

Preferred Drug List

Illinois Medicaid

4/1/2018

Exceptions as Noted Below

- ADHD Agents: Prior authorization required for participants under 6 years of age and participants 19 years of age and older
- Spiriva AER 1.25mcg: Prior authorization NOT required for participants ages 6-17 years
- Budesonide: Prior authorization NOT required for participants age 7 years and under
- Anticonvulsants: Prior authorization NOT required for non-preferred epilepsy agents for those participants with a diagnosis of epilepsy or seizure disorder in Department records
- Antipsychotics: Prior authorization required for participants under 8 years of age and long-term care residents
