DHS/DASA State Fiscal 2012 Awards

This DASA Smart Alert is sent to you as added information regarding the development of the State Fiscal Year 2012 DHS/DASA awards recently issued to you. These awards were based upon funds made available to DHS/DASA by the recent FY 2012 budget approved by the legislature, and signed by the Governor.

The attached fact sheet highlights key factors that DHS/DASA took into account in developing the awards. The fact sheet outlines budget factors and assumptions, specific reduction protocols used in determining award reductions, and a comparison of the between DHS/DASA SFY 2011 funds available and the approved State Fiscal Year 2012 DHS/DASA budget amounts. In addition, please note that where applicable, the Community Service Agreement cover pages are being revised to be correctly marked as non-grant for Fee-for-Service awards.

If you continue to have questions after you review the attached DASA Budget Fact Sheet, please feel free to contact your DHS/DASA contract manager to arrange for a conference call to review your reductions. I sincerely wish to thank each and every one of you for continuing to partner with us through these tough fiscal times.
