DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

NOTICE OF EMERGENCY AMENDMENTS

9) Reason for Emergency: Public Act 97-0689, Save Medicaid Access and Resources Together (SMART) Act gives any agency in charge with implementing a provision or initiative in SMART, the ability to adopt rules through emergency rulemaking in order to provide for the expeditious and timely implementation of SMART. The adoption of this emergency rulemaking is deemed to be necessary for the public interest, safety, and welfare. Pursuant to Public Act 97-0689, the 150-day limitation of the effective period of emergency rules does not apply and the effective period of rules necessary to implement SMART may continue through June 30, 2013. These emergency rules are necessary to implement the provisions and initiatives of SMART.

10) Complete Description of the Subjects and Issues Involved: Part 125 is being amended to comply with the reduction in FamilyCare eligibility mandated by PA 97-0689, the SMART Act. Effective July 1, 2012, FamilyCare eligibility will be limited to individuals in families with income at or below 133 percent of the federal poverty level as established in 89 Ill. Adm. Code 120.32. The rulemaking also makes name changes to avoid inadvertent establishment of provisions, necessary to implement SMART that could be construed as conflicting with other parts of Title 89. For example, KidCare is changed to All Kids because the name KidCare is no longer used and Premium is changed to Premium Level 1 to avoid confusion with the Premium Level 2 co-payments established under Part 123.

11) Are there any other rulemakings pending on this Part? No

12) Statement of Statewide Policy Objectives: These emergency amendments neither create nor expand any State mandate affecting units of local government.

13) Information and questions regarding this amendment shall be directed to:
