxing (312) 793-3387 or writing to DHS Bureau of Hearings, 69 W. Washington, 4th Floor, Chicago, IL 60602.

To apply for free legal help:

✓ In Cook County (including the City of Chicago) – Legal Assistance Foundation of Metropolitan Chicago: (312) 341-1070
✓ In other counties in Northern or Central Illinois with area codes (309), (815) or (847) – Prairie State Legal Services: (800) 531-7057
✓ In other counties in Central or Southern Illinois where the area code is (217) or (618) – Land of Lincoln Legal Assistance Foundation: (877) 342-7891
Medical Benefits: Time to Renew Notice

Dear Brie Clark,

It is time to renew your Medical benefits!

You must complete your redetermination to continue your Medical benefits after April 2016.

To learn how to renew your Medical benefits, read the first page of the IL444-1893 Medical Benefits Renewal Form which is included in this envelope.

Call us at 1-855-458-4945 (TTY: 1-855-694-5458) if you cannot send everything on time or if you have questions. We may be able to help you get the proofs you need.

Electronic Review of Eligibility for Medical Benefits

We checked our electronic sources to decide if we can automatically renew your medical benefits. The tables below show the income information we have about your case.

Because we could not make a decision using only electronic sources, we need information from you to decide if you continue to qualify for medical coverage. You still must complete a redetermination or your benefits will end.

The following table shows the most recent income information in our records.

Dear Illinois Healthcare Member,

November 10, 2015

Attention: The information on this letter applies to you ONLY IF you are required to file federal taxes.

Under the Affordable Care Act (ACA), most people are required to have health coverage for the entire year that meets certain “Minimum Essential Coverage” (MEC) standards. Medicaid is considered MEC. Persons who do not have MEC may have to make a Shared Responsibility Payment when they file their taxes unless they qualify for an exemption.

Our records show you or someone in your household got Medicaid by meeting spenddown for one or more months in 2015. Eligibility for Medicaid because of spenddown is possible when someone uses medical receipts or bills, or pays the state a certain amount of money to meet their spenddown.

- Special tax rules allow someone eligible for Medicaid through spenddown to request a ‘hardship exemption’ even though they did not have MEC coverage for the entire year.
- If an exemption request is approved, the Marketplace will give an Exemption Certificate Number (ECN) to put on a federal income tax return exempting the person from a Shared Responsibility Payment.

Follow these steps to apply for the hardship exemption. Apply as soon as possible.

Step 1: Look through your records to see what month(s) you or someone in your household had Medicaid by meeting spenddown. If you don’t have records, you will still have time to apply for the hardship exemption using form 1095-B that HFS will mail to you in January 2016.

Step 3: Read the instructions on the form. Start filling out the form on page 2. Page 3, Question 8 lists the hardship reasons. If you received Medicaid because you met spenddown for at least one month out of the year, fill in the circle for #14 and write in the following:

[The name of the person who met spenddown] had 209(b) Medicaid coverage because he or she met the spenddown amount in at least one month during 2015. [He or she] got medical coverage for [enter the months and year the person had spenddown coverage] and did not get coverage for [enter the months and year the person did not get coverage] because [he or she] did not meet spenddown.

Step 4: Make a copy of the hardship exemption application and keep it with your other health care information. You do NOT need to send copies of medical records or notice of coverage. Mail only the original application to: 465 Industrial Blvd London, KY 40741

- A tax preparer can help you with your hardship exemption application.

HFS 209B (N-11-15)
Estimado beneficiario de servicios de salud en Illinois,

10 de noviembre de 2015

Aviso importante: La información incluida en esta carta está dirigida a usted SOLAMENTE SI usted está obligado a presentar una declaración federal de impuestos.

De acuerdo a la Ley de Cuidado de Salud, también conocida como Affordable Care Act (ACA), se requiere que la mayoría de las personas tengan cobertura de salud por todo el año, y así cumplir con el requisito de Cobertura Mínima Esencial, conocido en Inglés como “Minimum Essential Coverage” (MEC). Nótese que las personas que reciben Medicaid cumplen con éste requisito. Las personas que no tengan MEC podrían tener que pagar una multa o “Shared Responsibility Payment” cuando hagan su declaración de impuestos, a menos que califiquen para una exención.

Nuestros registros indican que usted o alguien en su hogar recibió Medicaid en 2015, ya sea por uno o varios meses al haber cumplido con su “obligación de pago” o “spenddown.” La elegibilidad de Medicaid por medio del programa de spenddown es posible cuando alguien envía facturas, recibos médicos, o paga al Estado cierta cantidad de dinero para cumplir con su obligación de pago. En los avisos en Inglés a esto se conoce como “meeting your spenddown.”

- Existen reglas fiscales que permiten a ciertas personas que reciben Medicaid por medio del programa de spenddown solicitar una “exención por dificultad” a pesar de no haber tenido cobertura médica todo el año. Esto se le conoce en Inglés como una petición de “hardship exemption.”
- Si se aprueba la petición de exención, el “Mercado de Seguros Médicos” o “Marketplace” enviará a esa persona un Número de Exención Certificado llamado “Exemption Certificate Number (ECN)” para que lo escriba en su declaración federal de impuestos sobre el ingreso y así la persona estará evitando pagar una multa, conocida en Inglés como “Shared Responsibility Payment.”

Siga estos pasos para solicitar la exención por dificultad. Aplique lo más pronto posible.

Paso 1: Revise sus registros para saber en qué mes o meses, usted o alguien en su hogar recibió Medicaid por medio del programa de spenddown. Si usted no tiene esta información, puede solicitar la exención por dificultad o “hardship exemption” usando el formulario 1095-B, el cual HFS le enviará en enero del 2016.

Paso 3: Lea las instrucciones y llene el formulario en la página 2. En la página 3, Pregunta 8, enliste sus razones de dificultad. Si usted recibió Medicaid debido a que cumplió con su obligación de pago por lo menos uno o más meses durante el año, marque el círculo de la pregunta número 14, y escriba lo siguiente:

[El nombre de la persona que cumplió con su obligación de pago] tuvo 209(b) cobertura de Medicaid debido a que él o ella cumplió con su obligación de pago por lo menos un mes durante 2015. [Él o ella] recibió cobertura médica por [escriba los meses y el año que la persona recibió cobertura por medio del programa de spenddown] y no recibió cobertura para [escriba los meses y año que la persona no recibió cobertura] debido a que [él o ella] no cumplió con su obligación de pago.

Paso 4: Guarde una copia de la solicitud de exención. Usted NO necesita enviar copias de los documentos o avisos de su cobertura médica. Envíe solamente la solicitud original a: 465 Industrial Blvd London, KY 40741

- Un preparador de impuestos puede ayudarle con su solicitud de exención de dificultad.

How to Get a Medical Card and a Primary Care Provider (PCP) for Your Baby

1. Getting an HFS Medical Card for Your Baby

   Do you have a Medical Card?

   YES
   - HFS recommends that you add your baby to your Medical Case (card) **within the first 90 days of birth**. To add your baby, you can:
     - Ask the hospital to add your baby, or
     - Call the ABE Customer Call Center at 1-800-843-6154 (TTY, call 1-800-447-6404), or
     - Go to your local Family & Community Resource Center (FCRC)

   NO
   - HFS recommends applying for a Medical Card for your baby **during the first 90 days of birth**. To do this, you can:
     - Call the ABE Customer Call Center at 1-800-843-6154 (TTY, call 1-800-447-6404), or
     - Apply online at [https://ABE.Illinois.gov](https://ABE.Illinois.gov), or
     - Go to your local Family & Community Resource Center (FCRC)

   HFS cannot pay your baby’s medical bills until your baby is added to your medical case. If you add your baby to your Medical Case after the first 90 days of birth, you may have to pay some of the medical bills yourself.

2. Pick a Health Plan and Primary Care Provider (PCP) for Your Baby

   Do you have a Health Plan?

   I DO NOT KNOW IF I HAVE A HEALTH PLAN
   - Call the HFS Health Benefits Hotline at 1-800-226-0768.

   YES, I HAVE A MANAGED CARE ORGANIZATION (MCO) AS MY HEALTH PLAN
   - Your baby will be automatically enrolled in your MCO health plan after they have been added to your medical case.
     - Your health plan will work with you to pick a PCP for your baby.

   YES, I HAVE ILLINOIS HEALTH CONNECT (IHC) AS MY HEALTH PLAN
   - You may need to enroll your baby in a health plan.
     - If your baby needs to enroll in a health plan and pick a PCP, the Client Enrollment Services will mail you

   NO, I DO NOT HAVE A HEALTH PLAN (MCO OR IHC)
   - You may need to enroll your baby in a health plan.
     - If your baby needs to enroll in a health plan and pick a PCP, the Client Enrollment Services will mail you an
- Your health plan will send a welcome packet with information about the health plan including a member handbook for your baby. Your baby may also get a health plan ID card.
- Take your baby’s health plan ID card and the HFS medical card with you to your baby’s doctor’s appointments or pharmacy.
- To change your baby’s PCP, call the health plan’s member services number on your baby’s health plan ID card or in the member handbook.
- To change your baby’s health plan within the first 90 days of enrollment:
  - Call Client Enrollment Services at: 1-877-912-8880 (TTY: 1-866-565-8576), or
  - Go online to www.enrollhsf.illinois.gov
- If you receive an enrollment packet for your baby, you will have 60 days to pick a health plan and PCP. If you do not pick a health plan and PCP for your baby, the state will assign your baby to a health plan and PCP.

**If your baby is not required to pick a health plan and PCP,** you will continue to use the baby’s HFS medical card for health care services. Call Illinois Health Connect for help finding a doctor for your baby at: 1-877-912-1999 (TTY: 1-866-565-8577).

Once enrolled, your health plan will send you a member handbook. The member handbook will explain how to get services for your baby. If you are not happy with your baby’s health plan or PCP, the member handbook will explain how to change your baby’s health plan or PCP.
